

ADVISORY COMMITTEE MEETING

6/19/26

OFFICE OF ADMINISTRATIVE HEARINGS' RESPONSE TO COMMITTEE RECOMMENDATIONS

AGENDA ITEM 7:

Recommendation:

To add information regarding due process complaint settlements to the OAH website, that include the issues of the complaint and the school district.

OAH Response:

OAH has an [interactive dashboard](#) (see below for URL) where users can get the number of due process complaints involving individual school districts from 2008 through the present. The dashboard can break down information by fiscal year. OAH will investigate if this Dashboard can include aggregated information by school district about the types of issues alleged in the due process complaints, and reason for case closure.
