Subject: QUALITY CONTROL REVIEW OF CONTRACT APPROVAL EXEMPTION AUDIT

This report presents the results of our quality control review of an internal audit conducted of the California Department of Corrections and Rehabilitation's (CDCR) contracting program. The audit was conducted by CDCR's Office of Audits and Court Compliance (OACC).

As a condition of CDCR's exemption (Exemption Letter No. CDCR3) from the Department of General Services' (DGS) approval of its contracts under \$150,000, two audits were required to be performed of the department's contracting program during the exemption period of July 1, 2013 through June 30, 2017. On March 30, 2017, OACC issued an audit report which presented the results of the second audit required under the terms of the exemption. Public Contract Code Section 10352 requires DGS to perform a quality control review of the audit.

The objectives of our quality control review were to determine: (1) if the internal audit was conducted in accordance with an audit guide issued by DGS; and, (2) if reported findings are being appropriately addressed by CDCR's management. Based on our interviews of audit staff and review of the working papers prepared to support audit tests, and our performance of other procedures as deemed necessary, we concluded that the audit was conducted in accordance with DGS' audit guide and that management indicated a commitment to take appropriate actions to address reported findings.

We greatly appreciated the cooperation and assistance provided by CDCR's audit staff.
