State Allocation Board

March 24, 2021

Upon notice duly given, the meeting of the State Allocation Board (SAB) was held at the Department of General Services, Ziggurat Building, located at 707 3rd Street, 6th Floor, Room 6-300, in West Sacramento, California on March 24, 2021 at 4:00 p.m.

Ms. Gayle Miller, the SAB Chair, announced that pursuant to Governor Newsom's Executive Order N-25-20, issued March 12, 2020, this meeting would be conducted by way of teleconference/Zoom meeting. The meeting was physically webcast from Room 6-300 in the Ziggurat Building in West Sacramento for anyone that would have liked to provide public comment in person.

Members of the SAB were present in order to establish a quorum for the meeting as follows:

- Gayle Miller, Chief Deputy Director, Policy, Department of Finance, designated representative for Keely Bosler, Director, Department of Finance
- Jennifer Osborn, Acting Director, Department of General Services
- Juan Mireles, Director, School Facilities and Transportation Services Division, California Department of Education, designated representative for Tony Thurmond, Superintendent of Public Instruction
- Jeremy Smith, Governor's appointee
- Senator Connie Leyva
- Assembly Member Patrick O'Donnell
- Assembly Member Jordan Cunningham
- Assembly Member Autumn Burke

Members of the SAB absent were as follows:

- Senator Scott Wilk
- Senator Richard Roth

Representative of the SAB was as follows:

- Lisa Silverman, Executive Officer

Representatives of the Department of General Services, Office of Public School Construction (OPSC), were as follows:

- Lisa Silverman, Executive Officer
- Barbara Kampmeiner, Deputy Executive Officer

Representative of the Department of General Services, Office of Legal Services, was as follows:

- Tom Patton, SAB/OPSC Counsel

With a quorum present, Ms. Miller, Chair, called the meeting to order at 4:02 p.m.

EXECUTIVE OFFICER'S STATEMENT

The Executive Officer informed the SAB of the following:

Future Priority Funding Round 20 Apportionments

Cash proceeds in the amount of approximately \$500 million became available from the General Obligation Bond Sale that took place in the month of March. OPSC will present Priority Funding Apportionments to the SAB at its April 28, 2021 meeting.

Virtual School Facility Program Training Series

Since the update provided at the February 2021 SAB meeting, OPSC held four more free virtual training workshops in the month of March 2021. The first workshop held March 6, 2021 covered the Facility Hardship/Seismic Mitigation Programs. The workshop provided an overview of the two programs, navigating the program requirements and how to submit a funding request for eligible health and safety projects.

The second workshop held March 19, 2021 provided an overview of the OPSC Online system. The workshop covered the OPSC Online paperless application system and how to utilize the various tools available to manage application submittals.

The third workshop held March 26, 2021 covered the submittal of eligibility applications through OPSC Online. The workshop provided information on how to create, review, and submit eligibility establishments/adjustments, as well as how to review the eligibility history of a school district or individual sites.

The fourth workshop held March 30, 2021 covered the submittal of funding applications through OPSC Online. The workshop provided information on how to create, review, and submit funding applications and covered the required documents to submit a successful funding application.

EXECUTIVE OFFICER’S STATEMENT (cont.)

Virtual School Facility Program Training Series (cont.)

The Executive Officer announced that for the month of April, OPSC has scheduled three workshops as shown below:

- Converting Your Charter School Facilities Program Preliminary Apportionment = Tuesday, April 6th from 1:00 p.m. to 2:30 p.m.
- Priority Funding Process = Tuesday, April 13th from 10:00 a.m. to 11:30 a.m.
- Career Technical Education Facilities Program Reservation of Funds = Thursday, April 15th from 10:00 a.m. to 11:30 a.m.

Interested parties are highly encouraged to register for all workshops. Registration links are available on our Virtual Training Series webpage. Dates and times for more free training sessions will be announced as they become available on the Virtual Training Series webpage under Resources at <https://tinyurl.com/y64lgpks> and through OPSC email blasts. All online trainings will be archived to OPSC’s YouTube channel for future access.

The Chair thanked OPSC staff for presenting the informative virtual training series on the various topics within the School Facility Program.

Next SAB Meeting

The SAB and stakeholders were reminded that the next SAB meeting scheduled would be Wednesday, April 28, 2021 at 4:00 p.m. via Zoom.

EXECUTIVE OFFICER STATEMENT
State Allocation Board Meeting, April 28, 2021

20TH PRIORITY FUNDING APPORTIONMENTS

The Action Items portion of this agenda includes \$519.4 million in priority funding apportionments for 229 projects, representing 114 school districts and qualifying applicants. Of these projects, applicants that are required to submit a *Fund Release Authorization* (Form SAB 50-05) from an Authorized District Representative must do so by the end of the day on July 27, 2021 to the Office of Public School Construction (OPSC).

VIRTUAL SCHOOL FACILITY PROGRAM (SFP) TRAINING SERIES

Since the March 24, 2021 board meeting, OPSC has held five more free virtual training workshops.

The first workshop on March 26, 2021 covered the submittal of eligibility applications in OPSC Online. The session guided attendees on how to create, review, and submit eligibility establishments/updates as well as on how to review the eligibility history of a school district or individual school site.

The second workshop on March 30, 2021 showed how users can submit a funding application through OPSC Online. The session guided attendees on how to create, review, and submit a funding application, 15 and 4-day letter responses, and how to upload documents and track an application's progress.

The third workshop on April 6, 2021 covered the Charter School Facilities Program's preliminary apportionments. The session provided guidance on how to request funding and create a complete conversion application for full funding.

The fourth workshop on April 13, 2021 covered in detail the Priority Funding (PF) process. The session gave a general overview of the PF process, what a PF request entails, which projects are eligible to participate in the PF filing rounds, the timelines, and how to submit PF request through OPSC Online.

The fifth workshop on April 15, 2021 covered the Reservation of Funds process for the Career Technical Education Facilities Program. The session explained what a Reservation of Funds is, required timeline to obtain State agency approvals, when is the fund release request due, and how these timelines interact with the PF process.

We offered over 10 Virtual Training workshops and had over 505 external participants in these events! There will be additional announcements that we will share in the upcoming months and will continue to encourage Interested parties to register for all future workshops.

Dates and times for more free training sessions will be announced as they become available on the Virtual Training Series webpage under Resources at <https://tinyurl.com/y64lqpk5> and through OPSC email blasts. Interested parties who wish to receive training information notifications are encouraged to sign up on the email list link available on the webpage.

All online trainings are archived to OPSC's YouTube channel for future access.

NEXT STATE ALLOCATION BOARD MEETING

The next meeting is scheduled for Wednesday, May 26, 2021 at 4:00 p.m. via Zoom.

State of California
State Allocation Board
School Facility Program

This Resolution of the State Allocation Board (hereafter referred to as the "Board") is applicable to the appropriate sections of the Education Code and is described and filed in the office of the Executive Officer and will be made available to all interested parties as the Resolution pertains to the documents attached hereto. Said documents were acted upon by the Board at its meeting on April 28, 2021.

WHEREAS, the Board has previously approved or determined to be approvable a number of projects for construction or modernization eligibility of facilities for school districts and is making apportionments and/or unfunded approvals for the grant amounts for projects that meet the Board's criteria for the apportionment of grants pursuant to Education Code Sections 17072.10, 17078.52, 17078.70, 17079 or 17074.10 or Board Regulations 1859.81.1 or 1859.83;

WHEREAS, Treasury Regulations Section 1.150-2 require the State (on whose behalf the Board is acting) to declare its reasonable intent to provide grant funding to school districts, in accordance with Board policy and law, for costs of the projects with proceeds of State bonds;

NOW THEREFORE, BE IT RESOLVED:

1. This Resolution is adopted by the Board for the purposes of establishing compliance with Treasury Regulations Section 1.150-2, and this Resolution does not bind the Board to make any additional apportionment, or bind the State to incur any indebtedness.
2. The Board anticipates that some or all of the school districts listed on the list of "Projects" referred to in this Resolution will pay certain capital expenditures in connection with some or all of the project costs prior to the issuance of bonds by the State to pay for the grants for the projects. The reimbursement of such costs is consistent with the State's budgetary and financial circumstances, and in accordance with Board policy, as no other funds or accounts of the State have been budgeted or are available to pay the costs of the projects on either a short-term or a long-term basis.
3. The Board, acting on behalf of the State, hereby declares that it is the State's official intent to use proceeds of general obligation bonds that may become available for such purpose, consistent with the requirements of law that are in effect at the time the funds are available, to provide grants in accordance with applicable laws and regulations.
4. This Resolution shall be continuously available for inspection by the general public during normal business hours at the offices of the Board at 707 3rd Street, West Sacramento, California, commencing within one week after the date of enactment of this Resolution.
5. Any eligibility determination does not constitute a commitment of future funding by the Board.

I, the undersigned, duly authorized as the Executive Officer of the State Allocation Board, do hereby certify the foregoing to be true and correct, and that this Resolution was adopted at a meeting of said Board on April 28, 2021 at West Sacramento, California.

Lisa Silverman
Executive Officer
State Allocation Board

SCHOOL FACILITY PROGRAM

PURPOSE OF REPORT

To present the Districts' requests for School Facility Program (SFP) eligibility approval.

DESCRIPTION

The school districts shown in the following sections have complied with State Allocation Board (Board) regulations regarding new construction or modernization eligibility determinations for the projects listed.

RECOMMENDATIONS

1. Approve the eligibility determinations for the districts/projects shown on the Attachment.
2. Provide that this approval of eligibility determination for the districts/projects listed does not constitute a commitment for future funding by the Board.
3. For purposes of any application for funding, provide that the district must comply with all requirements of law and regulations pertaining to the SFP.

SCHOOL FACILITY PROGRAM

PURPOSE OF REPORT

To adjust the baseline eligibility for new construction and modernization projects under the Leroy F. Greene School Facilities Act of 1998.

DESCRIPTION

The districts listed on Attachment A have received eligibility approval for new construction. There has been a change in their baseline in accordance with the California Code of Regulations relating to the Leroy F. Greene School Facilities Act of 1998, Section 1859.51.

The districts listed on Attachment B have received eligibility approval for modernization. There has been a change in their baseline in accordance with the California Code of Regulations relating to the Leroy F. Greene School Facilities Act of 1998, Section 1859.61.

RECOMMENDATIONS

1. Approve an adjustment to the new construction eligibility baseline determination as shown on Attachment A.
2. Approve an adjustment to the modernization eligibility baseline determination as shown on Attachment B.
3. Provide that this approval of adjusted eligibility determination does not constitute a commitment for future funding by the State Allocation Board.

KEY TO ADJUSTMENTS

NEW CONSTRUCTION ONLY

- (a) Reduced by the number of pupils provided grants in a new construction School Facility Program (SFP) project and by the number of pupils that received a Preliminary Apportionment pursuant to Section 1859.140 or a Preliminary Charter School Apportionment pursuant to Regulation Section 1859.162.2.
- (b) Reduced by the number of pupils housed, based on the loading standards pursuant to Ed. Code Section 17071.25(a)(2)(A), in a new construction LPP project funded under the provisions of the LPP pursuant to Regulation Section 1859.12 or 1859.13.
- (c) Reduced by the number of pupils housed in additional classrooms constructed or purchased based on the loading standards, pursuant to Ed. Code Section 17071.25(a)(2)(A), in a modernization SFP project.
- (d) Adjusted as a result of audit findings made pursuant to Regulation Sections 1859.90 and 1859.105.
- (e) Increased/decreased by changes in projected enrollment in subsequent enrollment reporting years, except as provided in (j) below.
- (f) Adjusted as a result of errors or omissions by the district or by the Office of Public School Construction (OPSC).
- (g) Adjusted as result of amendments to the SFP Regulations that affect the eligibility.
- (h) Increased by the number of pupils eligible for grants pursuant to Regulation Section 1859.82(a).
- (i) Reduced by the number of pupils housed in classrooms provided after the baseline eligibility was determined by the State Allocation Board, with 12 exceptions at Regulation Section 1859.51(i).
- (j) For Small School Districts, following a 3-year period after the district's eligibility was approved by the Board, decreased by any reduction in projected enrollment, and by any increase in pupils in the latest CDE operational grant report per Ed. Code Sec. 42268.
- (k) Adjusted for any changes in classroom inventory as a result of a reorganization election.
- (l) For classroom loading standards adopted by the Board for non-severely and severely disabled individuals with exceptional needs.
- (m) As directed by the SAB due to finding a Material Inaccuracy pursuant to Section 1859.104.1.
- (n) Increased by the number of pupils that received a Preliminary Apportionment that was rescinded pursuant to Section 1859.148 or a Preliminary Charter School Apportionment that was rescinded pursuant to Section 1859.166.
- (o) Adjusted for operational grant changes as determined/provided by the California Department of Education.
- (p) For High School Attendance Area (HSAA) districts with Preliminary Apportionments within the 2002 or 2004 Critically Overcrowded School Facilities Account, adjusted in accordance with Regulation Section 1859.51(p)(1), (2), or (3).
- (q) Adjusted by the difference between the Alternative Enrollment Projection for the current enrollment reporting year and the projected enrollment determined pursuant to Section 1859.42 for the current enrollment reporting year, or by the eligibility remaining from this calculation that can no longer be utilized if the funds made available pursuant to EC Section 17071.75(a)(1)(A) have been exhausted.
- (r) Adjusted per Ed. Code Sec. 17071.75(b)(2) by the number of pupils housed, based on the loading standards per Ed. Code Sec. 17071.25(a)(2)(A), in any classroom(s) where title was relinquished to the School District receiving the transferred classrooms.

KEY TO ADJUSTMENTS

MODERNIZATION ONLY

- (a) Reduced by the number of pupils provided grants in a modernization SFP project or CSFP Rehabilitation project at the specific site.
- (b) Reduced by the number of pupils housed, based on the loading standard pursuant to EC Section 17071.25(a)(2), in a modernization LPP project funded under the LPP pursuant to Regulation Section 1859.14 and 1859.15.
- (c) Increased by changes in projected enrollment in subsequent enrollment reporting years.
- (d) (1) Increased for additional facilities not previously modernized with State funds, that become 25 years old, if permanent, or 20 years old, if portable or, (2) as a result of audit findings made pursuant to Regulation Sections 1859.90 and 1859.105.
- (e) Adjusted as a result of errors or omissions by the district or by the OPSC.
- (f) Adjusted as result of amendments to the Subgroup 5.5 Regulations that affect the eligibility.
- (g) For classroom loading standards adopted by the Board for non-severely and severely disabled individuals with exceptional needs.
- (h) As directed by the SAB due to finding a Material Inaccuracy pursuant to Regulation Section 1859.104.1.
- (i) Increased for facilities previously modernized with State funds, which qualify for an additional modernization apportionment pursuant to Regulation Section 1859.78.8.
- (j) Adjusted as a result of the Reconfiguration of an existing high school under the Small High School Program.
- (k) Decreased for facilities that were deemed eligible for modernization pursuant to Regulation Sections 1859.60 and 1859.61(d) and subsequently replaced, or will be replaced under a signed contract for construction or acquisition of facilities, in a project funded by the district without participation from the State.
- (l) Adjusted as a result of replaced eligible portables funded with the Overcrowding Relief Grant, per Ed. Code Section 17079 et seq.
- (m) Adjusted as a result of classrooms demolished and replaced pursuant to Regulation Section 1859.82.

SCHOOL FACILITY PROGRAM UNFUNDED APPROVALS

(Lack of AB 55 Loans)

PURPOSE OF REPORT

To present to the State Allocation Board (Board) a list of School Facility Program (SFP) applications for unfunded approval.

DESCRIPTION

At the January 2021 Board meeting, the Board elected to provide an increase adjustment of 1.42 percent to SFP projects for calendar year 2021. The projects listed on the Attachment reflect the Board's action of the adoption of the 1.42 percent increase based on the RS Means Construction Cost Index. In addition, the project applications represent SFP New Construction, Modernization, Charter School and Overcrowding Relief Grant projects in date order of a complete application being received by the Office of Public School Construction (OPSC).

AUTHORITY

SFP Regulation Section 1859.2 defines an Unfunded List (Lack of AB 55 Loans) as an information list of unfunded projects that was created due to the State's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans) to fund school construction projects as declared in the Department of Finance Budget Letter #33 issued on December 18, 2008.

SFP Regulation Section 1859.95 states:

"When the Board has no funds to apportion ..., the Board will also accept and process applications for apportionment for purposes of developing an Unfunded List based on the date the application is ready for Apportionment, with the exception of New Construction funding applications that utilize eligibility generated by the Alternative Enrollment Projection.

An application for funding included on an Unfunded List is eligible for reimbursement subject to adjustments in the New Construction Grants amount pursuant to Section 1859.77."

BACKGROUND

At the March 11, 2009 SAB meeting, the Board requested that Staff continue to process applications to the Board for unfunded approval, up to the bonding authority. The Attachment reflects applications being presented for unfunded approval, including SFP modernization and new construction projects in date order of a complete application being received by the OPSC. The list also includes health and safety facility hardship applications for funding that have been processed and are ready for approval regardless of received date. The unfunded approval of the applications as reflected on the Attachment does not constitute a guarantee of future funding.

RECOMMENDATIONS

1. Approve the SFP applications as presented on the Attachment.
2. Provide that these unfunded approvals do not constitute a guarantee of future funding.

SURPLUS SITE SALE PROCEEDS

PURPOSE OF REPORT

To present the Charter Oak Unified School District's (District) request to deposit proceeds from the sale of surplus real property (the former Banna Elementary School), which was purchased with local funds, into the District's General Fund.

DESCRIPTION

The District is requesting State Allocation Board approval for the transfer of surplus real property sale proceeds into its General Fund for one-time expenditures as identified on Attachment A. The District requests this approval under the authority of Education Code (EC) Section 17463.7.

AUTHORITY

See Attachment B.

BACKGROUND

EC Section 17463.7 eliminates the five-year lockout from the School Facility Program imposed under EC Section 17462 if the surplus property was purchased entirely with local funds. EC Section 17463.7 authorizes the use of surplus real estate sale proceeds for one-time general fund purposes as long as the costs are not related to a school district's on-going operations. The school district must also present a plan to its local governing board regarding the one-time expenditures and explain why these expenditures will not result in on-going fiscal obligations for the school district.

Under EC Section 17463.7, school districts are ineligible for School Facility Program financial hardship funding after the proceeds are deposited into the General Fund. In addition, a school district's financial hardship assistance shall be reduced by an amount equal to that of a school district's one-time expenditure(s). A school district must certify the following:

- that the site sale does not violate local bond restrictions; and
- that the real property is not suitable to meet projected school construction needs for the next ten years.

STAFF ANALYSIS/STATEMENTS

The District has submitted all required documents to support its request.

RECOMMENDATIONS

1. Approve the request to transfer surplus real property proceeds to the District's General Fund as identified on Attachment A.
2. Accept the District's governing board certifications as outlined in the narrative.

California Education Code Section 17463.7

(as of September 18, 2020)

- (a) Notwithstanding any other law, a school district may deposit the proceeds from the sale or lease of surplus real property, together with any personal property located on the property, purchased with nonstate funds, into the general fund of the school district and may use the proceeds for any one-time general fund purpose. If the purchase of the property was made using the proceeds of a local general obligation bond or revenue derived from developer fees, the amount of the proceeds of the transaction that may be deposited into the general fund of the school district may not exceed the percentage computed by the difference between the purchase price of the property and the proceeds from the transaction, divided by the amount of the proceeds of the transaction. For purposes of this section, proceeds of the transaction means either of the following, as appropriate:
- (1) The amount realized from the sale of property after reasonable expenses related to the sale.
 - (2) For a transaction that does not result in a lump-sum payment of the proceeds of the transaction, the proceeds of the transaction shall be calculated as the net present value of the future cashflow generated by the transaction.
- (b) The State Allocation Board shall reduce an apportionment of hardship assistance awarded to the particular school district pursuant to Article 8 (commencing with Section 17075.10), except an apportionment of hardship assistance awarded pursuant to paragraph (2) of subdivision (b) of Section 17075.10, by an amount equal to the amount of the sale of surplus real property used for a one-time expenditure of the school district pursuant to this section.
- (c) Before a school district exercises the authority granted pursuant to this section, the governing board of the school district shall first submit to the State Allocation Board documents certifying both of the following:
- (1) The sale of real property pursuant to this section does not violate the provisions of a local bond act.
 - (2) The real property is not suitable to meet projected school construction needs for the next 10 years.
- (d) Before the school district exercises the authority granted pursuant to this section, the governing board of the school district shall adopt a plan at a public meeting for expending one-time resources pursuant to this section. The plan shall identify the source and the intended use of the surplus property proceeds and describe the reasons why the expenditure will not result in ongoing fiscal obligations for the school district.
- (e) (1) Except for the sale or lease of surplus real property that has previously operated, or was constructed to be operated, as an early childhood education facility or a school for elementary and secondary instruction, the governing board of a school district shall not be required to appoint a district advisory committee pursuant to Article 1.5 (commencing with Section 17387).
- (2) It is the intent of the Legislature to allow a school district to meet the requirements to offer surplus properties set forth in the Education and Government Codes by making an offer simultaneously to all applicable entities.

- (f) The Office of Public School Construction shall submit an interim and a final report to the State Allocation Board and the budget, education policy, and fiscal committees of the Legislature that identifies the school districts that have exercised the authority granted by this section, the amount of proceeds involved, and the purposes for which those proceeds were used. The interim report shall be submitted by June 1, 2022, and the final report shall be submitted by January 1, 2026.
- (g) For any transaction for the sale or lease of surplus property a school district initiates pursuant to this section before June 30, 2024, the proceeds from the sale or lease transaction that are received after June 30, 2024, shall be considered proceeds that can be deposited in accordance with this section.
- (h) Subdivisions (a) to (e), inclusive, shall become inoperative on July 1, 2024, subdivision (f) shall become inoperative on January 15, 2026, and this section as of January 1, 2027, is repealed.

(Added by Stats. 2020, Ch. 24, Sec. 14. (SB 98) Effective June 29, 2020. Amended by Stats. 2020, Ch. 110, Sec. 8 (SB 820) Effective September 18, 2020. Repealed as of January 1, 2027, by its own provisions.)

Application Number: 51/76513-00-002
Total District Enrollment: 693
County: Trinity

School Name: Trinity High
Project Grade Level: 9-12
Financial Hardship: Yes

The District qualifies for financial hardship pursuant to SFP Regulation Section 1859.81(c)(5). The District has demonstrated it is financially unable to provide all or a part of the matching funds and is levying the developer fees or equal alternative revenue source justified by law. The District qualifies for financial hardship using "other evidence of reasonable effort as approved by the SAB" on February 26, 2020.

TYPE OF REQUEST

State Allocation Board (Board) Conceptual approval for an immediate Apportionment for a School Facility Program (SFP) Facility Hardship replacement project.

Total Project Cost: \$17,645,056.00
Total Cost to the State: \$17,645,056.00

DESCRIPTION

DESCRIPTION OF HEALTH AND SAFETY THREAT

In June of 2019, Trinity Alps Unified School District became aware of potential mold growth in several of the buildings at the Trinity High School site. Observations by Interstate Restoration LLC., on September 19, 2019 confirmed the presence of extensive mold growth throughout the main building (including Building B, Building C, Building D, Building E) and the Auto Shop Building (Building H). The report, indicates that "multiple areas throughout the school have been identified needing mold abatement before students can be allowed back into the building to resume regular activities." The buildings were determined to be unsafe for occupation by students and staff and subsequently closed.

SCOPE OF PROJECT

Mitigation work consists of mold abatement on all surfaces, including the removal and replacement of ceiling tiles and drywall, the cleaning of all HVAC systems and components, performing the necessary repairs to prevent future water intrusion, returning the affected facilities to pre-loss condition, and performing required ancillary access compliance work.

STATUS OF SCHOOL SITE

The main building and auto shop building at the Trinity High School site are closed to occupancy. The first phase of work to mitigate the mold has been completed. The District anticipates completing the second phase of work to restore the affected buildings to pre-loss conditions prior to the 2021/2022 school year pending approval of this request.

QUALIFYING CRITERIA

GOVERNMENT/STATE LEVEL OCCURENCE

The Trinity County Environmental Health Division has provided written concurrence that supports the industry specialist's findings and recommended work to mitigate the health and safety threat.

Staff Supports the District's Request: Yes

SITE VISIT COMPLETED BY STAFF

Staff completed site visits on September 4, 2019 and November 19, 2019.

AUTHORITY

See Attachment A

RECOMMENDATIONS

1. Approve the District's request for an immediate Apportionment for replacement funding for the mitigation of mold and subsequent rehabilitation of the main building (Building B, Building C, Building D, Building E) and auto shop building (Building H) at the Trinity High School site pursuant to the Board's approval on February 26, 2020 and SFP Regulation Section 1859.82.1(b), as provided on Attachment B.
2. Provide that the District's Modernization eligibility for Building B, Building C, Building D, Building E, and Building H will be reset to the date of Apportionment of replacement funds.

Facility Hardship Program – Replacement Project
(as of August 31, 2020)

Education Code (EC) Section 17075.10(a) states:

A school district may apply for hardship assistance in cases of extraordinary circumstances. Extraordinary circumstances may include, but are not limited to, the need to repair, reconstruct, or replace the most vulnerable school facilities that are identified as a Category 2 building, as defined in the report submitted pursuant to Section 17317, determined by the department to pose an unacceptable risk of injury to its occupants in the event of a seismic event.

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.1 states that “a district is eligible for Facility Hardship funding to repair, replace, or construct School Buildings or related required components that are currently causing a health and safety threat to the students and/or staff. Projects solely to replace components that have reached the end of their useful life, perform routine maintenance or repair, issues resulting from the deferment of routine maintenance or repair, lack of current code compliance, or the addition of components that were not previously existing, do not meet the qualifying criteria of the program. However, this work may be incorporated into a qualifying Facility Hardship application if it is required to be completed to gain DSA approval.”

SFP Regulation Section 1859.82.1(b) states in part, “To qualify for replacement funding for School Buildings, the district must submit an Approved Application for funding and either (1) or (2) below:

- (1) For School Buildings that are lost, destroyed, or unable to be repaired, ...
- (2) For permanent School Buildings where the cost to rehabilitate the School Building(s) exceeds 50 percent of the Current Replacement Cost, or for Portable Classrooms where the cost to rehabilitate exceeds the Portable Classroom Replacement Grant or Portable Toilet Replacement Grant....”

SFP Regulation Section 1859.82.1(b) further states, “If the district qualifies to replace some but not all School Buildings on the project site, funding will be based on the Square Footage of the School Buildings replaced and is capped by the lesser of the amount provided in accordance to the chart below....”

The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

The Applicant qualifies for financial hardship pursuant to School Facility Program Regulation Section 1859.81(c)(5). The Applicant has demonstrated it is financially unable to provide all or a part of the matching funds and is levying the developer fees or equal alternative revenue source justified by law. The Applicant qualifies for financial hardship using other evidence of reasonable effort as approved by the Board on February 26, 2020.

The District is required to submit a valid Fund Release authorization (Form SAB 50-05) within 18 months of the date of the apportionment; otherwise, the apportionment will be rescinded without further board action.

Total Project Cost: \$8,850,798.00
Cost to the State: \$4,425,399.00

DESCRIPTION

DESCRIPTION OF HEALTH AND SAFETY THREAT

A report by Meridian Structural Engineers, Inc., dated July 16, 2018, identifies several structural deficiencies in the gymnasium building located at the Joseph Kerr Middle School site. The report references material insufficiencies with the anchorage designs, building diaphragm, and shear wall systems of the building's structure that render the facilities at high risk of collapse in the event of seismic activity. The buildings qualify for the SMP based on the qualifying criteria in Education Code Section 17075.10 and SFP Regulation Section 1859.82.2.

SCOPE OF PROJECT

The scope of this project includes the replacement of the gymnasium building.

STATUS OF SCHOOL SITE

The District began construction in June 2020 and anticipates project completion in August 2021.

QUALIFYING CRITERIA

GOVERNMENT/STATE LEVEL CONCURRENCE

The gymnasium building was classified as a Most Vulnerable Category 2 Building type as defined in SFP regulations and has met qualifying criteria of the SMP. The Division of the State Architect (DSA) has approved the District for Phase One (Eligibility Evaluation), Phase Two (Replacement Option Analysis) and final plan approval. These approvals enable the District to apply for funding from the Board.

RECOMMENDATION(S)

1. Approve the District's request for an unfunded approval for the replacement of the gymnasium at the Joseph Kerr Middle School site, pursuant to the SFP Regulation Section 1859.82.2 as provided on Attachment B.
2. Provide that the District's Modernization eligibility will be reset for the Gymnasium building to the date of apportionment for this project.

Seismic Mitigation Program – Replacement Projects (as of August 31, 2020)

Education Code (EC) Section 17075.10(a) states:

A school district may apply for hardship assistance in cases of extraordinary circumstances. Extraordinary circumstances may include, but are not limited to, the need to repair, reconstruct, or replace the most vulnerable school facilities that are identified as a Category 2 building, as defined in the report submitted pursuant to Section 17317, determined by the department to pose an unacceptable risk of injury to its occupants in the event of a seismic event.

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.2 states that “A school district is eligible for funding to repair, reconstruct, or replace the Most Vulnerable Category 2 Buildings which were originally constructed to be used as School Facilities and pose an unacceptable risk of injury to its occupants in the event of seismic activity. Program eligibility is determined by the Division of the State Architect while determination of grant funding is determined by the Board based on the following criteria.

Notwithstanding Sections 1859.93 and 1859.93.1, all applications for the seismic mitigation of the Most Vulnerable Category 2 Buildings shall be funded in the order of receipt of an Approved Application for funding. Any grants provided for the purpose of this section shall be provided as a new construction project and allocated on a 50 percent state share basis.”

SFP Regulation Section 1859.82.2(a) states,

- (a) Seismic mitigation projects must meet all of the following requirements:
- (1) The construction contract was executed on or after May 20, 2006;
 - (2) The project funding provided shall be for the minimum work necessary to obtain DSA approval;
 - (3) The School Building is designed for occupancy by students and staff; and
 - (4) The DSA concurs with a report by a structural engineer, which identifies structural deficiencies that pose an unacceptable risk of injury to its occupants in a seismic event. The structural engineers report shall conform to the guidelines prepared by the DSA, in accordance with Education Code Section 17310.

If the unacceptable risk of injury is due to the presence of faulting, liquefaction or landslide, these hazards must be documented by a geological hazards report prepared by an engineering geologist in accordance with California Building Code, Part 2, Chapter 18, section 1803A and with concurrence of the California Geological Survey

Cost to the State: \$2,861,786.00

DESCRIPTION

DESCRIPTION OF HEALTH AND SAFETY THREAT

Two reports by KNA Structural Engineers, Inc., dated June 13, 2019, identify several structural deficiencies in Building M and Building N located at the Indian Springs High School site. The reports reference material insufficiencies with the wall anchorage designs of the structure of the two buildings that renders these facilities at high risk of collapse in the event of seismic activity. The buildings qualify for the SMP based on the qualifying criteria in Education Code Section 17075.10 and SFP Regulation Section 1859.82.2.

SCOPE OF PROJECT

The project consists of structural retrofitting of classroom buildings M and N at the Indian Springs High School site.

STATUS OF SCHOOL SITE

The District anticipates approval of the construction contract for the project in April of 2021 and estimates beginning construction in the spring of 2021.

QUALIFYING CRITERIA

GOVERNMENT/STATE LEVEL CONCURRENCE

Building M and Building N were each classified as a Most Vulnerable Category 2 Building type as defined in SFP regulations and have met qualifying criteria of the SMP. Section 1859.61. Adjustments to the Modernization Baseline Eligibility...

(l) Adjusted upon Board receipt of the local school board resolution acknowledging that the buildings have been removed from K-12 classroom use, as follows:

(1) School Buildings and/or classrooms that receive replacement funding via the New Construction Grant or the Facility Hardship Square Footage Grant pursuant to Section 1859.82.1 or Section 1859.82.2.

(2) School Buildings and/or classrooms that were originally included in the district's baseline eligibility and were later demolished or removed from classroom use due to health and/or safety concerns that meet the requirements of Regulation Section 1859.82.1 or 1859.82.2 as verified by OPSC, except the district did not have the current enrollment to support the replacement and funding of those School Buildings and/or classrooms. ~~School Buildings~~ and/or classrooms removed from K-12 classroom use that remain on the school site will be identified on a list published on OPSC's website.

For (l)(1) the building age shall be reset to the date of the Apportionment for the corresponding project. For (l)(2) the building shall be removed from the classroom inventory used to establish modernization eligibility at the site.

DESCRIPTION

DESCRIPTION OF HEALTH AND SAFETY THREAT

The multipurpose building at Chapman Elementary has curved, glulam wood arches as the primary gravity and lateral load carrying members. These arches are delaminating at the tops of the curved portions of the arches due to residual stress from the bending which is reducing the gravity and lateral load carrying capacities. According to a report by Anderson & Doig Structural Engineers dated December 3, 2019, the reduction of the gravity and lateral load carrying capacities is expected to continue. "This continuing, worsening failure and the related reduction of capacity constitutes an eminent risk to the health and safety of the students." Division of the State Architect (DSA) concurred that portions of the multipurpose building are "such that the health and safety of the pupils is at risk and must be corrected."

SCOPE OF PROJECT

The scope of this project includes the replacement of the damaged glued laminated arches in the multipurpose building.

STATUS OF SCHOOL SITE

The project is currently in the bid process and the District is anticipating a project completion in August of 2021.

Facility Hardship Program – Rehabilitation Projects (as of August 31, 2020)

Education Code (EC) Section 17075.10(a) states:

A school district may apply for hardship assistance in cases of extraordinary circumstances. Extraordinary circumstances may include, but are not limited to, the need to repair, reconstruct, or replace the most vulnerable school facilities that are identified as a Category 2 building, as defined in the report submitted pursuant to Section 17317, determined by the department to pose an unacceptable risk of injury to its occupants in the event of a seismic event.

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.1 states that “a district is eligible for Facility Hardship funding to repair, replace, or construct School Buildings or related required components that are currently causing a health and safety threat to the students and/or staff. Projects solely to replace components that have reached the end of their useful life, perform routine maintenance or repair, issues resulting from the deferment of routine maintenance or repair, lack of current code compliance, or the addition of components that were not previously existing, do not meet the qualifying criteria of the program. However, this work may be incorporated into a qualifying Facility Hardship application if it is required to be completed to gain DSA approval.”

SFP Regulation Section 1859.82.1(c) states,

Districts may qualify for funding to rehabilitate their School Buildings, components of School Buildings, or school site conditions. Factors to be considered by the Board may include (1) or (2) below:

- (1) School Buildings where the minimum cost to mitigate the health and safety threat and remain in the School Building is 50 percent or less of the Current Replacement Cost.
- (2) Components of the School Buildings or school sites conditions are causing a health and safety threat to students and/or staff.

These arches are delaminating at the tops of the curved portions of the arches due to residual stress from the bending which is reducing the gravity and lateral load carrying capacities. According to a report by Anderson & Doig Structural Engineers dated December 3, 2019, the reduction of the gravity and lateral load carrying capacities is expected to continue. "This continuing, worsening failure and the related reduction of capacity constitutes an eminent risk to the health and safety of the students." Division of the State Architect (DSA) concurred that portions of the multipurpose building are "such that the health and safety of the pupils is at risk and must be corrected."

SCOPE OF PROJECT

The scope of this project includes the replacement of the damaged glued laminated arches in the multipurpose building.

Facility Hardship Program – Rehabilitation Projects (as of August 31, 2020)

Education Code (EC) Section 17075.10(a) states:

A school district may apply for hardship assistance in cases of extraordinary circumstances. Extraordinary circumstances may include, but are not limited to, the need to repair, reconstruct, or replace the most vulnerable school facilities that are identified as a Category 2 building, as defined in the report submitted pursuant to Section 17317, determined by the department to pose an unacceptable risk of injury to its occupants in the event of a seismic event.

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.1 states that “a district is eligible for Facility Hardship funding to repair, replace, or construct School Buildings or related required components that are currently causing a health and safety threat to the students and/or staff. Projects solely to replace components that have reached the end of their useful life, perform routine maintenance or repair, issues resulting from the deferment of routine maintenance or repair, lack of current code compliance, or the addition of components that were not previously existing, do not meet the qualifying criteria of the program. However, this work may be incorporated into a qualifying Facility Hardship application if it is required to be completed to gain DSA approval.”

SFP Regulation Section 1859.82.1(c) states,

Districts may qualify for funding to rehabilitate their School Buildings, components of School Buildings, or school site conditions. Factors to be considered by the Board may include (1) or (2) below:

- (1) School Buildings where the minimum cost to mitigate the health and safety threat and remain in the School Building is 50 percent or less of the Current Replacement Cost.
- (2) Components of the School Buildings or school sites conditions are causing a health and safety threat to students and/or staff.

DESCRIPTION

DESCRIPTION OF HEALTH AND SAFETY THREAT

The existing internal drain piping serving the science classrooms in Building S at Morningside High are in a state of failure. According to a report by Tk1sc Collaborative detailing investigations of the pipes on October 1, 2019, the “drains from lab sinks are cast iron material and are not designed to drain acid waste. Because of this, all the cast iron drains in this building are oxidized” and “the building cannot be occupied by students and staff because of leaks that develop mold and potential sewer gas leaking inside the building into the classrooms. This presents a serious health risk to the students and staff.” The report further states that “The existing galvanized piping contains lead and causes lead leaching. This causes a serious health risk to the students and staff who occupy this building. Drinking water at Woodworth Elementary School (which is located on the same block as Morningside High School) was tested recently and an unsafe quantity of lead was found.”

The scope of this project includes the replacement of the internal drain system servicing Building S and required access compliance upgrades.

DESCRIPTION

DESCRIPTION OF HEALTH AND SAFETY THREAT

A report date January 8, 2019 identified severe structural deficiencies in the south facing exterior wall of the Cafeteria Building at Lassen View Elementary School. The report states that a compromised window in the wall in addition to a pest infestation led to water damage that compromised the structure of the wall "beyond repair and will need to be replaced". Additional investigations from Big Time Pest Control revealed related structural damage to the flooring immediately adjacent to the affected wall. The report concludes "The damage indicated represents the presence of a current health and safety threat to the students and staff."

UNUSED SITES

EXHIBIT/APPL. NO. 92/66340-00-000

Nevada City – Nevada County

PURPOSE OF REPORT

To present the District's request for the State Allocation Board (Board) to grant a refund of the 2019/20 Fiscal Year unused site assessment fee.

DESCRIPTION

The District was assessed an unused site fee of \$14,805 for the 2019/20 Fiscal Year at the December 9, 2020 Board meeting, and is scheduled to be deducted from the District's State School Fund Apportionment during the months of February through May 2021. The District recently submitted documentation indicating that this district is using the sites for community purposes. Therefore, the District is eligible for a refund for the unused site assessment fee withheld for the 2019/20 Fiscal Year.

<u>Site</u>	<u>Year</u>	<u>Annual Payment</u>	<u>Recommendation</u>
Nevada City Charter	2019/20	\$5,193	Refund
Nevada City Elementary	2019/20	\$9,612	Refund

AUTHORITY

Pursuant to Education Code (EC) Section 17219(e), nonuse payments shall not be required "for any year with respect to a schoolsite that for one-half or more of the number of days of that year has been utilized for any of the following purposes: (1) By the school district, or by any other governmental entity pursuant to agreement with the school district, for school purposes...."

BACKGROUND

As required by law, all school districts are required to report any unused school sites to the Board annually. The school districts self-certify requests for waivers and reduction of fees based on certain criteria outlined in EC Section 17219. EC Section 17219(e) allows for districts to receive a waiver if the site is used for public school purposes for at least one-half the fiscal year. The District recently submitted documentation certifying that the site is being used for community purposes.

STAFF ANALYSIS/STATEMENTS

The District has provided documentation to support its request.

RECOMMENDATION

Approve the District's request for a refund of the 2019/20 Fiscal Year unused site assessment fee in the amount of \$14,805 and notify the State Controller's Office to refund the Annual Payment.

To present the District's request for the State Allocation Board (Board) to grant a refund of the 2019/20 Fiscal Year unused site assessment fee.

DESCRIPTION

The District was assessed an unused site fee of \$4,902 for the 2019/20 Fiscal Year at the December 9, 2020 Board meeting, and is scheduled to be deducted from the District's State School Fund Apportionment during the months of February through May 2021. The District recently submitted documentation indicating that this district is using the site for community purposes. Therefore, the District is eligible for a refund for the unused site assessment fee withheld for the 2019/20 Fiscal Year.

<u>Site</u>	<u>Year</u>	<u>Annual Payment</u>	<u>Recommendation</u>
McKinley	2019/20	\$4,902	Refund

AUTHORITY

Pursuant to Education Code (EC) Section 17219(e), nonuse payments shall not be required "for any year with respect to a schoolsite that for one-half or more of the number of days of that year has been utilized for any of the following purposes: (1) By the school district, or by any other governmental entity pursuant to agreement with the school district, for school purposes...."

BACKGROUND

As required by law, all school districts are required to report any unused school sites to the Board annually. The school districts self-certify requests for waivers and reduction of fees based on certain criteria outlined in EC Section 17219. EC Section 17219(e) allows for districts to receive a waiver if the site is used for public school purposes for at least one-half the fiscal year. The District recently submitted documentation certifying that the site is being used for community purposes.

STAFF ANALYSIS/STATEMENTS

The District has provided documentation to support its request.

RECOMMENDATION

Approve the District's request for a refund of the 2019/20 Fiscal Year unused site assessment fee in the amount of \$4,902 and notify the State Controller's Office to refund the Annual Payment.

PURPOSE OF REPORT

To present the District's Facility Hardship rehabilitation funding application for a health and safety project for expedited Apportionment outside of the priority funding process.

AUTHORITY

SFP Regulation Section 1859.90. states in part:

With the exception of an apportionment made pursuant to Sections 1859.81.1(e) or 1859.81.2, or of an Inactive Apportionment subject to Section 1859.96, the OPSC will release State funds that the Board has apportioned to the district after submittal, by the district, of the Form SAB 50-05 and a Grant Agreement, pursuant to Section 1859.90.4, subject to the availability of financing provided by the Pooled Money Investment Board for bond-funded projects. With the exception of an apportionment made for a Type II Joint-Use Project, not part of a qualifying SFP Modernization project, pursuant to Article 12 of these Regulations, a district must submit the Form SAB 50-05 and Grant Agreement, within 18 months of the Apportionment of the SFP grant for the project or the entire New Construction Adjusted Grant, Modernization Adjusted Grant or Type I or II, part of a qualifying SFP Modernization project, Joint-Use Project apportionment shall be rescinded without further Board action, and the pupils housed in the project, if applicable, will be added back to the district's baseline eligibility.

BACKGROUND

Lewiston Elementary School District is a rural single school district located in Trinity County. Lewiston Elementary School was built in 1957 and currently has 63 students and 10 staff. The District was in the processing of evaluating its facility needs in 2018 when the primary sewer system serving the campus failed. Sewage was backing up into the North East bathrooms, restroom building hallways, on to the nearby exterior playground, and from the exterior laterals connecting the school sewer system to the Lewiston Community Services District system.

The North East bathrooms and other areas affected by the sewage spillage were cleaned and the affected fixtures were closed off, however the underlying issue with the blockages and deterioration of the exterior system remains unrepaired. The District was approved for design funding for this project in September of 2019 (see Attachment A) and is now requesting the full funding grants for the project.

BACKGROUND (Cont.)

The District is requesting an immediate Apportionment outside of the Priority Funding process as there is a potential that the unrepaired systems will back up again once students return to the campus from COVID 19 related distance learning. If the systems back up again while the campus is open, the county health department has indicated the school could be shut down. For the school to open successfully in the fall, the main sewer system will need to be repaired over the summer and before the campus is opened for the 2021/2022 school year.

STAFF ANALYSIS/STATEMENTS

DISTRICT POSITION

The District states that an Immediate Apportionment will allow project funding to be available to the District in time to complete the mitigation work during summer 2021. This will enable the District to be prepared for in-person learning resuming in the fall of 2021 without danger of being closed again due to the blocked and inoperable sewer system on campus. Without receiving an immediate Apportionment, the earliest funding would be available would be in the fall of 2021 which would be too late to get the remediation work done prior to the 2021/2022 school year.

The complete text of the District's appeal request can be viewed on Attachment B.

STAFF POSITION

Staff is recommending that the District receive an immediate Apportionment for the attached Lewiston Elementary School project, application number 58/71746-00-002, due to the compromised sewer system connecting the campus to the Lewiston Community Services District system.

Since the District notified the Office of Public School Construction (OPSC) of its issue, OPSC staff has been working closely with the district which so far has resulted in a design funding approval in September of 2019. The District has now completed the design process and has approved construction plans in place for the necessary mitigation work.

An Apportionment outside of the priority funding process will result in the District having immediate access to cash to begin remediation of the existing sewer system servicing the campus. If the District were to participate in the normal Priority Funding process, the earliest it would be able to receive cash would be from a fall 2021 bond sale. This timeframe puts the campus at risk of being closed again due to the fragile condition of the sewer system.

Staff have included two funding options as Attachments C and D. Attachment C is an approval for immediate Apportionment, and Attachment D is an approval for unfunded approval if an immediate Apportionment is not awarded. Staff recommends that the Board provide an immediate Apportionment for design funding for the project due to the extraordinary circumstances.

RECOMMENDATION

Approve an Apportionment for OPSC application number 58/71746-00-002 in the amount of \$449,076 as shown on Attachment C.

This Item was approved by the State Allocation Board on April 28, 2021.

DESCRIPTION

Description of Health and Safety Threat	A report by PACE Engineering, dated February 5, 2019, assessed the catastrophic failure of the sewer system at Lewiston Elementary. Blockages from extensive root infiltration into the sewer main have repeatedly caused toilets to overflow when used leaving standing waste water in the facility. As a result, the Trinity County Environmental Health Department issued a letter on June 13, 2019 notifying campus officials that "this is an imminent health and safety issue for all students and employees on campus, and if not remedied immediately, Trinity County Environmental Health will be forced to close the affected facilities..." On July 19, 2019, the Trinity County Health Department implemented temporary emergency mitigation measures for Lewiston Elementary School to mitigate the emergent issues to be reevaluated 90 days from the date of inspection.
---	---

Scope of Project	The scope of this project includes the replacement of sewer laterals, rehabilitation work to the affected restrooms and kitchen, and other work required by the Division of the State Architect to complete the project and gain their approval.
------------------	--

Status of School Site	The District has closed the bathroom facility and is using portable toilets for interim waste management needs.

RECOMMENDATIONS

1. Approve the District's request for a conceptual approval to remove and replace the sewer system, affected bathrooms, and perform required ancillary work at Lewiston Elementary School site, pursuant to SFP Regulation Section 1859.83(e) as shown on Attachment B.
2. Provide that the District must file an Approved Application for funding within 18 months of this approval, pursuant to Regulation Section 1859.82(c).
3. Provide that this conceptual approval does not guarantee a commitment for funding by the Board. Any possible future funding will be subject to all governing laws and regulations, and the availability of funds.
4. Provide that the State portion of any and all savings which may be realized from the funding of this facility hardship project must be returned to the State.

ATTACHMENT A

AUTHORITY

Education Code (EC) Section 17075.10(a) states:

A school district may apply for hardship assistance in cases of extraordinary circumstances. Extraordinary circumstances may include, but are not limited to, the need to repair, reconstruct, or replace the most vulnerable school facilities that are identified as a Category 2 building, as defined in the report submitted pursuant to Section 17317, determined by the department to pose an unacceptable risk of injury to its occupants in the event of a seismic event.

SFP Regulation Section 1859.82 states, "A district is eligible for facility hardship funding to repair, replace, or construct new classrooms and related facilities if the district demonstrates there is an unmet need for pupil housing or the condition of the facilities, or the lack of facilities, is a threat to the health and safety of the pupils."

SFP Regulation Section 1859.82(a)(1) provides for Facility Hardship grant funding when:

The facilities are needed to ensure the health and safety of the pupils if the district can demonstrate to the satisfaction of the Board that the health and safety of the pupils is at risk. Factors to be considered by the Board shall include the close proximity to a major freeway, airport, electrical facility, high power transmission lines, dam, pipeline, industrial facility, adverse air quality emission or other health and safety risks, including structural deficiencies required by the DSA to be repaired, seismic mitigation of the Most Vulnerable Category 2 Buildings as verified by the DSA, traffic safety or because the pupils reside in remote areas of the district and transportation to existing facilities is not possible or poses a health and safety risk.

SFP Regulation Section 1859.82(a)(1)(A)(1) states,

If the total cost to remain in the classroom or related facility is 50 percent or less than the Current Replacement Cost, the district may qualify for either grant below, as applicable:

- a. Modernization Excessive Cost Hardship Grant for Rehabilitation Costs pursuant to Section 1859.83(e),
- or
- b. A grant not to exceed 50 percent of the cost estimate that has been reviewed and approved by the OPSC and approved by the Board for seismic repair.

Regulation Section 1859.83(e) states:

Excessive Cost for rehabilitation of facilities the Board has determined are a health and safety risk to the pupils pursuant to Section 1859.82(a)(1) and the cost/benefit analysis to mitigate the problem and remain in the facility is less than 50 percent of the Current Replacement Cost of the facility. The cost/benefit analysis shall not include increased costs associated with high performance related costs or components, with the exception of those high performance components that were pre-existing in the classroom or related facility. If the district qualifies, the district is eligible for funding of Rehabilitation Costs as a modernization project. If the Approved Application is received on or before April 29, 2002, the grant amount provided is 80 percent of the amount of the cost estimate required in Section 1859.82(a)(1) that has been reviewed by the OPSC and approved by the Board. If the Approved Application is received after April 29, 2002, the grant amount provided is 60 percent of the amount of the cost estimate required in Section 1859.82(a)(1) that has been reviewed by the OPSC and approved by the Board. An additional grant may be provided for high performance incentive pursuant to Section 1859.77.4 provided that the high performance points attained are related to the scope of the Facility Hardship project. For any project funded in whole or in part from Proposition 47 or Proposition 55 for which the construction contract is awarded prior to January 1, 2012, the district may be eligible for the funding provided to initiate and enforce a LCP as prescribed in Section 1859.78.1(a). For any project for which the construction contract is awarded on January 1, 2012 through June 19, 2014, the grant may be adjusted in the manner prescribed in Section 1859.78.1(b) and subject to the limitations established in Section 1859.78.1(c).

Immediate Apportionment for Needed Health/Safety Measures

BACKGROUND

Lewiston Elementary School (LES), built in 1957, currently has 63 Students and 10 staff members on site on any given school day. Although there have been a number of updates to parts of the campus, many of the fundamental systems have not been updated / modernized since the original construction.

Over the last several years, the District has contracted with Semingson Architects, Inc., PACE Engineering and others to perform analysis of issues and build out some designs regarding the most emergent needs. Unfortunately, in the fall of 2018, as these plans were being developed, the sewer system and some of the internal waste water systems began to fail, specifically in the North East Boys Bathroom and outside in the sewer laterals that connect to the Lewiston Community Services District system. Impacts included sewage backed up onto the bathroom floor and out into the hallway, effluent emerging through broken pipes into the outside playground area and other related events.

Although the school was able to clean up the interior facility, replace damaged floors and sheet rock, close off the non-functioning fixtures, and alleviate the blockage in the outside sewer laterals, these are all temporary fixes. Further inspection of the outside sewer laterals has determined that they are permanently compromised and analysis of the interior waste water systems in the NE Boys Bathroom indicates similar issues.

On June 13, 2019, the LESD Board received a letter from Trinity County Environmental Health (TCEH) stating that “the current conditions of the Lewiston Elementary school building drains and lateral sewer connections are an imminent health and safety issue for all students and employees on campus.” After meeting with a representative from TCEH, the LESD Board adopted mitigation measures that resulted in the ability to safely occupy the campus for the 2019 / 2020 and 2020 / 2021 school years with the approval of TCEH. However, TCEH still advises that these issues be remedied for the long term.

The school has since submitted and been approved for a design grant from the SAB which has resulted in designs that are now available to implement. With the advent of the COVID 19 restrictions, the internal waste water systems, sewer lines and related systems have not been put to the test of normal usage, likely extending the timeline of potential failure. We now have the opportunity during the summer months of 2021, to ensure the rehabilitation of these key systems for the Lewiston Elementary School District.

The Impact on Students and Staff: The impact on students and staff has been significant although thankfully short lived with “band aid” fixes and temporary measures being implemented for this last school year. If these funds are not approved, failure of the systems is almost a certainty and there would be no other choice from the Trinity County Environmental Health Department but to close the campus to any occupation. As has been our practice in the past, the District will continue to provide information to both the County Office of Education and OPSC as it becomes available.

Community and Economy: Lewiston Elementary School District encompasses an area of 104 square miles, mostly rural. A large amount of the land is federally managed public land, limiting economic growth, revenue potential and tax base enhancement. District economic statistics indicate per capita income of \$23,893, and median household income of \$35,542. In this regard, 85.2% of the District's students participate in the federally subsidized meal programs for low-income, disadvantaged youth. The local economy includes resource industries such as timber, tourism and service sectors (including camping, fishing, environmental), and agriculture (including cultivation of marijuana, which appears to be diminishing with state legalization and consolidation of growers and distributors). Other sectors include government, utility and resource extraction.

Property Values: Approximately 82% of Trinity County is non-taxable federally managed land and the remainder has experienced stagnant assessed valuation growth. The significant property appreciation in other areas of the State bypassed Trinity County and the District, with only moderate fluctuating growth over the past several years. This constraint limits the District's ability to access additional funds generally and certainly not to the level needed for this project.

Current Actions: The District's limited ability to provide matching funds and the emergent nature of this situation have led the District to this Request for Appeal. District personnel and the County Office of Education have been meeting with architects and industry specialists to evaluate the scope, timing and duration, of the reconstruction phase of the work.

Summary: Lewiston Elementary School District serves a community that, while it has significant challenges, is committed to providing and improving a solid educational program for their students. The facility challenges faced by the District are significant and, if left un-remedied, threaten to jeopardize the forward movement the district has seen during recent years with the stability brought by new District leadership and a renewed relationship with the County Office of Education.

For the reasons noted in this School District Appeal request we request immediate apportionment for the specific health/safety measures outlined that will be submitted and processed by the State Allocation Board in ensuring that we can move forward with this project for Lewiston Elementary School District.

The undersigned, Superintendent of Lewiston Elementary School District, wishes to thank OPSC staff for their interest in our District, for the personal relationship created through meetings in Sacramento as well as OPSC site visits in Lewiston, and for its guidance to our District in weathering this crisis.

Respectfully submitted,

Mary Thoreson
Superintendent
Lewiston Elementary School District

STIPULATED TERMS & NEXT STEPS
This application is placed on the Unfunded List (Lack of AB 55 Loans) pursuant to the Board's action on March 11, 2009. This approval does not constitute a guarantee or commitment of future state funding.
The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.
The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.
The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.
The Applicant qualifies for financial hardship pursuant to School Facility Program Regulation Section 1859.81(c)(4). The Applicant has demonstrated it is financially unable to provide all or a part of the matching funds and is levying the developer fees or equal alternative revenue source justified by law. The Applicant's total bonding capacity as of August 26, 2020 is \$5 million or less.

PRIORITY FUNDING SCHOOL CONSTRUCTION APPORTIONMENTS

PURPOSE OF REPORT

To provide priority School Facility Program (SFP) funding Apportionments for \$519.4 million for the projects that submitted a valid certification.

DESCRIPTION

At the May 2011 State Allocation Board (Board) meeting, the Board approved proposed regulations establishing two annual filing periods for prioritizing school construction funding as cash proceeds became available to provide Apportionments. The Office of Administrative Law (OAL) then approved the regulations on July 27, 2011. The proposed regulations created two 30-day periods in which school districts could request to receive an Apportionment upon acknowledgement that a *Fund Release Authorization* (Form SAB 50-05) could be submitted within 90 days of receiving an Apportionment.

Based on SFP regulations, the recent filing period began on November 11, 2020 and closed on December 10, 2020. Requests must have been received by OPSC on or before December 10, 2020 and are valid from January 1, 2021 through June 30, 2021.

By approving this item, the Board will provide approximately \$519.4 million in Apportionments for 229 projects that represents 114 school districts and qualifying applicants.

AUTHORITY

See Attachment A.

BACKGROUND

Requests/Acknowledgements

Pursuant to SFP Regulations, applicants choosing to participate in the priority funding process must submit a request to convert an Unfunded Approval to an Apportionment. As part of the request, applicants are required to make the following acknowledgements:

BACKGROUND (cont.)

- The applicant understands that the time limit on fund release shall be no more than 90 days from the date of Apportionment.
- The applicant acknowledges that failure to submit a valid *Fund Release Authorization* (Form SAB 50-05) within the 90-day period will result in the project being rescinded without further Board action. A rescinded application will revert to an Unfunded Approval at the bottom of the Unfunded List (Lack of AB 55 Loans) and cannot be guaranteed bond authority. The application will receive a new Unfunded Approval date of July 27, 2021.
- In the case that multiple rescissions are made by the SAB, each separate application will be placed at the bottom of the Unfunded List (Lack of AB 55 Loans) in the order of the original unfunded approval date. The district will not be required to resubmit the application and no further application review will be required.
- The applicant acknowledges that by participating in the priority funding process, the applicant is waiving its right to the 18-month timeline for fund release submittal.
- The applicant acknowledges that a Grant Agreement must be submitted pursuant to SFP Regulation 1859.90.4 and received by OPSC prior to or concurrently with the Form SAB 50-05.

By approving this item, the Board will provide approximately \$519.4 million in Apportionments for 229 projects on the Unfunded List (Lack of AB 55 Loans) that are eligible for an Apportionment. Any requests by applicants to participate in the priority funding process that are not converted to Apportionments shall retain their date order position on the Unfunded List (Lack of AB 55 Loans) unless the applicant receives a second non-participation occurrence. Any project receiving a second non-participation occurrence will be rescinded without further Board action.

This priority funding round generated \$519.2 million in Apportionment requests from 113 applicants for 228 out of 256 unique projects, which represents 88.72 percent of the projects on the Unfunded List (Lack of AB 55 Loans) that could have submitted requests. The Board is also providing one additional Apportionment due to a reduction to costs incurred adjustment. In total, the Board can provide \$519.4 million in Apportionments. The attachments provide detailed lists of the Apportionment requests received during this filing period that remain on the Unfunded List (Lack of AB 55 Loans). The applications receiving an Apportionment are highlighted in Attachments B, C, D, E, F, G and H.

STAFF ANALYSIS/STATEMENTS

Current/Future Request Periods

Requests submitted during the period that ended on December 10, 2020 will expire on June 30, 2021. A new 30-day priority funding request filing period will begin on May 12, 2021 and will end on June 10, 2021. Requests submitted during that period will be valid from July 1, 2021 through December 31, 2021.

Fund Release Requirements

Applicants receiving Apportionments are required to submit a valid Form SAB 50-05 containing an original or electronic signature for each approved application. The Form SAB 50-05 must be signed by the designated District Representative and must be received by the Office of Public School Construction prior to 11:59 p.m. on July 27, 2021. The form may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605. If a district fails to submit a valid Form SAB 50-05 within the allotted time frame, the project will be rescinded without further Board action and will receive a new unfunded approval date of July 27, 2021 on the Unfunded List (Lack of AB 55 Loans).

Grant Agreement

Pursuant to action taken by the Board at the June 5, 2017 meeting a Grant Agreement for the project with an original or electronic signature by an authorized District Representative must be submitted prior to, or concurrently with, the Form SAB 50-05 in order for the Form SAB 50-05 to be considered valid for all projects that are approved for placement on the Unfunded List (Lack of AB 55 Loans) on or after June 5, 2017. Projects on the Unfunded List as of June 5, 2017 are exempt from this requirement.

Non-Participation in Priority Funding Process

On March 25, 2013, regulation amendments regarding non-participation in the priority funding process became effective. The regulation changes limit the number of times a district can choose not to participate in the priority funding process for a project on the Unfunded List (Lack of AB 55 Loans). Projects receiving an Apportionment in this item but do not submit a valid Form SAB 50-05 prior to 11:59 p.m. on July 27, 2021 will receive one non-participation occurrence. If this is the project's second non-participation occurrence, the project will be fully rescinded without further Board action and will not return to the Unfunded List (Lack of AB 55 Loans). The bond authority associated with rescinded projects will return to the SFP.

RECOMMENDATIONS

1. Approve Apportionments for the projects as shown on Attachment B in the amount of \$519.4 million.
2. Declare that all applications receiving Apportionments are subject to the new construction grant adjustment pursuant to EC Section 17072.11(b) and are not considered full and final until the Board has made the adjustment.

This Item was approved by the State Allocation Board on April 28, 2021.

ATTACHMENT A

AUTHORITY (as of January 24, 2019)

Education Code Section 17070.35(a) states, "In addition to all other powers and duties as are granted to the board by this chapter, other statutes, or the California Constitution, the board shall do all of the following:

- (1) Adopt rules and regulations, pursuant to the rulemaking provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, for the administration of this chapter...
- (2) Establish and publish any procedures and policies in connection with the administration of this chapter as it deems necessary...."

Government Code Section 15503 states:

Whenever the board is required to make allocations or apportionments under this part, it shall prescribe rules and regulations for the administration of, and not inconsistent with, the act making the appropriation of funds to be allocated or apportioned. The board shall require the procedure, forms, and the submission of any information it may deem necessary or appropriate. Unless otherwise provided in the appropriation act, the board may require that applications for allocations or apportionments be submitted to it for approval.

Budget Letter 10-09 requires that if there are insufficient bond proceeds, departments and agencies are responsible for prioritizing the projects that will be funded consistent with the prioritization criteria outlined (including job creation). It also indicates that if bond proceeds are not managed efficiently, additional bonds may not be sold for the program.

School Facility Program (SFP) Regulation Section 1859.2 states:

'For the purpose of these regulations, the terms set forth below shall have the following meanings, subject to the provisions of the Act:

...

"Unfunded List" means an information list of unfunded projects, with the exception of the unfunded list defined below as "Unfunded List (Lack of AB 55 Loans)".

"Unfunded List (Lack of AB 55 Loans)" means an information list of unfunded projects that was created due to the State's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans) to fund school construction projects as declared in the Department of Finance Budget Letter #33 issued on December 18, 2008."

SFP Regulation Section 1859.90.2, "Priority Funding Process" states:

The priority funding process allows the Board to distribute available funds to districts or charter schools that request, pursuant to (a) or (b) below, as applicable, an Apportionment or an advance release of funds from a Preliminary Apportionment or Preliminary Charter School Apportionment, during specific 30-calendar day filing periods beginning with July 27, 2011 and continuing with the 2nd Wednesday of January and the 2nd Wednesday of July of 2012. Requests submitted during the filing periods described above are valid until the next filing period begins. The specific 30-calendar day filing periods subsequent to 2012 begin with January 9, 2013 and continue

with the 2nd Wednesday of May and the 2nd Wednesday of November, each calendar year. Requests submitted during the filing period beginning with January 9, 2013 are valid until June 30, 2013. Requests submitted during a filing period beginning with the 2nd Wednesday of May are valid from July 1 until December 31 of that year. Requests submitted during a filing period beginning with the 2nd Wednesday in November are valid from January 1 until June 30 of the following year. Requests must be physically received by the OPSC by the 30th calendar day of each filing period to be considered valid.

(a) In order to be considered for an Apportionment, approved advance release of design funds from a Preliminary Charter School Apportionment, or approved advance release of environmental hardship site acquisition funds from a Preliminary Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative that includes each of the project Application numbers, and the type of Apportionment request (e.g., Apportionment, separate Apportionment for design or site acquisition), within the 30-calendar day filing period, and shall contain the following:

(1) Statement that the request is to convert the unfunded approval to an Apportionment or to receive an approved advance release of funds; and

(2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 90 calendar days of Apportionment or approved advance release of funds request, except for a Career Technical Education Facilities Project in (a)(5), and that failure to do so will result in the rescission of the Apportionment or approved advance release of funds request without further Board action; and

(3) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (a)(2); and

(4) Acknowledgement that, if the district submits the Form SAB 50-05 on or after July 1, 2013 and is required to submit an LCP third party report, pursuant to Section 1859.97(b), the report will be submitted to the OPSC and the DIR at least 60 days prior to submitting the Form SAB 50-05; and

(5) For those receiving an Apportionment, acknowledgement that by participating in the priority funding process, the district or charter school is waiving its right to the 18 month timeline for fund release submittal described in Section 1859.90.

(6) For a Career Technical Education Facilities Project that was granted an unfunded approval without the required CDE plan approval and/or required DSA-approved plans and specifications, the applicant's request must include:

(A) Acknowledgement that the applicant must submit the required approval(s) to the OPSC within 12 months from the date of the Apportionment. If the required submittal(s) is not received within 12 months, the Apportionment shall be rescinded without further Board action pursuant to Section 1859.197(c)(1); and

(B) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 90 calendar days of the submittal described in (6)(A) and that failure to do so will result in the rescission of the Apportionment without further Board action; and

(C) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (a)(6)(B).

(b) In order to be considered for an approved advance release of site acquisition funds from a Preliminary Charter School Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative within the 30-calendar day filing period, and shall contain all of the following:

- (1) Statement that the request is to convert the advance release of funds to an approved advance release of funds request; and,
- (2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 180 calendar days of the approved advance release of funds request and that failure to do so will result in the rescission of the approved advance release of funds request without further Board action; and
- (3) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (b)(2); and
- (4) Acknowledgement that it must provide evidence that it has entered into the Charter School Agreements within 90 calendar days of approval of the advance release of funds request and that failure to do so will result in the rescission of the approval without further Board action.

(c) If a district or charter school receives an Apportionment or approved advance release of funds request through the priority funding process, the OPSC must receive a valid, original signature copy of the Form SAB 50-05 within the specified time period, pursuant to (a)(2), (a)(6) or (b)(2), as applicable, and a Grant Agreement, pursuant to (a)(3), (a)(6)(C), or (b)(3), as applicable. Upon submittal of the original signature copy of the Form SAB 50-05, if OPSC determines that the Form SAB 50-05 is not valid, the district will have ten business days to amend the Form SAB 50-05 in order to make the Form SAB 50-05 valid. If the OPSC does not receive a valid, original signature copy of the Form SAB 50-05 within the time period:

- (1) The priority funding Apportionment or approved advance release of funds request shall be rescinded without further Board action, and
- (2) If the Application is not subject to rescission pursuant to Section 1859.90.3(c) as defined in Section 1859.90.3(d), the Application shall return to the Unfunded List (Lack of AB 55 Loans) with a new unfunded approval date that is 90 calendar days from the date of Apportionment or approval of the advance release of funds request.

(d) In the event that the amount of requests received during a specific 30-calendar day filing period exceeds the funds available, the Board shall apportion based on the unfunded approval date and the Application received date up to the available cash from each bond source. Projects that have requested to participate in the priority funding process for which an Apportionment cannot be provided shall retain their date order position on the Unfunded List (Lack of AB 55 Loans). Requests not converted to Apportionments will not be returned to the district or kept by the OPSC.

(e) For purposes of this section “rescinded” or “rescission” shall mean that the Apportionment or approved advance release of funds request returns to unfunded approval status with a new unfunded approval date, except for (a)(5)(A). The new unfunded approval date will be 90 calendar days from the Apportionment date. The district or charter school will not be required to re-submit the Application and no further Application review will be required.

SFP Regulation Section 1859.90.3, “Participation in the Priority Funding Process” states:

This section applies to Applications for funding for new construction, modernization, Overcrowding Relief Grant, Career Technical Education Facilities Program, Facility Hardship pursuant to Section 1859.82 and rehabilitation pursuant to Section 1859.83(e), and Charter School Facilities Program, excluding advance release of design and/or site acquisition funds from a Preliminary Charter School Apportionment.

(a) For each Application on the Unfunded List (Lack of AB 55 Loans) for new construction, modernization, Facility Hardship pursuant to Section 1859.82 or rehabilitation pursuant to Section 1859.83(e), the occurrences of (1) or (2) below shall be limited after the effective date of this regulation section [March 25, 2013]. For each Application on the Unfunded List (Lack of AB 55 Loans) for Overcrowding Relief Grant, Career Technical Education Facilities Program, and Charter School Facilities Program, excluding advance release of design and/or site acquisition funds from a Preliminary Charter School Apportionment, the occurrences of (1) or (2) below shall be limited after the effective date of this regulation section [October 1, 2014]:

(1) The district abstains from participating in a priority funding 30-calendar day filing period described in Section 1859.90.2 for the Application on the Unfunded List (Lack of AB 55 Loans).

(2) The Application receives a priority funding Apportionment pursuant to Section 1859.90.2(a), and the district fails to meet the fund release requirements pursuant to Section 1859.90.2(c).

(b) The first occurrence of (a)(1) or (a)(2) shall result in the following, as applicable:

(1) If (a)(1) occurs, the Application shall retain its place on the Unfunded List (Lack of AB 55 Loans).

(2) If (a)(2) occurs, the priority funding Apportionment shall be rescinded and the Application shall be returned to the Unfunded List (Lack of AB 55 Loans) pursuant to Section 1859.90.2(c)(2).

(c) If subsection (b) has occurred, a subsequent occurrence of either (a)(1) or (a)(2) shall result in the rescission of the Application's Apportionment and/or unfunded approval, as applicable, and the removal of the Application from the Unfunded List (Lack of AB 55 Loans) without further Board action. The Application shall be returned to the applicant.

(d) For purposes of subsection (c), "rescinded" or "rescission" of an unfunded approval shall mean that the bond authority associated with the Apportionment or unfunded approval, as applicable, returns to the appropriate School Facility Program bond authority source for reallocation. If applicable, the pupils housed in the project will be added back to the district's baseline eligibility pursuant to Sections 1859.51(d) for new construction or 1859.61(d) for modernization.

SFP Regulation Section 1859.129(b)(2) states:

Has 18 months from the date the DSA and CDE approved plans were submitted to the OPSC to submit a completed Form SAB 50-05 or the apportionment will be rescinded without further Board action. If the district is requesting an Apportionment pursuant to Section 1859.90.1 or 1859.90.2, the Board will require that this time limit be reduced to no more than 90 days from the date of the apportionment.

SFP Regulation Section 1859.197 (b)(2) states:

Has 18 months from the date the CDE plan approval and DSA-approved plans and specifications, as needed, are submitted to the OPSC to submit a completed Form SAB 50-05 or the Apportionment shall be rescinded without further Board action. If

the district is requesting an Apportionment pursuant to Section 1859.90.1 or 1859.90.2, the Board will require that this time limit be reduced to no more than 90 days from the date of the Apportionment.

STIPULATED TERMS & NEXT STEPS

Pursuant to the Board's action on April 28, 2021, the Applicant is required to submit a complete Fund Release Authorization (Form SAB 50-05) on or before July 27, 2021; otherwise, the apportionment will be rescinded without further Board action and will receive a new Unfunded Approval date of July 27, 2021.

The Form SAB 50-05 must be signed by the designated District Representative and must be received by the Office of Public School Construction prior to 11:59 p.m. on July 27, 2021. The form may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

The Applicant is required to submit a signed Grant Agreement pursuant to School Facility Program Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

The Applicant qualifies for financial hardship pursuant to SFP Regulation Section 1859.81(c)(1). The Applicant has demonstrated it is financially unable to provide all or a part of the matching funds and is levying the developer fees or equal alternative revenue source justified by law. The Applicant's outstanding bonded indebtedness (as of April 15, 2020) is at least 60 percent of its total bonding capacity.

STIPULATED TERMS & NEXT STEPS

Pursuant to School Facility Program (SFP) Regulation Section 1859.197, the Applicant is required to submit the required California Department of Education (CDE) and Division of the State Architect (DSA) plan approval letter(s) to the Office of Public School Construction within 12 months of receiving an Apportionment.

If the required documents are not received prior to 11:59 p.m. on April 28, 2022, the Apportionment shall be rescinded without further Board action.

The Applicant must submit a valid, complete Fund Release Authorization (Form SAB 50-05) within 90 days of OPSC's receipt of the CDE and DSA plan approval letters. The Form SAB 50-05 must be signed by the designated District Representative and must be received by the OPSC prior to 11:59 p.m. on the 90th day.

The above documents may be submitted electronically via OPSC Online or via email to OPSCApplicationReviewTeam@dgs.ca.gov. OPSC will continue to accept hard copy versions that are mailed or hand delivered to OPSC at 707 Third Street, 6th Floor, West Sacramento, CA 95605.

The Applicant is required to submit a signed Grant Agreement pursuant to SFP Regulation Section 1859.90.4 for the project prior to or concurrent with a request for the release of funds.

The state's portion of any and all project savings realized from the funding of a Career Technical Education Facilities Program project must be returned to the state pursuant to SFP Regulation Section 1859.199.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

The Applicant has requested a loan pursuant to School Facility Program Regulation Section 1859.194 to supplement the Applicant's required matching share. The loan agreement shall include interest set at the same rate as the interest earned in the Pooled Money Investment Board as of the date of Apportionment.

The Applicant is required to submit a complete and executed loan agreement within 30 days of the date that the Office of Public School Construction provides the loan agreement to the Applicant.

If the Applicant has requested a loan equal to the Applicant's entire matching share, OPSC will release ten percent of the Career Technical Education Facilities Program grant amount to the applicant within 30 calendar days of the Apportionment pursuant to School Facility Program (SFP) Regulation Section 1859.197.

If the Applicant does not meet the requirements of SFP Regulation Section 1859.197 related to a reservation and the requirements for a release of funds, the Applicant is required to return the amount released, plus interest, in accordance with the repayment provisions identified in SFP Regulation Section 1859.106.1.

<u>Appeal Received Date</u>	<u>District/County</u>	<u>Tentative SAB Date*</u>	<u>Description</u>
10/17/17	San Bernardino City USD/San Bernardino	TBD	District requests OPSC to accept \$870,618 in expenditures for three SFP modernization projects.
5/11/18	Lennox SD/Los Angeles	TBD	District requests that site acquisition funds of \$5,266,001.13 be considered savings as this is an Overcrowded Relief Grant Project.
10/26/20	Grossmont UHSD/San Diego	TBD	District requests that pupil grants not be deducted from its new construction eligibility baseline as a result of cancelling the project with only a site apportionment.
1/20/21	Alisal UESD/Monterey	TBD	District requests that pupil grants not be deducted from its new construction eligibility baseline as a result of cancelling two projects with only site apportionments.
11/17/20	Eastside Union SD/Los Angeles	TBD	District requests to retain savings plus interest from a Financial Hardship new construction project.
12/18/20	Santa Cruz County Office of Education/Santa Cruz	TBD	County Office of Education disagrees with audit findings that the cost associated with construction insurance is an ineligible expenditure.
1/26/21	Paradise USD/Butte	TBD	District requests to establish modernization eligibility using 2018-2019 enrollment on three sites that are no longer existing, update modernization eligibility for a site using 2018-2019 enrollment, and update its new construction eligibility using 2018-2019 enrollment.
2/26/21	Tipton Elementary SD/Tulare	5/2021	District requests to either fund a new construction application based on the 2014-2015 enrollment year, be allowed to resubmit the funding application after occupancy, or as a last alternative, base the pupil grant requests on the 2020-2021 enrollment year.
3/23/2021	San Marcos USD/San Diego	6/2021	District requests to fund a new construction application based on the 2019-2020 enrollment year.

3/31/2021	San Jacinto USD/Riverside	8/2021	District requests a change in scope approval for a new construction project. The change involves constructing a two-story modular building instead of constructing a permanent building.

December 2021*	Monthly (Consent/Appeals/Action)

*The projected dates and time will be determined upon the discussion with the Vice-Chair and Chair based on workload.

The SAB meets in different rooms within the State Capitol at 4:00 p.m. when the State Legislature is in session and at 2:00 p.m. when the State Legislature is out on recess. Due to scheduling changes within the Legislature, some of the SAB meetings may be canceled or changed with short notice.

INFORMATION ITEM

SCHOOL FACILITY PROGRAM NEW CONSTRUCTION AND MODERNIZATION UNFUNDED LIST (as of March 24, 2021)

The New Construction and Modernization projects on this list have received an “unfunded” approval by the State Allocation Board (SAB). Note that an “unfunded” approval does not guarantee a future apportionment by the SAB.

Published monthly in the SAB Agenda.

DENIED EXTENSION REQUESTS

Alpaugh Unified School District	The District requested a time extension to submit the final Expenditure Report to OPSC. The delay is due to staff turnover and not COVID-19 related; OPSC worked with District through the regular time extension request process.
Anaheim Union High School District	The District did not hire a cost estimator until after receiving the 15-day letter request from OPSC. A detail cost estimate is part of a complete application acceptance.
Glenn County Office of Education	District applied for funding in the 6th round of CTE. The architect's cost estimate included lump sums. The 15-Day letter sent July 3, 2020 requested it to be broken out. The extension request to November 2nd is well after the anticipated September 2020. funding round.
Greenfield Union Elementary School District	Change of scope requested for a Full-Day Kindergarten project. A 2-year extension was requested. Request was denied because it was the subject of an appeal that OPSC cannot administratively approve.
Hilmar Unified School District	The project was delayed due to the District and its advisory committee to change the of scope of the project as a result of additional local funds being available. The

	project was approved by the State Allocation Board in May 2019, well before the start of the COVID-19 pandemic.
Hollister Elementary School District	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.
Island Union Elementary School District	This project was apportioned in October 2018 for Advanced Design. District had one year to obtain DSA approval of plans. At the time of the extension request, the District still had three months to obtain DSA approval.
Lagunita Elementary School District	The project was funded in November 2018 and requested a Substantial Progress extension. The request was denied because the reason for the delay is a local funding/priorities issue. The District can also already request a Substantial Progress deadline extension under "other evidence" if needed.
Los Angeles Unified School District	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.
Moreno Valley Unified School District	The District requested a time extension to decide how to respond to OPSC's 4-Day Letter for a CTE project. The District needed to determine how to address the need for an increase in the grant request after the application was scored by CDE. OPSC does not allow for cost increases beyond those already reviewed by CDE.
Oakland Unified - Eres Academy	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.
San Bernardino City Unified School District	The District is only one year into project construction. The District requested a 5th year to complete project (3 years in advance of deadline). Denied at this time; the request is premature.
Santa Ana Unified School District	Project was approved in May 2019. The District did not participate in the Priority Funding (PF) Process in Fall 2019 and incurred one non-participation occurrence. The District participated in the PF process in Fall PF 2019 and was apportioned at the May 2020 SAB. Plans should have been well underway for design prior to COVID-19 pandemic. At the time of the request, the District still had 11 months to design and obtain approval from DSA.
Vacaville Unified School District	The request was not COVID-19 related. OPSC worked with District through the regular time extension request process.

Section 1859.81. Financial Hardship.

Except for Joint-Use Projects and Career Technical Education Facilities Projects, a district is eligible for financial hardship to fund all or a portion of its matching share requirement after demonstrating the requirements of (a), (c), and (d) below:

(a) The district is financially unable to provide all necessary matching funds for an eligible project. To determine this, an analysis shall be made of the district's financial records by the OPSC including data and records maintained by the CDE and the County Office of Education. The analysis shall consist of a review of the district's latest Independent Audit regarding funds available from all capital facility accounts, including, but not limited to, developer fees, funds generated from capital facility certificates of participation, federal grants, redevelopment funds, sale proceeds from surplus property, the appraised value of facilities approved for replacement pursuant to Section 1859.82, bond funds either encumbered, unencumbered or authorized but unsold, and savings from other SFP projects. All funds thus identified that have not been expended or encumbered by a contractual agreement for a specific capital outlay purpose prior to the initial request for financial hardship status shall be deemed available as a matching contribution.

After the initial request for financial hardship status is granted, no further encumbrances will be approved by the OPSC and all prospective revenue made available to the district's capital facility accounts shall be deemed available as matching contribution on the subsequent financial hardship review, with the exception of:

- (1) Approved interim housing expenditures.
- (2) Funding to pay for previously recognized multi-year encumbrances approved at the initial financial hardship approval.
- (3) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Federal Renovation Program when the amount expended out of that fund does not exceed the maximum Federal Renovation Grant amount.
- (4) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the School Facilities Needs Assessment Grant Program or Emergency Repair Program when the amount expended out of that fund does not exceed the maximum grant amount apportioned.
- (5) Funding that is transferred into a Special Reserve Fund and is used for the express purpose of the Career Technical Education Facilities Program when the amount expended out of that fund does not exceed the applicant's share of the maximum grant amount apportioned.
- (6) Funding that is transferred into a Special Reserve Fund and used for the express purpose of the Overcrowding Relief Grant when the amount expended out of that fund does not exceed the amount of the site acquisition and design costs of the project and the district has submitted an approved Form SAB 50-11.
- (7) Funding that is used for the express purpose of reimbursing the State a proportionate share of financial hardship received when there has been a transfer of a special education program and title to the facility. In addition, the funding was used within five years of the title transfer.
- (8) Funding to pay for obtaining a structural report pursuant to Section 1859.82.2 for an approvable and funded seismic mitigation project.
- (9) All other capital facility funding for a period of three years when no subsequent financial hardship request is made during this period, with the exception of the funding identified in (6). The three-year period begins with the date of the most recent financial hardship new construction or modernization adjusted grant funding apportionment.

When Overcrowding Relief Grant funding is set aside pursuant to (6) and the School District has not submitted, or the OPSC has not accepted, a Form SAB 50-04 for an Overcrowding Relief Grant within three years from the date of deposit into the Special Reserve Fund, or the School District has not met the requirements in Sections 1859.90 or 1859.105, remaining funds plus interest accrued at the Pooled Money Investment Board rate at that time period shall be deemed available as matching contribution on a subsequent financial hardship project or be captured through an audit adjustment pursuant to Section 1859.106.

The financial hardship analysis is subject to approval by the Board.

(b) From the funds deemed available as a matching contribution, the district may retain \$19,776 per classroom in each enrollment reporting period for the cost to provide interim housing for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing for the currently unhoused pupils shall be the sum of the positive numbers determined in (b)(7) as follows:

(1) Determine the current enrollment of the district by grade level as shown on the latest Form SAB 50-01.

(2) Determine the New Construction Grants apportioned by grade level for all SFP projects and LPP funded under the provisions of Sections 1859.12 or 1859.13 where the district has submitted Form SAB 50-06 indicating that the project is 100 percent complete.

(3) Subtract (b)(2) from (b)(1).

(4) Determine the number of classrooms by grade level reported in Part 1, Line 8 on Form SAB 50-02.

(5) Multiply the classrooms determined in (b)(4) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe.

(6) Subtract the product determined in (b)(5) from the difference determined in (b)(3) by grade level.

(7) Divide the difference by grade level determined in (b)(6) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per portable toilet unit in each reporting period for the cost to provide necessary interim toilet facilities for the currently unhoused pupils of the district. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of toilet facilities needed for interim housing shall be the sum of the positive numbers determined in (b)(7) divided by eight rounded up to the nearest whole number.

From the funds deemed available as a matching contribution, the district may also retain \$19,776 per classroom in each reporting period for the cost to provide necessary interim housing for the currently unhoused pupils displaced as a result of a SAB approved seismic mitigation project pursuant to Section 1859.82.2. The amount shown shall be adjusted annually in the manner prescribed in Section 1859.71. The number of classrooms needed for interim housing shall be the quotient of the displaced pupils by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

If the district's available funds, as determined by the OPSC analysis less costs for interim housing, is less than its matching share, the district will be deemed to have met the requirements of this Subsection.

(c) The district has made all reasonable efforts to fund its matching share of the project by demonstrating it is levying the developer fee justified under law or an alternative revenue source equal to or greater than the developer fee otherwise justified under law at the time of request for hardship and the district meets at least one of the following:

(1) The current outstanding bonded indebtedness of the district issued for the purpose of constructing school facilities in accordance with Education Code Section 17072.35 or 17074.25 as appropriate, at the time of request for financial hardship status, is at least 60 percent of the district's total bonding capacity. Outstanding bonded indebtedness includes that part of general obligation bonds, Mello-Roos Bonds, School Facility Improvement District Bonds and certificates of participation which the district is paying a debt service that was issued for capital outlay school facility purposes.

(2) The district had a successful registered voter bond election for at least the maximum amount allowed under Proposition 39 within the previous two years from the date of request for financial hardship status. The proceeds from the bond election that represent the maximum amount allowed under the provisions of Proposition 39 must be used to fund the district's matching share requirement for SFP project(s).

(3) It is a County Superintendent of Schools.

(4) The district's total bonding capacity at the time of the request for financial hardship status is \$5 million or less.

(5) Other evidence of reasonable effort as approved by the SAB.

If the district's request for financial hardship status is denied by the Board, the district may be deemed eligible for rental payments of \$2,000 per year per classroom under the Emergency School Classroom Law of 1979 for a two year period when relocatable classroom buildings are available and the district provides financial documentation that it is unable to afford the full rental amount and any other information satisfactory to the Board that the rental reduction is necessary. The number of classrooms eligible for the \$2,000 rental payments shall be the sum of the numbers determined in (c)(5)(B) as follows:

(A) Determine the number of pupils by grade level that the district requested a New Construction Grant on the Form SAB 50-04 that were denied financial hardship status.

(B) Divide the number by grade level determined in (c)(5)(A) by 25 for K-6, 27 for 7-12, 13 for Non-Severe and 9 for Severe and round up to the nearest whole number.

(d) The district has not signed a contract for acquisition or construction of classrooms that replace existing facility(ies), which were included in the determination of the district's new construction eligibility pursuant to Education Code Section 17071.75, in a locally funded project during the five-year period immediately preceding the district's application for financial hardship assistance. This restriction may be lifted if the Board finds that unforeseen and extenuating circumstances existed that required the district to use local funds to replace the facility(ies).

(e) If the district meets the financial hardship requirements in this Section, the amount of financial hardship is equal to the district's matching share less funds deemed available in (a).

(1) Once a district has been notified by OPSC that it meets the requirements of financial hardship in this Section, the district may file Form SAB 50-04 under the

provisions of financial hardship anytime within a period of 180 calendar days from the date of the OPSC notification.

(2) If the district does not submit Form SAB 50-04 under the provisions of financial hardship within 180 calendar days of the OPSC notification of approval of financial hardship status, the district must re-qualify for financial hardship status under the provisions of this Section by submittal of a new request for financial hardship status.

(3) If the project(s) has been included on an unfunded list for more than 180 calendar days, a review of the district's funds pursuant to (a) will be made to determine if additional district funds are available to fund the district's matching share of the project(s).

Financial hardship approval status by the OPSC for a separate design and/or site apportionment does not apply to any subsequent funding for the project(s).

(f) If the district submits Form SAB 50-04 within 180 calendar days of the OPSC notification of approval of financial hardship and the project(s) has been included on the "Unfunded List (Lack of AB 55 Loans)" for more than 180 calendar days as a result of the State of California's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans), the Board may suspend the unfunded review requirement as defined in Regulation Section 1859.81(e). Projects added to any other unfunded list shall be subject to the review detailed in Regulation Section 1859.81(e). Regulation Section 1859.81(f) shall become inoperative July 1, 2011.

(g) A project added to an unfunded list on or after July 1, 2011 will be subject to the review detailed in section (e)(3). For projects added to an unfunded list between February 25, 2009 and June 30, 2011, only the district's financial records on or after July 1, 2011 will be considered in calculating any adjustment to the district's matching share.

(h) On or after September 22, 2017, a district may submit a request for funding in advance of obtaining a determination of Financial Hardship.

(1) To be considered for Financial Hardship, the district must check the box on the Form SAB 50-04 requesting Financial Hardship pursuant to this subsection when submitting a request for funding.

(2) Prior to processing an application OPSC will notify the district in writing to submit the necessary documentation for a Financial Hardship analysis pursuant to (a), (b), (c) and (d). OPSC will not accept any documents for a Financial Hardship analysis in advance of the notification. Failure to submit the requested documentation within 60 calendar days of OPSC's notification will result in either a. or b.:

a. District may amend their Form SAB 50-04 to exclude the request for Financial Hardship determination.

b. OPSC will return the request for funding and related materials to the district.

(3) Upon notification of Financial Hardship approval, any Form SAB 50-04 processed within 180 calendar days of the approval date will be included in the approval.

(4) For any Form SAB 50-04 processed more than 180 calendar days after the date of the Financial Hardship approval the district shall re-qualify for Financial Hardship status.
