

Quick Guide to Booking a Zero Emission Vehicle

1. Enter the rental car search parameters (travel locations, dates, and times) in the "Rental Car Search" and click "Search."
2. At the top of the "Rental Cars" search results page, you will see more search and filter options.
3. Click "All Filters."
4. Scroll to "Specifications" and check "Electric."
5. Select a vehicle with an "Electric" label.
6. Continue the booking process until you have reached the "Trip confirmed" page. See the video and/or guide 'How to Book a Rental Car' for detailed instructions.
