 - a. Compact Sedan
 - b. Mid-Size Sedan
 - c. Full-Size Sedan
 - d. SUV – 5 Passenger – 2WD or AWD
 - e. SUV – 7 Passenger – 2WD or AWD

Pursuant to State Administrative Manual Section 4121.1 beginning in fiscal year 2017/2018, state agencies are required to prioritize purchasing of Zero Emission Vehicles (ZEV) (including Battery Electric, Fuel Cell, and Plug-in Hybrid Vehicles) and Hybrid-Electric Alternative Fuel Vehicles (Hybrid), in designated light-duty vehicle categories where programmatically feasible. Noted above are the designated light-duty vehicle categories subject to this policy. This list will be updated as new vehicle classes become available in ZEV and hybrid vehicles. State agencies will be notified when the list is updated.
