The information included in this report is related to mediations and hearings, as well as information required by state and federal law. Where specific information in this report is identified by reference to a “task,” the “task” refers to a section of the IA by section, paragraph, and subdivision of Exhibit A of the IA.

The information contained in this report for the relative quarter of fiscal year 2022-2023 reflects the current data as of February 2023.

This report organizes the information in the following categories:

- Case Filings
- Closed Cases
- Due Process Hearings
- Resolution Sessions
- Mediations
- Expedited Hearings

CLOSED CASES

The data in these tables is required by Task 4.3(b)(3 and 10).

There are times when a decision is issued on expedited issues and a hearing on the remaining issues may not occur during the quarter. This may happen if the parties may reach an agreement on the remaining issues, the party that filed the case may decide to withdraw the case, the hearing may be scheduled for a date after the quarter ends, or there may be another reason. When this happens the number of cases closed because a decision was issued may not be the same as the number of hearings held, which is reported later in this report. An explanation for the difference, when there is one, will be added to explain the difference.

CASES WITH DECISIONS ISSUED THAT WERE NOT CLOSED DUE TO DECISION ISSUANCE

There were no cases in the relevant quarter with a decision issued that were not closed due to decision issuance.

However, there was one case which was closed due to decision issuance that had both an expedited and non-expedited decision issued. Due to the issuance of two decisions in one case, the number of decisions issued does not match the number of cases closed due to decision issuance.
