Subject: Ronald Reagan Bldg. virtual town hall: October 27 at 11 a.m.
Date: Tuesday, October 24, 2023 10:01:39
Attachments: [image003.png](#)

This message is intended for departments and agencies that have staff in the Ronald Reagan State Building.

Hello directors, chief deputy directors and others:

The Department of General Services (DGS) and the California Department of Public Health (CDPH) are holding a virtual town hall meeting on Friday, October 27, 2023, at 11 a.m. to share information about the water testing and remediation actions being taken at the Ronald Reagan Building, located at 300 S. Spring Street in Los Angeles.

All tenants and staff of the Ronald Reagan Building are invited to attend the town hall, during which CDPH will provide information about Legionella bacteria and Legionnaires' disease. DGS Facilities Management Division Senior Industrial Hygienist Bryan Landis will also be present to give an overview of FMD's efforts, and the environmental consultants FACS (which conducted the most recent testing of the building) will also share an overview of their findings.

Attendees will have the opportunity to ask questions during the town hall, and it will be recorded and uploaded to the DGS website within the week following the town hall.

Ronald Reagan Building Virtual Town Hall Meeting

Friday, October 27, 2023, at 11 a.m.

Please forward this message to your employees who work in the Ronald Reagan Building so they may attend the virtual town hall.

We look forward to seeing you at the town hall.

Jennifer Osborn
Chief Deputy Director
Department of General Services
