All RFBI's received prior to deadline identified above, and responses from the State will be published on <http://www.caleprocure.ca.gov>. Click on "Start Search." In the event name field, enter the project number and click search. While viewing the Event Details, click on "View Event Package" to view RFBI responses.

Project No.: 000000000014471

Project Name: LOT 50 ACCESSIBILITY UPGRADES & EVCS

Location: SACRAMENTO, CA

Drawing Reference: _____ Project Manual Reference: _____

Question:

We are asking for clarification regarding the scope of work for the Electric Vehicle Charging Stations (EVCS) in this project.

1. Scope Confirmation:

Please confirm that the EVCS units are to be Owner Furnished, Owner Installed (OFOI), and that the General Contractor's responsibility is limited to providing the necessary infrastructure and conduit pathways only.

2. Cut Sheet Request:

Please provide cut sheets (product data) for the EVCS units intended for installation.

AOR Response:

1. New ChargePoint EVCS units intended for reuse were installed in December 2024. It will be the General Contractor's responsibility to remove and reinstall these units for use in the new accessible EVCS locations.

2. Please see attached product data sheet. Selected EVCS model is circled on the cutsheet, Maximum 50A (Power Share).

Bidder's Authorized Signature: Austin Stewart
