In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

MONROVIA UNIFIED SCHOOL
DISTRICT.

OAH Case No. 2015100654

ORDER OF DETERMINATION OF
SUFFICIENCY OF DUE PROCESS
COMPLAINT

On October 19, 2015, Parent, on behalf of Student, filed a Due Process Hearing Request¹ (complaint) naming Monrovia Unified School District. On November 2, 2015, Monrovia timely filed a Notice of Insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint.² The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

The complaint is deemed sufficient unless a party notifies the Office of Administrative Hearings and the other party in writing within 15 days of receiving the complaint that the party believes the complaint has not met the notice requirements.³

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification,

evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time.⁴ These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation.⁵

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.”⁶ The pleading requirements should be liberally construed in light of the broad remedial purposes of the Individuals with Disabilities Education Act and the relative informality of the due process hearings it authorizes.⁷ Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge.⁸

DISCUSSION

The facts alleged in Student’s complaint are sufficient to put Monrovia on notice of the issues forming the basis of the complaint. The complaint alleges that Monrovia denied Student a FAPE by failing to timely and appropriately assess him in all areas of his suspected disability, failing to identify accurate levels of performance and develop measurable goals, failing to offer an appropriate educational placement, failing to offer an appropriate program, and by violating procedural requirements set forth in the IDEA that impede the parents’ opportunity to participate in the decision-making process. Student is not required to include every fact pertinent to every allegation so as to preclude evidence outside the four corners of the complaint. Student’s complaint identifies the issues and adequate related facts about the
