ASSEMBLYMEMBER O'DONNELL: Again, this is Assemblymember Patrick O'Donnell chairing the meeting today in place for Gayle Miller who has some professional duties that take her elsewhere today, but I suspect she'll be back at our next meeting.

So with that, welcome to the State Allocation Board meeting. I would like to call the meeting to order. Pursuant to Governor Newsom's Executive Order N-25-20 issued March 12th, 2020, this meeting is being conducted by way of teleconference. On behalf of the Board, I would like to extend our gratitude to the Governor's appointee to the Board, Cesar Diaz, for his service to the State of California. After serving on the Board for nearly eight long years, Cesar is moving on to his next adventure. We wish him much success in his future endeavors. He's a great guy and we're sure he is going to do a great job wherever he lands next and we will miss him greatly, and again, one more time, thank him for his service.

We will begin this meeting by establishing a quorum. As a reminder to Board members, as we proceed with voting, if you choose to abstain from a vote, you must verbally state that you are abstaining. Madam Secretary, please call the roll.

MS. SILVERMAN: Yeah. We're ready for the Minutes to be approved.

ASSEMBLYMEMBER O'DONNELL: Okay. Request the Board to approve the Minutes. Do we have a motion?

ASSEMBLYMEMBER CUNNINGHAM: So move.

ASSEMBLYMEMBER BURKE: Second.

ASSEMBLYMEMBER O'DONNELL: It has been moved and seconded. Board members, as the secretary calls the roll, please wait until your microphone is unmuted. As a reminder, if you choose to abstain from a vote, you must verbally state that. Otherwise, it is presumed you are
Real quick, are there any public comments on the Minutes? I don't see any public comment; is that correct? Seeing no public comment, Secretary, please call the roll.

MS. JONES: Senator Leyva.
SENATOR LEYVA: Aye.
MS. JONES: Senator Roth.
SENATOR ROTH: Aye.
MS. JONES: Assemblymember Cunningham.
ASSEMBLYMEMBER CUNNINGHAM: Aye.
MS. JONES: Assemblymember Burke.
ASSEMBLYMEMBER BURKE: Aye.
MS. JONES: Juan Mireles. I know you're there.
MR. MIRELES: Aye.
MS. JONES: Thank you. Jeff Bell.
MR. BELL: Aye.
MS. JONES: Assemblymember O'Donnell.
ASSEMBLYMEMBER O'DONNELL: Aye.
MS. JONES: That motion carries.
UNIDENTIFIED SPEAKER: Lisa, Dan's in the meeting too.
MS. JONES: Oh, sorry, Dan. Dan Kim.
ASSEMBLYMEMBER O'DONNELL: We're waiting for Mr. Kim to vote.
MS. JONES: Can we come back to him so we can
keep moving.

ASSEMBLYMEMBER O'DONNELL: Yes.

MS. JONES: Okay. Thank you.

ASSEMBLYMEMBER O'DONNELL: With that, we'll go to our Executive Officer, Ms. Lisa Silverman.

MS. SILVERMAN: Yes. Hi. We have a few things to share tonight with the Board. So on the outset of having the Executive Officer's update, we wanted to share with the Board the Office of Administrative Law has approved the emergency regulations that the Board adopted at the last meeting. So this is great news. Again, this is relating to any extensions related to the program. So we're happy to report that that has been enacted and is effective today.

As far as the standard updates, we wanted to share, there was the time extension request that we had been working with our constituents and understand that there's a number of extensions related to the program as it relates to processing grants and any host of extensions related to grant agreements and submitting of other documentation to our office.

We have a live link on our website. So any district that's seeking an extension, you can go on that link on our website and you will get some feedback from our staff and an extension will be granted to you by means of
sending a notification to you within the five-day period. So again, this is a great tool for folks who have limited ability to enter their records and the ability to submit an extension request with our office. So as of reaching out today, we have 23 extension requests. So we're glad that tool's working and districts are submitting requests as they are needed.

We also wanted to highlight the career tech education filing round we had shared with the Board, our concern was the filing round was going to close on April 6th. So on April 3rd, we notified all the districts and the community about the extension of the career tech education filing round for this program. That extension has been granted till June 30th. So that's just great news for districts who have some challenges right now with submitting the funding application to our office.

So I also wanted to highlight as of today we actually have 188 electronically filed applications with our office. So again this is great news.

We also wanted to highlight that we have a priority funding filing round that was due on June -- started on May 13th and end on June 11th. We did notify districts of this change or an extension to that deadline for the priority funding filing round. So that extension has been granted to August 28th. So any unfunded approvals
that have been processed since January 1st all the way to
the August Board will have the ability to submit a
certification.

So the round does open on May 13th, but we will
have an active extension till August 28th. So districts
(indiscernible) submit the certification have an unfunded
approval and you have to submit that certification to our
office by that deadline.

And the last thing I wanted to share with the
Board is the funding apportionments. We wanted to share
there's a successful bond sale executed by the treasurer's
office in March and also in April. So that will cover all
the projects that submitted a certification. So we will be
active next month and submitting $785 million in
apportionments for the Board to take action.

So that's all the updates we have to share. Our
next meeting is May 27th.

ASSEMBLYMEMBER O'DONNELL: Thank you,
Ms. Silverman. Is there any public comment or Board member
comment. Please use the raise hand function itself. I
don't see any hands. So we're going to move forward.
We'll go back to our Executive Officer, Ms. Silverman.

MS. SILVERMAN: Yeah. So the Consent Agenda is
ready for your approval, but I just wanted to highlight to
the Board that we have a number of project approvals, so
about $63 million in project awards and also some rescissions coming back and an apportionment for a facility hardship project. So this is great news. 33 projects are part of this agenda. So that's ready for your approval. So can we get a vote.

ASSEMBLYMEMBER O'DONNELL: So we'll move to the Consent Agenda. So if there's any public comment, please use the raise hand function again. Is there a motion on the Consent Agenda?

ASSEMBLYMEMBER CUNNINGHAM: So moved.

ASSEMBLYMEMBER O'DONNELL: Please use the raise hand function. Do we have a motion?

SENATOR LEYVA: So move, Leyva.

ASSEMBLYMEMBER CUNNINGHAM: Cunningham, second.

ASSEMBLYMEMBER O'DONNELL: Moved by Senator Leyva. Mr. Cunningham seconded. Secretary, please call the roll.

MS. JONES: Senator Leyva.

SENATOR LEYVA: Aye.

MS. JONES: Senator Roth.

SENATOR ROTH: Aye.

MS. JONES: Assemblymember Cunningham.

ASSEMBLYMEMBER CUNNINGHAM: Aye.

MS. JONES: Assemblymember Burke.

ASSEMBLYMEMBER BURKE: Aye.
MS. JONES: Juan Mireles.
MR. MIRELES: Aye.
MS. JONES: Dan Kim.
UNIDENTIFIED SPEAKER: He gave you a thumbs up.
MS. JONES: Jeff Bell.
MR. BELL: Aye.
MS. JONES: Assemblymember O'Donnell.
ASSEMBLYMEMBER O'DONNELL: Aye.
MS. JONES: And that motion carries.
ASSEMBLYMEMBER O'DONNELL: I will then move back to our Executive Officer, Ms. Silverman.
MS. SILVERMAN: Yeah. So the last thing we have to report is just the information item. It's the three-month workload and the appeals log and with that, I'll open it up to any questions.
ASSEMBLYMEMBER O'DONNELL: I see no hands raised. So with that and seeing no public comment, this meeting's adjourned.
MS. JONES: Actually, Assemblymember O'Donnell, is it okay if I try Dan Kim one more time?
ASSEMBLYMEMBER O'DONNELL: Yes. I apologize for that. I meant to do that. Yes, please.
MS. JONES: Okay. Dan Kim, how do you vote on the Minutes and the Consent Calendar.
UNIDENTIFIED SPEAKER: (Indiscernible) He's given
a thumbs up. His microphone is not working.

MS. JONES: I didn't quite hear it.

UNIDENTIFIED SPEAKER: We're relating (indiscernible) that he's given a thumbs up.

UNIDENTIFIED SPEAKER: You know what, there's something in the chat (indiscernible).

ASSEMBLYMEMBER O'DONNELL: He's chatting. He's got a chat on there.

MS. JONES: Okay. I'm sorry, I can't --

ASSEMBLYMEMBER O'DONNELL: There he is.

MS. JONES: Oh, he abstains. Okay. All right.

ASSEMBLYMEMBER O'DONNELL: Did he vote on all matters?

MS. JONES: He abstained -- let's see. I abstain as I did not attend the last meeting.

ASSEMBLYMEMBER O'DONNELL: Okay. So there are no previous matters during this meeting that he did not vote on. We don't need to go back to him again, do we?

MS. JONES: No.

ASSEMBLYMEMBER O'DONNELL: Okay. With that, seeing no further questions, this meeting stands adjourned.

Thank you all.

MS. JONES: Thank you.

(Whereupon, at 4:13 p.m., the proceedings were adjourned.)
