ANNUAL ADJUSTMENT TO THE SCHOOL FACILITY PROGRAM GRANTS

As part of today's Agenda, we are presenting the annual adjustment to the SFP grants based on the statewide cost index for Class B construction. The adjusted recommended is an increase of 1.42 percent.

RECENT PRIORITY FUNDING FILING ROUND CLOSED

The current priority funding filing period began on November 11, 2020 and closed on December 10, 2020.

At the close of the filing period, OPSC received valid requests for 228 unique projects totaling to \$522.11 million in State funding. These requests are valid from January 1, 2021 through June 30, 2021.

19 projects did not submit requests during the filing period and thus received a first occurrence for non-participation in Priority Funding.

NEXT STATE ALLOCATION BOARD MEETING

The next meeting is scheduled for Wednesday, February 24, 2021 at 4:00 p.m. via Zoom.

State of California
State Allocation Board**SCHOOL FACILITY PROGRAM**

This Resolution of the State Allocation Board (hereafter referred to as the "Board") is applicable to the appropriate sections of the Education Code and is described and filed in the office of the Executive Officer and will be made available to all interested parties as the Resolution pertains to the documents attached hereto. Said documents were acted upon by the Board at its meeting on January 27, 2021.

WHEREAS, the Board has previously approved or determined to be approvable a number of projects for construction or modernization eligibility of facilities for school districts and is making apportionments and/or unfunded approvals for the grant amounts for projects that meet the Board's criteria for the apportionment of grants pursuant to Education Code Sections 17072.10, 17078.52, 17078.70, 17079 or 17074.10 or Board Regulations 1859.81.1 or 1859.83;

WHEREAS, Treasury Regulations Section 1.150-2 require the State (on whose behalf the Board is acting) to declare its reasonable intent to provide grant funding to school districts, in accordance with Board policy and law, for costs of the projects with proceeds of State bonds.

NOW THEREFORE, BE IT RESOLVED:

1. This Resolution is adopted by the Board for the purposes of establishing compliance with Treasury Regulations Section 1.150-2 and this Resolution does not bind the Board to make any additional apportionment or bind the State to incur any indebtedness.
2. The Board anticipates that some or all of the school districts listed on the list of "Projects" referred to in this Resolution will pay certain capital expenditures in connection with some or all of the project's cost prior to the issuance of bonds by the State to pay for the grants for the projects. The reimbursement of such costs is consistent with the State's budgetary and financial circumstances, and in accordance with Board policy, as no other funds or accounts of the State have been budgeted or are available to pay the costs of the projects on either a short-term or a long-term basis.
3. The Board, acting on behalf of the State, hereby declares that it is the State's official intent to use proceeds of general obligation bonds that may become available for such purpose, consistent with the requirements of law that are in effect at the time the funds are available, to provide grants, in accordance with applicable, laws and regulations.
4. This Resolution shall be continuously available for inspection by the general public during normal business hours at the offices of the Board at 707 Third Street, West Sacramento, California, commencing within one week after the date of enactment of this Resolution.
5. Any eligibility determination does not constitute a commitment of future funding by the Board.

CHARTER SCHOOL FACILITIES PROGRAM EXTENSION TO CONVERSION DEADLINE

PURPOSE OF REPORT

To present San Diego Unified School District's (Applicant) request for a one-year extension to the conversion deadline for its Charter School Facilities Program (CSFP) rehabilitation project.

DESCRIPTION

Applicants participating in the CSFP must convert a Preliminary Charter School Apportionment (PSCA) to an adjusted grant apportionment within a four-year period pursuant to School Facility Program (SFP) Regulation Section 1859.166. This item requests a one-year extension to the conversion deadline for the rehabilitation project at America's Finest Charter School, application number 54/68338-00-003, pursuant to SFP Regulation Section 1859.166.1.

AUTHORITY

See Attachment A.

BACKGROUND

The CSFP provides PCSAs (reservations of bond authority) for new construction and rehabilitation projects. The PCSA for a CSFP project must be converted within a four-year period to an adjusted grant apportionment meeting all the SFP Regulation requirements, unless a single one-year extension is granted by the State Allocation Board (Board).

Applicants may request the Board to approve a single one-year extension. The request will be approved when the Applicant meets the criteria in (a) or (b):

- a) The charter school has provided evidence of both of the following:
 - The California Department of Education (CDE) has made a contingent or final approval of the proposed site; and,
 - The Division of the State Architect (DSA) has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- b) Other evidence satisfactory to the Board justifying the extension.

STAFF ANALYSIS/COMMENTS

The Applicant's project is located on a district-owned site. Restrictions due to Covid-19 delayed the start of the project's design process. The Applicant is currently working on the project and plans to submit for final plan approval from the California Department of Education in May 2021 and to the Division of the State Architect in September 2021. The Applicant anticipates receiving all required approvals and submitting a conversion application in July 2022. The current conversion deadline for the project is January 24, 2022. If approved the new deadline will be January 24, 2023.

Staff has reviewed the Applicant's request (Attachment B) and determined that it provides satisfactory evidence to justify the extension. Staff supports the Applicant's request for a one-year extension to the conversion deadline.

RECOMMENDATION

Approve the Applicant's request for a one-year extension to the conversion deadline. Require that the PCSA for application number 54/68338-00-003 be converted to a final apportionment by January 24, 2023, or the PCSA will be rescinded and the bond authority returned to the CSFP.

ATTACHMENT A

AUTHORITY

School Facility Program (SFP) Section 1859.166. Time Limit on Preliminary Charter School Apportionment.

- (a) A complete request to convert a Preliminary Charter School Apportionment to a Final Charter School Apportionment pursuant to Section 1859.165 shall be made within four years of the date of the Preliminary Charter School Apportionment unless the Charter School received approval of an extension pursuant to Section 1859.166.1.
- (b) If (a) is not met, and the Charter School has not received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) the Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) the SFP New Construction Eligibility will be increased by the number of unhoused pupils pursuant to Section 1859.162.2 for the school district that physically contains the Charter School within its geographical boundaries.
- (c) If (a) is not met, and the Charter School has received an advance release of funds as provided in Section 1859.164.2, the following will occur:
 - (1) The Preliminary Charter School Apportionment shall be rescinded and any remaining Preliminary Charter School Apportionment, not released to the Charter School, shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (2) Funds released pursuant to Section 1859.164.2(a) shall be reduced to cost incurred and closed-out pursuant to Section 1859.106 with a corresponding SFP new construction baseline eligibility adjustment for the pupils assigned to the Preliminary Charter School Application. The adjustment to the baseline eligibility shall be based on the ratio of the number of unhoused pupils pursuant to Section 1859.162.2 and the project capacity which generated the project funding to the eligible expenditures. Any funds released are subject to the fifty percent local matching share requirement as required by EC 17078.54(d). Funds returned pursuant to Section 1859.106 shall be transferred to the Unrestricted Charter School Fund within the appropriate Charter School Facility Account, and;
 - (3) Funds released pursuant to Section 1859.164.2(b) shall be subject to the provisions of Section 1859.171.

SFP Section 1859.166.1. Preliminary Charter School Apportionment Time Limit Extension.

A Charter School that has received a Preliminary Charter School Apportionment may request a single one-year extension of the time limit prescribed in Section 1859.166(a). The Board shall approve the request provided the criteria in (a) or (b) are met:

- (a) The Charter School has provided evidence of both of the following:
 - (1) The CDE has made a contingent or final approval of the proposed site; and,
 - (2) The DSA has confirmed that the final plans for the project have been submitted to the DSA for review and approval.
- (b) Other evidence satisfactory to the Board justifying the extension.

To Whom It May Concern:

SDUSD is requesting a one-year extension to the deadline for submitting the funding application for America's Finest CSFP project (54/68338-00-003). Due to the Governor's stay-at-home order, new processes needed to be developed, and are still being developed, to continue production while working from home. Working remotely has created a loss of efficiency, affecting all areas of construction management as resources have either become limited or unavailable. Many staff were pulled from their construction-related assignments to address distance learning, including the distribution of laptops/portable devices to over 40,000 students. In addition to the Governor's order to stay at home, many District sites are off-limits due to sanitizing of the sites, inhibiting architects and contractors in the performance of their duties. We will try diligently to meet the current deadlines, but the extreme situation we have experienced during the majority of this year which is likely to continue into the foreseeable future, requires us to be realistic about our ability to meet timeframes established prior to the unforeseen pandemic.

Specific to the America's Finest project, we were tracking to meet the deadline for submitting a full funding application, January 24, 2022, but the Covid-19 shutdown didn't only impair the opportunity to visit the project site, but also significantly affected the project architect's performance. The architect had difficulty performing up to standards, meeting deadlines, and timely achieving SDUSD's expectations during the Covid-19 lockdown. Experiencing issues with staff availability and responsiveness during remote working, the architect's substandard performance required adjustments to the project timeline, placing the project in jeopardy of missing the deadline as established under the CSFP. SDUSD made the difficult decision to change architects, bringing on an experienced architect to take over the project and working with them to bring them up to speed on the master plan for the site as well as the current project so that we can move forward effectively and efficiently. We will aggressively pursue completion of the project in a timely manner, but we may struggle to meet the deadline and anticipate submitting to CDE by May 2021 and to DSA by September 2021. It is further anticipated that a conversion application will be submitted by July 2022 as provided by CSFP regulations and respectfully request a deadline extension from January 24, 2022 to January 24, 2023.

SCHOOL FACILITY PROGRAM
SUBSTANTIAL PROGRESS REDUCTION TO COSTS INCURRED

PURPOSE OF REPORT

To present School Facility Program (SFP) project apportionment to be reduced to eligible costs incurred.

DESCRIPTION

The SFP project listed on the Attachment is a Charter school that received a Design fund release. The Charter school has either requested to have their project reduced to costs incurred or has not met the substantial progress requirement or has indicated that they will be unable to move forward with the SFP project listed on the Attachment. The Charter school has requested that their apportionment be reduced to costs incurred to recognize eligible costs for the Design phase.

AUTHORITY

Pursuant to Education Code Section 17076.10(b), sufficient evidence of substantial progress for the design, site and adjusted grant apportionments shall be due 18 months from the date any funds were released to the district. The SFP Regulation Section 1859.105 requires that when an apportionment is reduced to project costs incurred or rescinded, all State funds not used to finance eligible expenditures are to be returned to the State Allocation Board (SAB). The SFP Regulations also stipulate that interest earned on State funds, which is not used to finance eligible expenditures, is due to the SAB.

RECOMMENDATIONS

1. Find that the Charter school is unable to meet the substantial progress requirements or indicated that they will be unable to move forward with the project listed on the Attachment.
2. Reduce the funded apportionment to costs incurred for the project listed on the Attachment.
3. Direct Staff to adjust the District baseline eligibility, according to the increases (identified in the "Pupils Returned to the District's Baseline" column) on the Attachment, once all funds due to the State have been received.

EXEMPTION FOR INDEPENDENT STUDY FACILITIES

PURPOSE OF REPORT

To present the Monterey County Office of Education (MCOE) request, as shown on the Attachment, for an exemption from the definition of “school buildings” for certain facilities used for independent study.

DESCRIPTION

The MCOE operates an independent study program at facilities that are not located at a regular school site and is requesting an exemption from the definition of "school building," as described in Education Code (EC) Section 17283, for the facility.

EC Section 17289 authorizes any school district or county office of education to request an exemption from the State Allocation Board (Board) for a building or structure or portion of a building or structure used for independent study from the definition of “school buildings.” These buildings do not have to meet the Field Act requirements but must comply with local health and safety standards.

The MCOE has certified that it has satisfied the legal requirements under EC Section 17289 for the exemption.

AUTHORITY

EC Section 17283 states: “ “School building” as used in this article means and includes any building used, or designed to be used, for elementary or secondary school purposes and constructed, reconstructed, altered, or added to, by the state or any city or city and county, or by any political subdivision or by any school district of any kind within the state, or by any regional occupational center or program created by or authorized to act by an agreement under joint exercise of power, or by the United States government, or any agency thereof.”

EC Section 17289 states “In order to provide alternative, community-based educational opportunities through independent study, any school district or county office of education may request an exemption from the State Allocation Board for a building or structure, or portion of a building or structure, from the definition of “school buildings” within the meaning of Section 17283. The exemptions may be granted for no longer than two years and exemptions are renewable. An exemption may only be granted if the school district or county office of education demonstrates to the satisfaction of the State Allocation Board all of the following:

- a) The building or structure, or portion of building or structure, satisfies all of the following:
 - i) It is not located on a regular school site.
 - ii) It complies with all applicable local building standards and all relevant local health and safety standards in the community in which it is located.
 - iii) It is used for independent study.

- iv) It serves fewer than 25 pupils enrolled in kindergarten or any of the grades 1 to 12, inclusive, at any one time in the building or structure, or in a portion of a building or structure where the remainder of the building or structure is not used for instructional purposes.
- b) The use of the building or structure is critical to providing an effective alternative, community-based program.
- c) The use of other buildings or structures that would meet seismic safety standards for school facilities are not practical.”

STAFF ANALYSIS/STATEMENTS

The MCOE has provided certification that it has met the criteria as stated in EC Section 17289. An exemption has been requested for two years.

RECOMMENDATION

Approve the MCOE’s request for an exemption from the definition of "school buildings" for the site listed on the Attachment from February 1, 2021 to January 1, 2023.

ANNUAL ADJUSTMENT TO SCHOOL FACILITY PROGRAM GRANTS

PURPOSE OF REPORT

To adopt the annual adjustment in the School Facility Program (SFP) grants based on the change in construction costs pursuant to the Education Code (EC) and SFP Regulations.

DESCRIPTION

This item presents the State Allocation Board (Board) with the annual adjustment to the SFP grants based on the statewide cost index for Class B construction. Each year the Board adjusts the SFP grants to reflect construction cost changes. In January 2016, the Board adopted the RS Means index for 2016 and future years. This item presents the 2021 annual adjustment to SFP grants based on the RS Means index.

AUTHORITY

See Attachment A.

STAFF ANALYSIS/STATEMENTS

At the January 2016 meeting, the Board adopted an increase to the SFP grants using the RS Means Construction Cost Index (CCI) as the statewide cost index for Class B construction.

The current rate of change between 2020 and 2021 for the RS Means Class B CCI is 1.42 percent. The chart below reflects the amounts previously adopted for 2020 compared to the potential amount for the new construction base grants.

Grade Level	Regulation Section	Current Adjusted Grant Per Pupil Effective 1-1-20	RS Means 1.42% Potential Grant Per Pupil Effective 1-1-21
Elementary	1859.71	\$12,451	\$12,628
Middle	1859.71	\$13,169	\$13,356
High	1859.71	\$16,756	\$16,994
Special Day Class – Severe	1859.71.1	\$34,987	\$35,484
Special Day Class – Non-Severe	1859.71.1	\$23,399	\$23,731

STAFF ANALYSIS/STATEMENTS (cont.)

The following chart shows the amounts previously adopted compared to the potential amount for the modernization base grants.

RS Means 1.42%			
Grade Level	Regulation Section	Current Adjusted Grant Per Pupil Effective 1-1-20	Potential Grant Per Pupil Effective 1-1-21
Elementary	1859.78	\$4,741	\$4,808
Middle	1859.78	\$5,014	\$5,085
High	1859.78	\$6,565	\$6,658
Special Day Class – Severe	1859.78.3	\$15,110	\$15,325
Special Day Class – Non-Severe	1859.78.3	\$10,109	\$10,253

In addition, the CCI adjustment would increase the threshold amount for Government Code Section 66452.6(a)(2) for the period of one year commencing March 1, 2021. The following chart shows the amount previously adopted for 2020 compared to the resulting threshold amount, upon approval of the proposed 2021 CCI adjustment:

RS Means 1.42%		
	Effective 3-1-2020	Potential 3-1-2021
Resulting Amount	\$313,489	\$317,941

RECOMMENDATION

Adopt the increase of 1.42 percent for the 2021 SFP grants based on the RS Means Construction Cost Index as shown in Attachment B.

AUTHORITY

For the New Construction grant, EC Section 17072.10(b) states, “The board annually shall adjust the per-unhoused- pupil apportionment to reflect construction cost changes, as set forth in the statewide cost index for class B construction as determined by the board.”

For Modernization funding, EC Section 17074.10(b) states, “The board shall annually adjust the factors set forth in subdivision (a) according to the adjustment for inflation set forth in the statewide cost index for class B construction, as determined by the board.”

Government Code Section 66452.6 states:

(a)(1) An approved or conditionally approved tentative map shall expire 24 months after its approval or conditional approval, or after any additional period of time as may be prescribed by local ordinance, not to exceed an additional 12 months. However, if the subdivider is required to expend two hundred thirty-six thousand seven hundred ninety dollars (\$236,790) or more to construct, improve, or finance the construction or improvement of public improvements outside the property boundaries of the tentative map, excluding improvements of public rights-of-way which abut the boundary of the property to be subdivided and which are reasonably related to the development of that property, each filing of a final map authorized by Section 66456.1 shall extend the expiration of the approved or conditionally approved tentative map by 36 months from the date of its expiration, as provided in this section, or the date of the previously filed final map, whichever is later. The extensions shall not extend the tentative map more than 10 years from its approval or conditional approval.

...

(2) Commencing January 1, 2012, and each calendar year thereafter, the amount of two hundred thirty-six thousand seven hundred ninety dollars (\$236,790) shall be annually increased by operation of law according to the adjustment for inflation set forth in the statewide cost index for class B construction, as determined by the State Allocation Board at its January meeting. The effective date of each annual adjustment shall be March 1. The adjusted amount shall apply to tentative and vesting tentative maps whose applications were received after the effective date of the adjustment.

SFP Regulation Section 1859.71 states,

The new construction per-unhoused-pupil grant amount, as provided by Education Code Section 17072.10(a), will be adjusted annually based on the change in the Class B Construction Cost Index as approved by the Board each January. The base Class B Construction Cost Index shall be 1.30 and the first adjustment shall be January, 1999.

The new construction per-unhoused-pupil grant amount, as provided by Education Code Section 17072.10(a), may be increased by an additional amount not to exceed six percent in a fiscal year, or decreased, based on the analysis of the current cost to build schools as reported on the Project Information Worksheet (Revised 05/10) which shall be submitted with the Forms SAB 50-05 and 50-06 and as approved by the Board.

ATTACHMENT A

SFP Regulation Section 1859.2 Definitions states,

“Class B Construction Cost Index” is a construction factor index for structures made of reinforced concrete or steel frames, concrete floors, and roofs, and accepted and used by the Board.

SFP Regulation Section 1859.78 states, “The modernization per-unhoused-pupil grant amount, as provided by Education Code Section 17074.10(a), will be adjusted annually based on the change in the Class B Construction Cost Index as approved by the Board each January.

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, January 27, 2021

PROPOSED AMENDMENTS TO THE CHARTER SCHOOL FACILITIES PROGRAM

PURPOSE

To present proposed regulatory amendments for changing the timeline for an application filing round that is the result of an election authorizing additional funding for the Charter School Facilities Program (CSFP).

DESCRIPTION

School Facility Program (SFP) Regulation Section 1859.161 stipulates that a CSFP application filing round that is the result of an election open 90 days after the election and remain open for 120 calendar days. The Board may also establish filing rounds as needed due to available bond authority not tied to an election.

This item seeks State Allocation Board (Board) approval to amend SFP Regulation Section 1859.161 to remove the 90 and 120-day timelines to open a round required that when a round is the result of an election. The regulation amendment requires that a round begin between 180 and 365 calendar days after the election, with no requirement on the length of time the round should remain open. The amendment will provide OPSC Staff time to implement any possible statutory changes that may result from future elections and streamline the application review process.

AUTHORITY

See Attachment A.

BACKGROUND

The CSFP has provided Charter School Preliminary Apportionments to applicants over six application filing rounds to date. Four rounds were the result of an election approving additional funding and two were the result of the Board establishing additional rounds due to available bond authority.

STAFF ANALYSIS/STATEMENTS

If a future bond provides funding for the CSFP, the bond may include program changes that would require the adoption and/or amendment of regulations. Adopting and/or amending regulations may take longer than 90 days to complete. Therefore, it is necessary to change the timing of the application filing period. To do so requires a regulation change. To provide a degree of certainty to applicants as to the timing of the opening of a filing round, Staff suggests that rounds that are the result of an election begin between 180 and 365 days after the election. Additionally, to prevent unnecessary delays in the application review process, Staff suggests removing the requirement that an application round remain open for 120 days.

CONCLUSION

Staff is presenting the proposed amendment to CSFP regulation, as shown in Attachment B, for approval. Approving the regulation will enable Staff to make possible future regulation changes that are the result of an election prior to the start of a new filing round and streamline the application review process.

RECOMMENDATIONS

1. Adopt the proposed amendment to program regulation, as shown in Attachment B.
2. Authorize the Executive Officer to file the proposed regulation with the Office of Administrative Law and make the regulations permanent.

LOCAL AUDITS UPDATE

PURPOSE OF REPORT

To inform the State Allocation Board (Board) of local audits certified by the State Controller's Office (SCO) in the 2020 calendar year.

DESCRIPTION

An audit of a local educational agency's expenditures by an independent auditor is required within one year of a project's fund release. All local audits are required to be submitted, reviewed and certified by the State Controller's Office (SCO). Once certified the copy of the local audit report will be forwarded to OPSC. Staff is informing the Board of how many audits have been certified by SCO for the 2020 calendar year; and disclose audit findings reported.

AUTHORITY

Education Code (EC) Section 41024 states in part:

(a)(1)(5) Any project identified on a local educational agency's detailed list of expenditures pursuant to paragraph (1) that is reported complete during the 2017-18 fiscal year shall be audited as part of that local educational agency's audit for the 2018-19 fiscal year. All other completed projects shall be audited as part of the local educational agency's audit for the fiscal year in which the project is reported complete.

(c)(3) The auditor conducting the audit pursuant to this section shall notify the department of any audit exceptions identified pursuant to this section and any amounts or adjustments identified pursuant to subparagraph (C) of paragraph (1) consistent with the notification requirements established in subdivision (l) of Section 41020.

The full text of EC Section 41024 is included in Attachment

BACKGROUND

Current statute requires, commencing April 1, 2017, a local educational agency that receives any funds pursuant to the Leroy F. Greene School Facilities Act of 1998 (Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1) shall annually report a detailed list of all expenditures of state funds, including interest, and of the local educational agency's matching funds for completed projects until all state funds, including interest, all of the local educational agency's matching funds, and savings achieved, including interest, pursuant to Section 17070.63, are expended in accordance with the requirements of the Leroy F. Greene School Facilities Act of 1998, associated regulations, and any accompanying grant agreement signed by a local educational agency.

BACKGROUND (cont.)

In addition, Education Code Section 41024 requires that all School Facility Program (SFP) projects funded after April 1, 2017 have an audit conducted by a certified public accountant. The audit shall be completed within one year of project completion. The completed audit reports are submitted to the SCO for review and certification. Staff analysis below summarizes information related to certified audit reports received for the 2020 calendar year and the dollar amount associated with any audit findings.

STAFF ANALYSIS

Ninety-one audit reports have been received by SCO in the 2020 calendar year, fifty-five reports have been certified (see Attachment B for listing of fifty-five reports certified in 2020) and thirty-three reports have been rejected. The CPA firms have been notified about the necessary revisions/corrections that must be made for the report to be certified. Audit reports were rejected by SCO since they did not meet the reporting standards contained in the Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, Appendix B (K-12 Audit Guide). Nine reports are currently in the audit review process. Five of the certified reports disclosed audit findings, with \$8,342 of ineligible costs to be returned to the State and no site grant adjustments necessary. Staff also included 14 reports certified in 2019 in Attachment B that preceded the certified reports in 2020 and they are listed in that order.

We believe the following factors have contributed to successful audit processes and audit reports which contained minimal audit findings:

- 1) The required grant agreement provides detailed and transparent guidance for the reporting of eligible expenditures, including appendices detailing specific types of eligible and ineligible expenditures.
- 2) OPSC staff participation in the K-12 Audit Guide development committee and collaboration with representatives from the SCO, California Department of Education, Education Audit Appeals Panel, and CPA firms in developing required audit procedures to be published in the K-12 Audit Guide
- 3) As subject matter experts, OPSC staff have provided continual technical assistance and answers to inquiries regarding the audits to CPAs, local educational agencies, and consultants through emails and phone calls throughout 2020.
- 4) Outreach and training provided by OPSC staff. There were initially five training sessions/workshops around the State, including one webcast, for CPAs, local educational agencies, and consultants regarding the audit instructions and procedures. There has been several follow up presentations that have included the California CPA Foundation, the Small School Districts Association (SSDA), and the Coalition for Adequate School Housing (CASH). These workshops have provided education, training, and forums to answer questions and provide guidance related to the audit process.

RECOMMENDATION

Acknowledge the report.

AUTHORITY

Education Code Section 41024 states:

(a) (1) Commencing April 1, 2017, a local educational agency that receives any funds pursuant to the Leroy F. Greene School Facilities Act of 1998 (Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1) shall annually report a detailed list of all expenditures of state funds, including interest, and of the local educational agency's matching funds for completed projects until all state funds, including interest, all of the local educational agency's matching funds, and savings achieved, including interest, pursuant to Section 17070.63, are expended in accordance with the requirements of the Leroy F. Greene School Facilities Act of 1998, associated regulations, and any accompanying grant agreement signed by a local educational agency. A local educational agency's detailed list of expenditures shall identify expenditures on a project-by-project basis, reflect completed projects that were reimbursed within that fiscal year, and shall clearly indicate the list of projects that have been completed.

(2) For purposes of this section, the determination that a project is complete shall be in accordance with the regulations adopted pursuant to the Leroy F. Greene School Facilities Act of 1998 (Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1).

(3) The total amount of interest earned on the state funds shall be reported on the final expenditure report upon completion of a project. For the purposes of determining the total amount of interest earned on the state funds, interest shall be considered to accrue from the time state funds are deposited in the local educational agency's account until the time the local educational agency submits the final expenditure report to the Office of Public School Construction.

(4) Commencing April 1, 2017, a local educational agency participating in the school facilities program shall ensure that it retains all financial accounts, documents, and records necessary for an audit of completed projects pursuant to Section 16026 of Title 5 of the California Code of Regulations. For purposes of this paragraph and in compliance with any applicable state and federal standards, a local educational agency may maintain records electronically.

(5) Any project identified on a local educational agency's detailed list of expenditures pursuant to paragraph (1) that is reported complete during the 2017–18 fiscal year shall be audited in accordance with the audit guide required by Section 14502.1 for the 2018–19 fiscal year. All other completed projects shall be audited in accordance with the audit guide required by Section 14502.1 for the fiscal year in which the project is reported complete.

(6) The audit described in this section shall be completed within one year of project completion as determined by Section 1859.104 of Title 2 of the California Code of Regulations.

(b) (1) Commencing with audits of the 2018–19 fiscal year, the Controller shall include instructions in the audit guide required by Section 14502.1 that include, but are not necessarily limited to, procedures for determining all of the following:

(A) Whether funds identified by a local educational agency on its detailed list of expenditures pursuant to paragraph (1) of subdivision (a) have been expended in accordance with the requirements of the Leroy F. Greene School Facilities Act of 1998 (Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1), associated regulations, and any accompanying grant agreement signed by a local educational agency. Any funds not expended in accordance with these requirements shall be disallowed and considered an audit finding.

(B) That savings achieved, including interest, pursuant to Section 17070.63, are used for other high priority capital outlay purposes identified by the local educational agency or returned to the Office of Public School Construction, and are used in accordance with the requirements of the

Leroy F. Greene School Facilities Act of 1998 (Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1), associated regulations, and as specified in any accompanying grant agreement.

(C) Adjustments to the grant amounts received by a local educational agency for site acquisition costs based upon the local educational agency's final approved expenditures as required pursuant to Sections 1859.105 and 1859.106 of Title 2 of the California Code of Regulations.

(D) If there are any unspent funds associated with the completion of a Charter School Facilities Program project that must be returned to the Office of Public School Construction as required pursuant to Section 1859.169.1 of Title 2 of the California Code of Regulations.

(E) If there are any unspent funds associated with the completion of a Career Technical Education Facilities Program project that must be returned to the Office of Public School Construction as required pursuant to Section 1859.199 of Title 2 of the California Code of Regulations.

(F) If there are any unspent funds associated with the completion of a project, where the local educational agency received hardship funding as described in Sections 1859.81, 1859.81.1, 1859.81.2, and 1859.81.3 of Title 2 of the California Code of Regulations, that must either be returned to the Office of Public School Construction or expended consistent with the requirements pursuant to Section 1859.103 of Title 2 of the California Code of Regulations.

(G) Adjustments to the grant amounts received by a local educational agency associated with the substantial progress requirements reflected in the program reporting requirements pursuant to Section 1859.104 of Title 2 of the California Code of Regulations.

(2) Any amounts or adjustments identified pursuant to subparagraphs (C) to (G), inclusive, of paragraph (1) shall be identified within a local educational agency's audit, but shall not be considered an audit finding for purposes of this section.

(c) (1) The auditor conducting the audit pursuant to this section shall file the audit with the Controller within 60 days of the completion of the audit. The Controller shall be allowed access to audit working papers. Adjustments pursuant to paragraph (2) of subdivision (b) shall not be appealable to the Education Audit Appeals Panel pursuant to this section.

(2) Within 60 days of the receipt of the certified audit, and after determining that the audit conforms with the reporting standards contained in the audit guide, the Controller shall do both of the following:

(A) Provide the department a copy of the certified audit.

(B) Notify the Office of Public School Construction of any audit findings pursuant to this section and any amounts or adjustments identified pursuant to clause (iii) and provide the Office of Public School Construction with a copy of the certified audit identifying the amounts to be adjusted if, as a result of the audit conducted in accordance with the requirements of subdivisions (a) and (b), the auditor determines any of the following:

(i) A local educational agency has unspent funds for the project not identified as savings pursuant to Section 17070.63 that shall be returned pursuant to subparagraphs (C) to (G), inclusive, of paragraph (1) of subdivision (b), and any accompanying grant agreement signed by a local educational agency.

(ii) A local educational agency is subject to an increase or decrease in funds provided pursuant to subparagraphs (C) to (G), inclusive, of paragraph (1) of subdivision (b), and any accompanying grant agreement signed by a local educational agency.

(iii) A local educational agency did not expend funds in accordance with the Leroy F. Greene School Facilities Act of 1998 (Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1) and any accompanying grant agreement signed by a local educational agency.

(3) Upon receipt of the certified audit, the Office of Public School Construction shall present any grant adjustments required pursuant to clauses (i) and (ii) of subparagraph (B) of paragraph (2)

for a specified project to the State Allocation Board for an adjustment to the project apportionment. Funds identified for purposes of clauses (i) and (ii) of subparagraph (B) of paragraph (2) shall be apportioned from, or returned to, the appropriate funds, as established in the State Treasury pursuant to Section 17070.40 or 17070.41, as applicable. If a school district is required to return unspent funds, the fund source for returned funds shall be the county school facilities fund established pursuant to subdivision (a) of Section 17070.43.

(4) A local educational agency may appeal the audit finding pursuant to the timelines and process established in subdivision (d) of Section 41344. The procedures set out in subdivision (d) of Section 41344.1 do not apply to the audit required by this section.

(5) The Office of Public School Construction shall ensure that the local educational agency has corrected the audit finding by implementing a required penalty payment of funds equal to the amount of funds disallowed in the audit finding pursuant to the process specified in subdivision (d).

(d)(1) If, as the result of the audit, a local educational agency is required to pay funds pursuant to clause (iii) of subparagraph (B) of paragraph (2) of subdivision (c), the Office of Public School Construction shall recover the funds from the local educational agency.

(2) If the local educational agency has submitted an appeal to the Education Audit Appeals Panel pursuant to subdivision (d) of Section 41344, the Office of Public School Construction shall not recover funds until following the determination of the appeal.

(3) A local educational agency may use any local fund source to pay the disallowed amount pursuant to clause (iii) of subparagraph (B) of paragraph (2) of subdivision (c) so long as there is no legal prohibition regarding the use of those funds for this purpose.

(4) A local educational agency may request from the Office of Public School Construction a repayment plan within 90 days of receiving the final audit report, or within 30 days of withdrawing or receiving a final determination regarding an appeal pursuant to subdivision (d) of Section 41344 and subdivision (b) of Section 41344.1, as applicable. The Office of Public School Construction and the Director of Finance, or their designees, jointly shall establish a plan for payment. The payment plan shall be established in accordance with the following:

(A) If the executive officer of the Office of Public School Construction and the Director of Finance, in consultation with the department, concur that repayment of the disallowed amount in the current fiscal year would constitute a severe financial hardship for the local educational agency, they may jointly approve a plan of equal annual payments over a period of up to eight years. The plan may include interest on each year's outstanding balance at the rate earned on the state's Pooled Money Investment Account during that year. The executive officer of the Office of Public School Construction and the Director of Finance jointly shall establish this plan. At the time the local educational agency is notified, the Controller also shall be notified of the plan by the executive officer of the Office of Public School Construction. The Controller shall withhold the annual amount established pursuant to the plan from the local educational agency's principal apportionment or Education Protection Account payments.

(B) Notwithstanding subparagraph (A), if the executive officer of the Office of Public School Construction and the Director of Finance, in consultation with the department, concur that repayment of the disallowed amount over an eight-year period would require the local educational agency to request an emergency apportionment pursuant to Article 2 (commencing with Section 41320) of, and Article 2.5 (commencing with Section 41325) of, Chapter 3, they may approve a plan of equal annual payments over a period of up to 20 years. The plan shall include interest on each year's outstanding balance at the rate earned on the state's Pooled Money Investment Account during that year. The Controller shall withhold the annual amount established pursuant to the plan from the local educational agency's principal apportionment or Education Protection Account payments.

(C) If a payment plan submitted pursuant to this section is not approved by the executive officer of the Office of Public School Construction and the Director of Finance, in consultation with the department, or is not requested by the local educational agency, the executive officer of the Office of Public School Construction shall invoice the local educational agency for the entire disallowed amount. If the local educational agency does not remit payment for the invoice within 120 days of issuance, the executive officer of the Office of Public School Construction shall request that the Controller withhold the entire disallowed amount from the local educational agency's principal apportionment or Education Protection Account payments.

(D) (i) Funds recovered by the executive officer of the Office of Public School Construction or withheld by the Controller pursuant to this section shall be deposited into the appropriate state school facilities fund, as established in the State Treasury pursuant to Section 17070.40 or 17070.41, as applicable.

(ii) Funds remitted to the Office of Public School Construction by a local educational agency from local fund sources, as authorized by paragraph (3), shall be deposited into the appropriate state school facilities fund, as established in the State Treasury pursuant to Section 17070.40 or 17070.41, as applicable.

(e) As used in this section, "audit or review" and "local educational agency" shall have the same meaning as the terms are defined in paragraphs (1) and (2) of subdivision (e) of Section 41344.

(f) The State Allocation Board shall not waive all or any part of this section, any grant agreement or provisions of a grant agreement signed by a local educational agency that receives any funds pursuant to the Leroy F. Greene School Facilities Act of 1998 (Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1), or any regulation adopted that implements a provision of this section.

(g) In any appeal filed pursuant to Section 41344 and this section, the Office of Public School Construction, the Department of Finance, and the department may timely move to intervene as a party.

(h) If the Office of Public School Construction chooses not to intervene in an appeal, the administrative law judge conducting the hearing, or the Education Audit Appeals Panel, may request that the Office of Public School Construction issue and file in the appeal an objective interpretation of any applicable law, regulation, or term of the grant agreement within 30 days of the request or such longer period as the administrative law judge or the Education Audit Appeals Panel deems reasonable. The Office of Public School Construction's filing shall not argue or seek to resolve issues of fact, but may state how a particular law, regulation, or grant agreement term applies to competing factual contentions. The agent of the Office of Public School Construction shall be precluded from acting as a party once a request pursuant to this subdivision is made.

(i) Notwithstanding subdivision (a), this section shall not apply to any school facilities project that was apportioned before July 1, 2017.

DENIED EXTENSION REQUESTS

Anaheim Union High School District	The District did not hire a cost estimator until after receiving the 15-day letter request from OPSC. A detail cost estimate is part of a complete application acceptance.
Alpaugh Unified School District	The District requested a time extension to submit the final Expenditure Report to OPSC. The delay is due to staff turnover and not COVID-19 related; OPSC worked with District through the regular time extension request process.
Glenn County Office of Education	District applied for funding in the 6th round of CTE. The architect's cost estimate included lump sums. The 15-Day letter sent July 3, 2020 requested it to be broken out. The extension request to November 2nd is well after the anticipated September 2020. funding round.
Greenfield Union Elementary School District	Change of scope requested for a Full-Day Kindergarten project. A 2-year extension was requested. Request was denied because it was the subject of an appeal that OPSC cannot administratively approve.
Hilmar Unified School District	The project was delayed due to the District and its advisory committee to change the of scope of the project as a result of additional local funds being available. The project was approved by the State Allocation Board in May 2019, well before the start of the COVID-19 pandemic.

Hollister Elementary School District	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.
Island Union Elementary School District	This project was apportioned in October 2018 for Advanced Design. District had one year to obtain DSA approval of plans. At the time of the extension request, the District still had three months to obtain DSA approval.
Lagunita Elementary School District	The project was funded in November 2018 and requested a Substantial Progress extension. The request was denied because the reason for the delay is a local funding/priorities issue. The District can also already request a Substantial Progress deadline extension under "other evidence" if needed.
Moreno Valley Unified School District	The District requested a time extension to decide how to respond to OPSC's 4-Day Letter for a CTE project. The District needed to determine how to address the need for an increase in the grant request after the application was scored by CDE. OPSC does not allow for cost increases beyond those already reviewed by CDE.
San Bernardino City Unified School District	The District is only one year into project construction. The District requested a 5th year to complete project (3 years in advance of deadline). Denied at this time; the request is premature.
Santa Ana Unified School District	Project was approved in May 2019. The District did not participate in the Priority Funding (PF) Process in Fall 2019 and incurred one non-participation occurrence. The District participated in the PF process in Fall PF 2019 and was apportioned at the May 2020 SAB. Plans should have been well underway for design prior to COVID-19 pandemic. At the time of the request, the District still had 11 months to design and obtain approval from DSA.

Section 1859.81. Financial Hardship.

Except for Joint-Use Projects and Career Technical Education Facilities Projects, a district is eligible for financial hardship to fund all or a portion of its matching share requirement after demonstrating the requirements of (a), (c), and (d) below:

(a) The district is financially unable to provide all necessary matching funds for an eligible project. To determine this, an analysis shall be made of the district's financial records by the OPSC including data and records maintained by the CDE and the County Office of Education. The analysis shall consist of a review of the district's latest Independent Audit regarding funds available from all capital facility accounts, including, but not limited to, developer fees, funds generated from capital facility certificates of participation, federal grants, redevelopment funds, sale proceeds from surplus property, the appraised value of facilities approved for replacement pursuant to Section 1859.82, bond funds either encumbered, unencumbered or authorized but unsold, and savings from other SFP projects. All funds thus identified that have not been expended or encumbered by a contractual agreement for a specific capital outlay purpose prior to the initial request for financial hardship status shall be deemed available as a matching contribution.

After the initial request for financial hardship status is granted, no further encumbrances will be approved by the OPSC and all prospective revenue made available to the district's capital facility accounts shall be deemed available as matching contribution on the subsequent financial hardship review, with the exception of:

- (1) Approved interim housing expenditures.
- (2) Funding to pay for previously recognized multi-year encumbrances approved at the initial financial hardship approval.
- (3) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Federal Renovation Program when the amount expended out of that fund does not exceed the maximum Federal Renovation Grant amount.
- (4) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the School Facilities Needs Assessment Grant Program or Emergency Repair Program when the amount expended out of that fund does not exceed the maximum grant amount apportioned.
- (5) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Career Technical Education Facilities Program when the amount expended out of that fund does not exceed the applicant's share of the maximum grant amount apportioned.
- (6) Funding that is transferred into a Special Reserve Fund and used for the express purpose of the Overcrowding Relief Grant when the amount expended out of that fund does not exceed the amount of the site acquisition and design costs of the project and the district has submitted an approved Form SAB 50-11.
- (7) Funding that is used for the express purpose of reimbursing the State a proportionate share of financial hardship received when there has been a transfer of a special education program and title to the facility. In addition, the funding was used within five years of the title transfer.
- (8) Funding to pay for obtaining a structural report pursuant to Section 1859.82.2 for an approvable and funded seismic mitigation project.
- (9) All other capital facility funding for a period of three years when no subsequent financial hardship request is made during this period, with the exception of the funding identified in (6). The three-year period begins with the date of the most recent financial hardship new construction or modernization adjusted grant funding apportionment.

When Overcrowding Relief Grant funding is set aside pursuant to (6) and the School District has not submitted, or the OPSC has not accepted, a Form SAB 50-04 for an Overcrowding Relief Grant within three years from the date of deposit into the Special Reserve Fund, or the School District has not met the requirements in Sections 1859.90 or 1859.105, remaining funds plus interest accrued at the Pooled Money Investment Board rate at that time period shall be deemed available as matching contribution on a subsequent financial hardship project or be captured through an audit adjustment pursuant to Section 1859.106.

The financial hardship analysis is subject to approval by the Board.

(b) From the funds deemed available as a matching contribution, the district may retain \$19,776 per classroom in each enrollment reporting period for the cost to provide interim housing for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing for the currently unhoused pupils shall be the sum of the positive numbers determined in (b)(7) as follows:

(1) Determine the current enrollment of the district by grade level as shown on the latest Form SAB 50-01.

(2) Determine the New Construction Grants apportioned by grade level for all SFP projects and LPP funded under the provisions of Sections 1859.12 or 1859.13 where the district has submitted Form SAB 50-06 indicating that the project is 100 percent complete.

(3) Subtract (b)(2) from (b)(1).

(4) Determine the number of classrooms by grade level reported in Part 1, Line 8 on Form SAB 50-02.

(5) Multiply the classrooms determined in (b)(4) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe.

(6) Subtract the product determined in (b)(5) from the difference determined in (b)(3) by grade level.

(7) Divide the difference by grade level determined in (b)(6) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per portable toilet unit in each reporting period for the cost to provide necessary interim toilet facilities for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of toilet facilities needed for interim housing shall be the sum of the positive numbers determined in (b)(7) divided by eight rounded up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per classroom in each reporting period for the cost to provide necessary interim housing for the currently unhoused pupils displaced as a result of a SAB approved seismic mitigation project pursuant to Section 1859.82.2. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing shall be the quotient of the displaced pupils by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

If the district's available funds, as determined by the OPSC analysis less costs for interim housing, is less than its matching share, the district will be deemed to have met the requirements of this Subsection.

(c) The district has made all reasonable efforts to fund its matching share of the project by demonstrating it is levying the developer fee justified under law or an alternative revenue source equal to or greater than the developer fee otherwise justified under law at the time of request for hardship and the district meets at least one of the following:

(1) The current outstanding bonded indebtedness of the district issued for the purpose of constructing school facilities in accordance with Education Code Section 17072.35 or 17074.25 as appropriate, at the time of request for financial hardship status, is at least 60 percent of the district's total bonding capacity. Outstanding bonded indebtedness includes that part of general obligation bonds, Mello-Roos Bonds, School Facility Improvement District Bonds and certificates of participation which the district is paying a debt service that was issued for capital outlay school facility purposes.

(2) The district had a successful registered voter bond election for at least the maximum amount allowed under Proposition 39 within the previous two years from the date of request for financial hardship status. The proceeds from the bond election that represent the maximum amount allowed under the provisions of Proposition 39 must be used to fund the district's matching share requirement for SFP project(s).

(3) It is a County Superintendent of Schools.

(4) The district's total bonding capacity at the time of the request for financial hardship status is \$5 million or less.

(5) Other evidence of reasonable effort as approved by the SAB.

If the district's request for financial hardship status is denied by the Board, the district may be deemed eligible for rental payments of \$2,000 per year per classroom under the Emergency School Classroom Law of 1979 for a two year period when relocatable classroom buildings are available and the district provides financial documentation that it is unable to afford the full rental amount and any other information satisfactory to the Board that the rental reduction is necessary. The number of classrooms eligible for the \$2,000 rental payments shall be the sum of the numbers determined in (c)(5)(B) as follows:

(A) Determine the number of pupils by grade level that the district requested a New Construction Grant on the Form SAB 50-04 that were denied financial hardship status.

(B) Divide the number by grade level determined in (c)(5)(A) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

(d) The district has not signed a contract for acquisition or construction of classrooms that replace existing facility(ies), which were included in the determination of the district's new construction eligibility pursuant to Education Code Section 17071.75, in a locally funded project during the five-year period immediately preceding the district's application for financial hardship assistance. This restriction may be lifted if the Board finds that unforeseen and extenuating circumstances existed that required the district to use local funds to replace the facility(ies).

(e) If the district meets the financial hardship requirements in this Section, the amount of financial hardship is equal to the district's matching share less funds deemed available in (a).

(1) Once a district has been notified by OPSC that it meets the requirements of financial hardship in this Section, the district may file Form SAB 50-04 under the

provisions of financial hardship anytime within a period of 180 calendar days from the date of the OPSC notification.

(2) If the district does not submit Form SAB 50-04 under the provisions of financial hardship within 180 calendar days of the OPSC notification of approval of financial hardship status, the district must re-qualify for financial hardship status under the provisions of this Section by submittal of a new request for financial hardship status.

(3) If the project(s) has been included on an unfunded list for more than 180 calendar days, a review of the district's funds pursuant to (a) will be made to determine if additional district funds are available to fund the district's matching share of the project(s).

Financial hardship approval status by the OPSC for a separate design and/or site apportionment does not apply to any subsequent funding for the project(s).

(f) If the district submits Form SAB 50-04 within 180 calendar days of the OPSC notification of approval of financial hardship and the project(s) has been included on the "Unfunded List (Lack of AB 55 Loans)" for more than 180 calendar days as a result of the State of California's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans), the Board may suspend the unfunded review requirement as defined in Regulation Section 1859.81(e). Projects added to any other unfunded list shall be subject to the review detailed in Regulation Section 1859.81(e). Regulation Section 1859.81(f) shall become inoperative July 1, 2011.

(g) A project added to an unfunded list on or after July 1, 2011 will be subject to the review detailed in section (e)(3). For projects added to an unfunded list between February 25, 2009 and June 30, 2011, only the district's financial records on or after July 1, 2011 will be considered in calculating any adjustment to the district's matching share.

(h) On or after September 22, 2017, a district may submit a request for funding in advance of obtaining a determination of Financial Hardship.

(1) To be considered for Financial Hardship, the district must check the box on the Form SAB 50-04 requesting Financial Hardship pursuant to this subsection when submitting a request for funding.

(2) Prior to processing an application OPSC will notify the district in writing to submit the necessary documentation for a Financial Hardship analysis pursuant to (a), (b), (c) and (d). OPSC will not accept any documents for a Financial Hardship analysis in advance of the notification. Failure to submit the requested documentation within 60 calendar days of OPSC's notification will result in either a. or b.:

a. District may amend their Form SAB 50-04 to exclude the request for Financial Hardship determination.

b. OPSC will return the request for funding and related materials to the district.

(3) Upon notification of Financial Hardship approval, any Form SAB 50-04 processed within 180 calendar days of the approval date will be included in the approval.

(4) For any Form SAB 50-04 processed more than 180 calendar days after the date of the Financial Hardship approval the district shall re-qualify for Financial Hardship status.
