In the Consolidated Matters of:

PARENT ON BEHALF OF STUDENT,

OAH CASE NO. 2013040098

v.

FOLSOM CORDOVA UNIFIED
SCHOOL DISTRICT,

FOLSOM CORDOVA UNIFIED
SCHOOL DISTRICT,

OAH CASE NO. 2013090197

v.

PARENT ON BEHALF OF STUDENT.

ORDER EXTENDING STUDENT'S
TIME TO RESPOND TO MOTION
TO DISMISS

On September 20, 2013, Student filed a first amended complaint in Office of Administrative Hearings (OAH) Case No. 2013040098. On October 28, 2013, the Folsom Cordova Unified School District (District) filed a motion to dismiss several claims in that complaint on grounds that include the application of the statute of limitations and the allegedly binding effect of certain provisions in a previous settlement agreement.

On October 30, 2013, Student requested additional time to respond to the District's motion to dismiss. No response has been received from the District. Without an extension of time, Student would have to respond to the motion by October 31, 2013.

Student's request establishes that Parents did not receive the District's motion to dismiss until the evening of October 29, 2013; that both parents work full time; that they are engaged (at the request of OAH) in separating and re-submitting several motions previously filed in a single document; and that as a result of these facts they do not have sufficient time to respond to the motion to

dismiss, given its complexity. In addition, Parents will be participating on November 1, 2013, in a prehearing conference in these consolidated matters.

Good cause appearing, Student's time to respond to the District's motion to dismiss is extended to the close of business on November 7, 2013.

IT IS SO ORDERED.

Dated: November 1, 2013
