

Medium- and Heavy-Duty Vehicle Categories Subject to ZEV & Hybrid First Purchasing Mandate

Pursuant to State Administrative Manual Section 4121.9, beginning July 1, 2020, state agencies are required to prioritize purchasing of Zero Emission Vehicles (ZEV) (Including Battery Electric, Fuel Cell, and Plug-in Hybrid) and Hybrid-Electric Alternative Fuel Vehicles (Hybrid AFVs), in designated medium- and heavy-duty vehicle categories where programmatically feasible. Noted below are the designated medium- and heavy-duty vehicle categories subject to this policy. This list will be valid until June 30, 2022.

Designated Medium- and Heavy-Duty Vehicle Categories

Vans

1. Passenger Vans – Class 2b
2. Cargo Vans – Classes 3 & 4
3. Cargo Step Vans – Classes 5 & 6

Trucks

1. Truck (cab and chassis) – Classes 3-6
2. Utility Truck – Class 4
3. Box Truck – Class 6
4. Refuse Truck – Class 8
5. Tractor Truck – Class 8

Vehicle Class Chart

Vehicle Class	Gross Vehicle Weight Rating
