REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, September 6, 2017

PRIORITY FUNDING SCHOOL CONSTRUCTION APPORTIONMENTS

PURPOSE OF REPORT

To provide priority School Facility Program (SFP) funding Apportionments for \$433.3 million for the projects that submitted a valid certification.

DESCRIPTION

At the May 2011 State Allocation Board (Board) meeting, the Board approved proposed regulations establishing two annual filing periods for prioritizing school construction funding as cash proceeds became available to provide Apportionments. The Office of Administrative Law (OAL) then approved the regulations on July 27, 2011. The proposed regulations created two 30-day periods in which school districts could request to receive an Apportionment upon acknowledgement that a *Fund Release Authorization* (Form SAB 50-05) could be submitted within 90 days of receiving an Apportionment.

Based on the current regulations, the recent 30-day filing period began on May 10, 2017 and ended on June 8, 2017. Requests must have been physically received by the Office of Public School Construction (OPSC) on or before June 8, 2017 and are valid from July 1, 2017 through December 31, 2017.

By approving this item, the Board will provide approximately \$433.3 million in Apportionments for 131 projects that represents 68 school districts.

AUTHORITY

See Attachment A.

BACKGROUND

Requests/Acknowledgements

Pursuant to SFP Regulations, districts choosing to participate in the priority funding process must submit a request to convert an Unfunded Approval to an Apportionment. As part of the request, districts are required to make the following acknowledgements:

- The district understands that the time limit on fund release shall be no more than 90 days from the date of Apportionment.
- The District acknowledges that failure to submit a valid *Fund Release Authorization* (Form SAB 50-05) within the 90-day period will result in the project being rescinded without further Board action. A rescinded application will revert back to an Unfunded Approval at the bottom of the Unfunded List (Lack of AB 55 Loans) and cannot be guaranteed bond authority. The application will receive a new Unfunded Approval date of Tuesday, December 5, 2017.
- In the case that multiple rescissions are made by the SAB, each separate application will be placed at the bottom of the Unfunded List (Lack of AB 55 Loans) in the order of the original unfunded approval date. The district will not be required to resubmit the application and no further application review will be required.
- The district acknowledges that by participating in the priority funding process, the district is waiving its right to the 18-month timeline for fund release submittal

BACKGROUND (cont.)

By approving this item, the Board will provide approximately \$433.3 million in Apportionments for 131 projects on the Unfunded List (Lack of AB 55 Loans) that have submitted priority funding requests and are eligible for an Apportionment. Any requests by districts to participate in the priority funding process that are not converted to Apportionments shall retain their date order position on the Unfunded List (Lack of AB 55 Loans) unless the school district receives a second non-participation occurrence. Any project receiving a second non-participation occurrence will be rescinded without further Board action.

This priority funding round generated \$443.6 million in Apportionment requests from 70 school districts for 135 out of 138 unique projects, which represent 98 percent of the projects on the Unfunded List (Lack of AB 55 Loans) that could have submitted requests. In this round, the Board is able to provide Apportionments for all \$433.3 in Apportionment requests. The remaining \$10.3 million in projects was unable to be apportioned at this time as updated approvals from the Division of the State Architect have not been obtained. The attachments provide detailed lists of the Apportionment requests received during this filing period that remain on the Unfunded List (Lack of AB 55 Loans). The applications receiving an Apportionment are highlighted in Attachments B, C, D, E, F, and G.

STAFF ANALYSIS/STATEMENTSCurrent/Future Request Periods

Requests submitted during the 30-day period that ended on June 8, 2017 will expire on December 31, 2017. A new 30-day priority funding request filing period will begin on November 8, 2017 and will end on December 7, 2017. Requests submitted during that period will be valid from January 1, 2018 through June 30, 2018.

Fund Release Requirements

Districts receiving Apportionments are required to submit a valid Form SAB 50-05 containing an original signature for each approved application. Forms SAB 50-05 must be physically received by the OPSC at 707 Third Street, West Sacramento, CA 95605 prior to the close of business on Tuesday, December 5, 2017. If a district fails to submit a valid Form SAB 50-05 within the allotted time frame, the project will be rescinded without further Board action and will receive a new unfunded approval date of Tuesday December 5, 2017 on the Unfunded List (Lack of AB 55 Loans).

Grant Agreement

Pursuant to action taken by the Board at the June 5, 2017 meeting a Grant Agreement for the project with an original signature by an authorized District Representative must be submitted prior to, or concurrently with, the Form SAB 50-05 in order for the Form SAB 50-05 to be considered valid for all projects that are approved for placement on the Unfunded List (Lack of AB 55 Loans) on or after June 5, 2017. Projects on the Unfunded List as of June 5, 2017 are exempt from this requirement.

Non-Participation in Priority Funding Process

On March 25, 2013, regulation amendments regarding non-participation in the priority funding process became effective. The regulation changes limit the number of times a district can choose not to participate in the priority funding process for a project on the Unfunded List (Lack of AB 55 Loans). Projects receiving an Apportionment in this item but do not submit a valid Form SAB 50-05 by close of business on Tuesday, December 5, 2017 will receive one non-participation occurrence. If this is the project's second non-participation occurrence, the project will be fully rescinded without further Board action and will not return to the Unfunded List (Lack of AB 55 Loans). The bond authority associated with rescinded projects will return to the SFP.
