PARENT ON BEHALF OF STUDENT,

v.

HEMET UNIFIED SCHOOL DISTRICT.

OAH CASE NO. 2012110702

ORDER GRANTING REQUEST FOR  
SECOND PREHEARING CONFERENCE

On January 14, 2013, a telephonic pre-hearing conference (PHC) was held before Administrative Law Judge (ALJ) Marian H. Tully, Office of Administrative Hearings (OAH). At the PHC, the parties stipulated to the consolidation of Student's case with District's consolidated cases and to proceed with the PHC as to all three cases. An Order Following Prehearing Conference issued January 15, 2013. The PHC Order and the record reflect that the parties agreed to the issues as to all three consolidated cases, and that no further motions were anticipated before the date set for hearing, and neither party sought to amend their previously filed prehearing conference statements, witness or exhibit lists.

On January 17, 2013, District filed a motion to set a second PHC on the grounds it had not filed a prehearing conference statement in Student's case, and it had not had an opportunity to identify witnesses and exhibits relevant to Student's case. Student neither joins nor objects to District's motion. District has not proffered any issue or identified witnesses or exhibits not previously disclosed that would be relevant to the defense of Student's case. To the extent Student or District needs to discuss changes to the evidence or hearing procedure due to the consolidation of Student's case, District's motion is granted. District may be subject to sanctions for filing a frivolous motion if there is no material change to the evidence or hearing procedure at the second prehearing conference.

## ORDER

1. District's request for a second prehearing conference is granted.
2. The second telephonic prehearing conference shall be held at 1:30 PM, on February 4, 2013.

Dated: January 23, 2013
