## **EXECUTIVE OFFICER'S STATEMENT**

The Executive Officer informed the SAB of the following:

### Stakeholder Meetings

Since the February 26, 2025 SAB meeting, OPSC has held two stakeholder meetings, primarily focused on gathering input toward implementation of various provisions of Proposition 2.

On March 13, 2025, OPSC held its fifth stakeholder meeting to discuss proposed regulatory amendments and considerations to implement the following topics from Proposition 2:

- School Facility Program (SFP) Matching Shares
- Career Technical Education (CTE) Supplemental Grant for Modernization Projects

In addition, OPSC presented non-Proposition 2 SFP Global Amendments to the regulations.

At this meeting, 70 unique stakeholders joined on Zoom, and three stakeholders attended in-person at OPSC's office in West Sacramento. OPSC will conduct an additional stakeholder meeting regarding the CTE Supplemental Grant for Modernization projects and the SFP Global Amendments topics. OPSC anticipates presenting proposed regulatory amendments on SFP Matching Shares at the May 28, 2025 SAB meeting.

Stakeholders may submit feedback on these topics to [OPSCCommunications@dgs.ca.gov](mailto:OPSCCommunications@dgs.ca.gov) until the close of business on March 28, 2025.

On March 20, 2025, OPSC conducted a sixth stakeholder meeting to discuss the following subject unrelated to Proposition 2:

- Changes to the Facility Hardship and Seismic Mitigation Program regulations to ensure clarity and consistency.

## **EXECUTIVE OFFICER'S STATEMENT** (cont.)

### Stakeholder Meetings (cont.)

Stakeholders may submit feedback on these topics to [OPSCCommunications@dgs.ca.gov](mailto:OPSCCommunications@dgs.ca.gov) until the close of business on April 4, 2025 to have their input considered for subsequent stakeholder meetings scheduled on these topics.

Details of upcoming stakeholder meetings will continue to be announced in email blasts to school districts and stakeholders.

### Career Technical Education Funding Program Round 7

Proposition 2 provided \$600 million for the Career Technical Education Facilities Program (CTEFP). In coordination with the CDE, OPSC proposes \$300 million be made available for the seventh filing round of the CTEFP. An eighth filing round will be announced at a later date.

OPSC will present recommendations to the SAB at the April 2025 meeting to finalize the deadlines and the amount of funding available for the upcoming filing round. At this time, OPSC proposes that applicants submit a Grant Application to the CDE by December 1, 2025. The CTEFP plans must be reviewed by the CDE, contain all mandatory elements required by the CDE, and receive a score of at least 105 points to be eligible for funding. OPSC further proposes that upon receipt of a passing score, applicants would submit the *Application for Career Technical Education Facilities Funding* (Form SAB 50-10) to OPSC by close of business on June 30, 2026.

Applicants are encouraged to use the OPSC Online application found at this link: [Form SAB 50-10 Application for Career Technical Education Facilities Funding](#)

### Wildfire Assistance

At the February 26, 2025 Board meeting, the SAB approved staff's recommendations to provide assistance to school districts impacted by the January 2025 Southern California fires. The SAB approved the following recommendations:

1. Reserve remaining General Fund authority to support the SAB's ability to consider providing direct apportionments to school districts directly impacted by the January 2025 wildfires that submit funding requests under Proposition 2 disaster assistance provisions by August 31, 2025.
2. Specify that any amount of General Fund authority remaining after the SAB has considered applications for disaster assistance funding submitted by August 31, 2025, should be apportioned to other SFP projects by December 31, 2025.

OPSC has informed impacted school districts of the SAB's recent action and advised them they may submit an application for assistance using the *School District Appeal Request* (Form SAB 189) which may be found here: [School District Appeal Request \(Form SAB 189\)](#).

**EXECUTIVE OFFICER'S STATEMENT** (cont.)**Next Meeting**

The next meeting is scheduled for Wednesday, April 23, 2025. The time and location of the meeting will be determined and announced at a later date.

# Executive Officer Statement

EXECUTIVE OFFICER STATEMENT  
State Allocation Board Meeting, April 23, 2025

**STAKEHOLDER MEETINGS**

Since the March 26, 2025 State Allocation Board (Board) meeting, the Office of Public School Construction (OPSC) has held three stakeholder meetings focused on gathering input toward implementation of various provisions of Proposition 2.

On April 3, 2025, OPSC held its seventh stakeholder meeting to discuss proposed regulatory amendments and considerations to implement the following topics from Proposition 2:

- 75-Year Old Buildings Supplemental Grant
- Minimum Essential Facilities (MEF) Supplemental Grant
- Transitional Kindergarten Supplemental Grant

At this meeting, 71 unique stakeholders joined on Zoom, and two stakeholders attended in-person at OPSC's office in West Sacramento.

On April 10, OPSC conducted an eighth stakeholder meeting to discuss the following:

- Interim Housing and Natural Disaster Assistance
- Five-Year School Facilities Master Plan

At this meeting, 59 unique stakeholders joined on Zoom, and 2 stakeholders attended in-person at OPSC's office in West Sacramento.

Stakeholders may submit feedback on this topic to [OPSCCommunications@dgs.ca.gov](mailto:OPSCCommunications@dgs.ca.gov) until the close of business on April 25, 2025 to have their input considered for subsequent stakeholder meetings on this topic.

On April 17, OPSC conducted a ninth stakeholder meeting to discuss the following:

- Small Size School District Program
- Energy Efficiency Supplemental Grant for Modernization

Stakeholders may submit feedback on the Small Size School District Program and Energy Efficiency Supplemental Grant for Modernization to [OPSCCommunications@dgs.ca.gov](mailto:OPSCCommunications@dgs.ca.gov) until the close of business on May 2, 2025 to have their input considered for subsequent stakeholder meetings on these topics.

In addition, the California Department of Education (CDE) discussed implementation of the state augmentation of the Federal Supporting America's School Infrastructure (SASI) Grant Program for Priority School Districts.

Stakeholders may submit feedback on this topic until the close of business on May 2, 2025 to CDE's School Facilities and Transportation Services Division at [priorityschoolsdistricts@cde.ca.gov](mailto:priorityschoolsdistricts@cde.ca.gov).

Details of upcoming stakeholder meetings will continue to be announced in email blasts to school districts and stakeholders.

### **EMERGENCY REGULATORY AMENDMENTS FOR THE SCHOOL FACILITY PROGRAM/PROPOSITION 2 IMPLEMENTATION**

At its meeting on March 26, 2025, the Board approved staff recommendations for the adoption of School Facility Program (SFP) regulatory amendments, on an emergency basis, specific to the Proposition 2 topics of:

- Financial Hardship
- Modernization Eligibility for Schools Located on Military Installations
- New Construction Eligibility for Small School Districts
- Eligible Expenditures

The regulatory amendments are currently in the process of submission to the Office of Administrative Law (OAL). Once OAL posts the notice of the filing, there will be an opportunity for public comment of five calendar days on its website.

### **CHARTER SCHOOL FACILITIES PROGRAM WEBINAR**

As previously announced, the Charter School Facilities Program (CSFP) filing round will open and applications will be accepted beginning **July 3, 2025**, and can be submitted until the round closes on **October 30, 2025, at 11:59 p.m.** Applications must be submitted through the OPSC Online Application. Applications received after 11:59 p.m. on October 30, 2025, will not be valid.

In advance of the round opening, OPSC conducted a free webinar for potential applicants on March 25, 2025. The webinar was recorded and is available on both OPSC's webpage and [YouTube](#) page.

For additional information, please refer to the [Charter School Facilities Program webpage](#).

### **NEXT MEETING**

The next meeting is scheduled for Wednesday, May 28, 2025. The time and location of the meeting will be determined and announced at a later date.

State Allocation Board

## SCHOOL FACILITY PROGRAM

This Resolution of the State Allocation Board (hereafter referred to as the "Board") is applicable to the appropriate sections of the Education Code and is described and filed in the office of the Executive Officer and will be made available to all interested parties as the Resolution pertains to the documents attached hereto. Said documents were acted upon by the Board at its meeting on April 23, 2025.

WHEREAS, the Board has previously approved or determined to be approvable a number of projects for construction or modernization eligibility of facilities for school districts and is making apportionments and/or unfunded approvals for the grant amounts for projects that meet the Board's criteria for the apportionment of grants pursuant to Education Code Sections 17072.10, 17078.52, 17078.70, 17079 or 17074.10 or Board Regulations 1859.81.1 or 1859.83;

WHEREAS, Treasury Regulations Section 1.150-2 require the State (on whose behalf the Board is acting) to declare its reasonable intent to provide grant funding to school districts, in accordance with Board policy and law, for costs of the projects with proceeds of State bonds.

NOW THEREFORE, BE IT RESOLVED:

1. This Resolution is adopted by the Board for the purposes of establishing compliance with Treasury Regulations Section 1.150-2 and this Resolution does not bind the Board to make any additional apportionment or bind the State to incur any indebtedness.
2. The Board anticipates that some or all of the school districts listed on the list of "Projects" referred to in this Resolution will pay certain capital expenditures in connection with some or all of the project's cost prior to the issuance of bonds by the State to pay for the grants for the projects. The reimbursement of such costs is consistent with the State's budgetary and financial circumstances, and in accordance with Board policy, as no other funds or accounts of the State have been budgeted or are available to pay the costs of the projects on either a short-term or a long-term basis.
3. The Board, acting on behalf of the State, hereby declares that it is the State's official intent to use proceeds of general obligation bonds and/or General Fund proceeds that may become available for such purpose, consistent with the requirements of law that are in effect at the time the funds are available, to provide grants, in accordance with applicable, laws and regulations.
4. This Resolution shall be continuously available for inspection by the general public during normal business hours at the offices of the Board at 707 3<sup>rd</sup> Street, West Sacramento, California, commencing within one week after the date of enactment of this Resolution.
5. Any eligibility determination does not constitute a commitment of future funding by the Board.

I, the undersigned, duly authorized as the Executive Officer of the State Allocation Board, do hereby certify the foregoing to be true and correct, and that this Resolution was adopted at a meeting of said Board on April 23, 2025 at Sacramento, California.

Rebecca Kirk  
Executive Officer  
State Allocation Board

## **SCHOOL FACILITY PROGRAM ELIGIBILITY ESTABLISHMENTS**

### **PURPOSE OF REPORT**

To present the Districts' requests for School Facility Program (SFP) eligibility approval.

### **DESCRIPTION**

The school districts shown in the following sections have complied with State Allocation Board (Board) regulations regarding new construction or modernization eligibility determinations for the projects listed.

### **RECOMMENDATIONS**

1. Approve the eligibility determinations for the districts/projects shown on the Attachment.
2. Provide that this approval of eligibility determination for the districts/projects listed does not constitute a commitment for future funding by the Board.
3. For purposes of any application for funding, provide that the district must comply with all requirements of law and regulations pertaining to the SFP.

## **SCHOOL FACILITY PROGRAM ELIGIBILITY ADJUSTMENTS**

### **PURPOSE OF REPORT**

To adjust the baseline eligibility for new construction and modernization projects under the Leroy F. Greene School Facilities Act of 1998.

### **DESCRIPTION**

The districts listed on Attachment A have received eligibility approval for new construction. There has been a change in their baseline in accordance with the California Code of Regulations relating to the Leroy F. Greene School Facilities Act of 1998, Section 1859.51.

The districts listed on Attachment B have received eligibility approval for modernization. There has been a change in their baseline in accordance with the California Code of Regulations relating to the Leroy F. Greene School Facilities Act of 1998, Section 1859.61.

### **RECOMMENDATIONS**

1. Approve an adjustment to the new construction eligibility baseline determination as shown on Attachment A.
2. Approve an adjustment to the modernization eligibility baseline determination as shown on Attachment B.
3. Provide that this approval of adjusted eligibility determination does not constitute a commitment for future funding by the State Allocation Board.

## **KEY TO ADJUSTMENTS**

### **NEW CONSTRUCTION ONLY**

- (a) Reduced by the number of pupils provided grants in a new construction School Facility Program (SFP) project and by the number of pupils that received a Preliminary Apportionment pursuant to Section 1859.140 or a Preliminary Charter School Apportionment pursuant to Regulation Section 1859.162.2.
- (b) Reduced by the number of pupils housed, based on the loading standards pursuant to Ed. Code Section 17071.25(a)(2)(A), in a new construction LPP project funded under the provisions of the LPP pursuant to Regulation Section 1859.12 or 1859.13.
- (c) Reduced by the number of pupils housed in additional classrooms constructed or purchased based on the loading standards, pursuant to Ed. Code Section 17071.25(a)(2)(A), in a modernization SFP project.
- (d) Adjusted as a result of audit findings made pursuant to Regulation Sections 1859.90 and 1859.105.
- (e) Increased/decreased by changes in projected enrollment in subsequent enrollment reporting years, except as provided in (j) below.
- (f) Adjusted as a result of errors or omissions by the district or by the Office of Public School Construction (OPSC).
- (g) Adjusted as result of amendments to the SFP Regulations that affect the eligibility.
- (h) Increased by the number of pupils eligible for grants pursuant to Regulation Section 1859.82.1(b)(4)(A) or 1859.82.2(b)(4)(A).
- (i) Reduced by the number of pupils housed in classrooms provided after the baseline eligibility was determined by the State Allocation Board, with 12 exceptions at Regulation Section 1859.51(i).
- (j) For Small School Districts, following a 3-year period after the district's eligibility was approved by the Board, decreased by any reduction in projected enrollment, and by any increase in pupils in the latest CDE operational grant report per Ed. Code Sec. 42268.
- (k) Adjusted for any changes in classroom inventory as a result of a reorganization election.
- (l) For classroom loading standards adopted by the Board for non-severely and severely disabled individuals with exceptional needs.
- (m) As directed by the SAB due to finding a Material Inaccuracy pursuant to Section 1859.104.1.
- (n) Increased by the number of pupils that received a Preliminary Apportionment that was rescinded pursuant to Section 1859.148 or a Preliminary Charter School Apportionment that was rescinded pursuant to Section 1859.166.
- (o) Adjusted for operational grant changes as determined/provided by the California Department of Education.
- (p) For High School Attendance Area (HSAA) districts with Preliminary Apportionments within the 2002 or 2004 Critically Overcrowded School Facilities Account, adjusted in accordance with Regulation Section 1859.51(p)(1), (2), or (3).
- (q) Adjusted by the difference between the Alternative Enrollment Projection for the current enrollment reporting year and the projected enrollment determined pursuant to Section 1859.42 for the current enrollment reporting year, or by the eligibility remaining from this calculation that can no longer be utilized if the funds made available pursuant to EC Section 17071.75(a)(1)(A) have been exhausted.
- (r) Adjusted per Ed. Code Sec. 17071.75(b)(2) by the number of pupils housed, based on the loading standards per Ed. Code Sec. 17071.25(a)(2)(A), in any classroom(s) where title was relinquished to the School District receiving the transferred classrooms.
- (s) Increased by the capacity of classrooms included in an approved application, with two qualifiers that must be met in Regulation Section 1859.51(s).

## **KEY TO ADJUSTMENTS**

### **MODERNIZATION ONLY**

- (a) Reduced by the number of pupils provided grants in a modernization SFP project or CSFP Rehabilitation project at the specific site.
- (b) Reduced by the number of pupils housed, based on the loading standard pursuant to EC Section 17071.25(a)(2), in a modernization LPP project funded under the LPP pursuant to Regulation Section 1859.14 and 1859.15.
- (c) Increased by changes in projected enrollment in subsequent enrollment reporting years.
- (d) (1) Increased for additional facilities not previously modernized with State funds, that become 25 years old, if permanent, or 20 years old, if portable or, (2) as a result of audit findings made pursuant to Regulation Sections 1859.90 and 1859.105.
- (e) Adjusted as a result of errors or omissions by the district or by the OPSC.
- (f) Adjusted as result of amendments to the Subgroup 5.5 Regulations that affect the eligibility.
- (g) For classroom loading standards adopted by the Board for non-severely and severely disabled individuals with exceptional needs.
- (h) As directed by the SAB due to finding a Material Inaccuracy pursuant to Regulation Section 1859.104.1.
- (i) Increased for facilities previously modernized with State funds, which qualify for an additional modernization apportionment pursuant to Regulation Section 1859.78.8.
- (j) Adjusted as a result of the Reconfiguration of an existing high school under the Small High School Program.
- (k) Decreased for facilities that were deemed eligible for modernization pursuant to Regulation Sections 1859.60 and 1859.61(d) and subsequently replaced, or will be replaced under a signed contract for construction or acquisition of facilities, in a project funded by the district without participation from the State.
- (l) Adjusted as a result of replaced eligible portables funded with the Overcrowding Relief Grant, per Ed. Code Section 17079 et seq.
- (m) Adjusted upon Board approval of the local school board resolution acknowledging that the buildings have been removed from K-12 use.
- (n) (1) Adjusted for a Facility Hardship or Seismic Mitigation replacement project pursuant to Regulation Section 1859.61(l)(1) or, (2) Adjusted for a Facility Hardship or Seismic Mitigation replacement project pursuant to Regulation Section 1859.61(l)(2).

STIPULATED TERMS & NEXT STEPS
-------------------------------

Pursuant to School Facility Program Regulation Section 1859.90, the Office of Public School Construction will release the apportioned funds to the Applicant within 30 calendar days from the receipt of an executed Grant Agreement for the project. The executed Grant Agreement must be signed an authorized District Representative and must be received by the Office of Public School Construction within 365 calendar days and prior to 11:59p.m. of the Board's approval of the Apportionment. The signed form may be submitted electronically via OPSC Online or via email to [OPSCApplicationReviewTeam@dgs.ca.gov](mailto:OPSCApplicationReviewTeam@dgs.ca.gov).

Failure to submit an executed Grant Agreement within 365 days of the Board's approval will result in the Apportionment being rescinded without further Board action.

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

The Applicant qualifies for financial hardship pursuant to School Facility Program Regulation Section 1859.81(c)(5). The Applicant qualifies for financial hardship using other evidence of reasonable effort as approved by the Board on February 26, 2025.

The projects listed on the Attachment represent SFP New Construction, Modernization, Charter School and/or Overcrowding Relief Grant projects in date order of a complete application being received by the Office of Public School Construction (OPSC).

### **AUTHORITY**

SFP Regulation Section 1859.2 defines an Unfunded List (Lack of AB 55 Loans) as an information list of unfunded projects that was created due to the State's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans) to fund school construction projects as declared in the Department of Finance Budget Letter #33 issued on December 18, 2008.

SFP Regulation Section 1859.95 states:

"When the Board has no funds to apportion ..., the Board will also accept and process applications for apportionment for purposes of developing an Unfunded List based on the date the application is Ready for Apportionment, with the exception of New Construction funding applications that utilize eligibility generated by the Alternative Enrollment Projection.

...

An application for funding included on an Unfunded List is eligible for reimbursement subject to adjustments in the New Construction Grants amount pursuant to Section 1859.77."

**BACKGROUND**

At the March 11, 2009 SAB meeting, the Board requested that Staff continue to process applications to the Board for unfunded approval, up to the bonding authority. The Attachment reflects applications being presented for unfunded approval, including SFP modernization and new construction projects in date order of a complete application being received by the OPSC. The list also includes health and safety facility hardship applications for funding that have been processed and are ready for approval regardless of received date. The unfunded approval of the applications as reflected on the Attachment does not constitute a guarantee of future funding.

**RECOMMENDATIONS**

1. Approve the SFP application(s) as presented on the Attachment.
2. Provide that these unfunded approvals do not constitute a guarantee of future funding.

## FACILITY HARDSHIP / REHABILITATION PROGRAM

### SCHOOL DISTRICT DATA

School District: Rowland Unified  
Application Number: 51/73452-00-001  
Total District Enrollment: 13,052  
County: Los Angeles

School Name: Nogales High  
Project Grade Level: 9-12  
Financial Hardship: No

### TYPE OF REQUEST

State Allocation Board (Board) for placement on the Unfunded List (Lack of AB 55 Loans) for a School Facility Program (SFP) Facility Hardship Program (FHP) Replacement project.

Total Project Cost: \$5,866,914.00  
Cost to the State: \$2,933,457.00

### DESCRIPTION

#### DESCRIPTION OF HEALTH AND SAFETY THREAT

A structural evaluation of Building F on the Nogales High Site, prepared by Hohbach-Lewin, Inc., Structural and Civil Engineers, and dated April 8, 2020, reported several structural deficiencies including signs of structural distress and foundation settlement, significant cracks and distortion of the interior floor slab in several locations, and exterior walks that appear to be sloping excessively away from the building, apparently due to differential settlement, as well as a potential stability deficiency in the supporting brick walls. The report notes that the differential settlement causes internal stresses in the framing and foundations of the building that may lead to excessive stress and displacement and even collapse during strong earthquakes. It concludes that the cost to retrofit the building would be excessive and that the end result would still not meet current building standards. A supplemental geotechnical investigation prepared by Harrington Geotechnical Engineering, Inc., dated March 15, 2022, also concludes that the rehabilitation of the existing Building F is not feasible from a geotechnical engineering standpoint.

#### SCOPE OF PROJECT

The scope of this project includes the demolition of Building F and the construction of a new classroom and shower/locker room building.

The plan set for this project includes work beyond the scope of this FHP Replacement application and is associated with SFP modernization application 57/73452-00-035 as well as a net gain of 1,544 square feet. Therefore, the grants provided in this application are limited to the replacement square footage eligible for FHP funding.

## STATUS OF SCHOOL SITE

The District awarded the construction contract for this project in May 2024 and the Notice to Proceed has been issued. Construction of the new building is expected to be complete no later than January 2026. The District received the hazards assessment for the demolition of Building F in December of 2024 and expects to contract for demolition in 2025.

## QUALIFYING CRITERIA

### GOVERNMENT/STATE LEVEL OCCURENCE

In a letter dated July 18, 2023, DSA provided concurrence that Building F in its current condition is a health and safety risk to those using the building and that repair and rehabilitation of Building F is not feasible.

Staff Supports the District's Request: Yes

### SITE VISIT COMPLETED BY STAFF

Staff accepted detailed reports from an industry specialist and photographs in lieu of a site visit.

### AUTHORITY

See Attachment A

### RECOMMENDATIONS

1. Approve the District's request for an unfunded approval for Replacement funding for the replacement of Building F at the Nogales High School site, pursuant to SFP Regulation Section 1859.82.1(b) as shown on Attachment B.
2. Provide that the District's Modernization eligibility will be reset for Building F to the date of Apportionment for this project.

**AUTHORITY**

**Facility Hardship Program – Replacement Project**

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.1 states that “a district is eligible for Facility Hardship funding to repair, replace, or construct School Buildings or related required components that are currently causing a health and safety threat to the students and/or staff. Projects solely to replace components that have reached the end of their useful life, perform routine maintenance or repair, issues resulting from the deferment of routine maintenance or repair, lack of current code compliance, or the addition of components that were not previously existing, do not meet the qualifying criteria of the program. However, this work may be incorporated into a qualifying Facility Hardship application if it is required to be completed to gain DSA approval.”

SFP Regulation Section 1859.82.1(b) states in part, “To qualify for replacement funding for School Buildings, the district must submit an Approved Application for funding and either (1) or (2) below:

- (1) For School Buildings that are lost, destroyed, or unable to be repaired, ...
- (2) For permanent School Buildings where the cost to rehabilitate the School Building(s) exceeds 50 percent of the Current Replacement Cost, or for Portable Classrooms where the cost to rehabilitate exceeds the Portable Classroom Replacement Grant or Portable Toilet Replacement Grant....”

SFP Regulation Section 1859.82.1(b) further states, “If the district qualifies to replace some but not all School Buildings on the project site, funding will be based on the Square Footage of the School Buildings replaced and is capped by the lesser of the amount provided in accordance to the chart below....”

SFP Regulation Section 1859.82.1(f) states that “Districts that qualify for Financial Hardship assistance may file an application for design funding, site funding, and determination of program eligibility in advance of construction funding.”

## ATTACHMENT A

SFP Regulation Section 1859.82.1(f) further states in part:

...

(5) The district is required to submit an Approved Application for funding and an updated Form SAB 58-01 for projects funded in accordance to 1859.82.1(c) or site development worksheet for projects funded in accordance

to 1859.82.1(b), that reflects the final approved drawings for the project within:

(A) 18 months from the date of Apportionment if the project scope will be for repair or replacement on the same site.

(B) 24 months from the date of Apportionment if the project scope is for the replacement of School Building(s) which will be located on a replacement site.

(6) If the district does not submit the Approved Application for funding within the timelines required by Section (2) above, the application will be reduced to eligible costs incurred.

(7) Upon receipt of the Approved Application, the application will be reviewed for conformance with all program laws and regulations.

### SCHOOL DISTRICT DATA

School District: Dunsmuir Joint Union High  
Application Number: 51/70250-00-001  
Total District Enrollment: 65  
County: Siskiyou

School Name: Dunsmuir High  
Project Grade Level: 9-12  
Financial Hardship: No

### TYPE OF REQUEST

State Allocation Board (Board) Apportionment for a School Facility Program (SFP) Facility Hardship Program (FHP) Replacement project.

Total Project Cost: \$2,942,304.00  
Cost to the State: \$1,471,152.00

### DESCRIPTION

#### DESCRIPTION OF HEALTH AND SAFETY THREAT

A structural evaluation report conducted by Nichols, Melberg & Rossetto Architects, dated September 10, 2024, identifies several structural deficiencies in the Gymnasium Court Building located at the Dunsmuir High School site. The report states that in February 2023, an extremely heavy snowfall event caused severe damage to the gymnasium roof trusses as well as additional damage and splitting of the ceiling. The report also notes that the bottom chord of all the trusses was split and concluded that the entire roof structure needed replacement. The compromised structural integrity of the roof system presented an imminent health and safety threat to occupants of the building. The building qualifies for FHP based on the qualifying criteria in Education Code Section 17075.10 and SFP Regulation Section 1859.82.1.

#### SCOPE OF PROJECT

Mitigation work consists of replacement of the entire roof system of the Gymnasium Court Building. This includes the removal of the existing truss/roof system and replacement with standard double thick, metal plate connected wood trusses at 16-inch on center. The initial project scope of replacing the damaged roof structure also triggered several additional scope items including hazardous material abatement, shoring, accessibility upgrades, and dry rot repair.

#### STATUS OF SCHOOL SITE

The District received plan approval for this project from the Division of the State Architect (DSA) on February 9, 2024. The District entered into construction contracts for the repair work in April 2024, and the project is ongoing. The required access compliance work is planning to be bid and completed over the coming year.

**QUALIFYING CRITERIA****GOVERNMENT/STATE LEVEL CONCURRENCE**

The DSA has provided written concurrence that supports the industry specialist's findings and recommended work to mitigate the health and safety threat.

Staff Supports the District's Request: Yes

**SITE VISIT COMPLETED BY STAFF**

Staff accepted detailed reports from an industry specialist and photographs in lieu of a site visit.

**RECOMMENDATIONS**

1. Approve the District's request for an unfunded approval for Replacement funding for the replacement of the Gymnasium Court Building at Dunsmuir High School site, pursuant to SFP Regulation Section 1859.82.1(b) as shown on Attachment B.
2. Provide that the District's Modernization eligibility will be reset for the Gymnasium Court Building of the Gymnasium Complex.
3. Approve the District's request with an allowance to make a Local Funding Adjustment pursuant to Education Code Sections 17070.59 and 17072.30 at the next available Board meeting.
4. Approve the District's request with the condition that the District submits a five-year school facilities master plan, or an updated five-year school facilities master plan, approved by the governing board of the District within 18 months of funds being released for this application, or by the time of submittal of the 100 percent complete Expenditure Report (Form SAB 50-06), whichever occurs first pursuant to Education Code Section 17070.54 and Board policy adopted on December 3, 2024.

**AUTHORITY****Facility Hardship Program – Replacement Project**  
(as of 11/06/2024)

Education Code (EC) Section 17075.10 states:

- (b) (1) A school district is eligible for health and safety funding to replace, reconstruct, or construct new classrooms and related facilities if the school district demonstrates there is a threat to the health and safety of pupils. To determine the applicable grant amounts, the district shall prepare and submit to the department a cost-benefit analysis that compares the minimum cost to remain in the classroom or related facility and mitigate the health and safety problem with the current replacement cost.
- (2) The project qualifies for modernization funding if the minimum cost is less than 50 percent of the current replacement cost of the classroom or related facility.
- (3) The project qualifies for replacement facilities if the cost-benefit analysis prepared pursuant to paragraph (1) demonstrates that the cost to remain in the classroom or related facility and mitigate the problem is at least 50 percent of the replacement value.

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.1 states that “a district is eligible for Facility Hardship funding to repair, replace, or construct School Buildings or related required components that are currently causing a health and safety threat to the students and/or staff. Projects solely to replace components that have reached the end of their useful life, perform routine maintenance or repair, issues resulting from the deferment of routine maintenance or repair, lack of current code compliance, or the addition of components that were not previously existing, do not meet the qualifying criteria of the program. However, this work may be incorporated into a qualifying Facility Hardship application if it is required to be completed to gain DSA approval.”

SFP Regulation Section 1859.82.1(b) states in part, “To qualify for replacement funding for School Buildings, the district must submit an Approved Application for funding and either (1) or (2) below:

- (1) For School Buildings that are lost, destroyed, or unable to be repaired, ...
- (2) For permanent School Buildings where the cost to rehabilitate the School Building(s) exceeds 50 percent of the Current Replacement Cost, or for Portable Classrooms where the cost to rehabilitate exceeds the Portable Classroom Replacement Grant or Portable Toilet Replacement Grant....”

SFP Regulation Section 1859.82.1(b) further states, “If the district qualifies to replace some but not all School Buildings on the project site, funding will be based on the Square Footage of the School Buildings replaced and is capped by the lesser of the amount provided in accordance to the chart below....”

The Applicant shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

The Applicant is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

This application is placed on the Unfunded List (Lack of AB 55 Loans) pursuant to the Board's action on March 11, 2009. This approval does not constitute a guarantee or commitment of future state funding.

The Applicant is required to submit a signed Grant Agreement for the project prior to or concurrent with a valid Fund Release Authorization (Form SAB 50-05). Failure to submit an executed Grant Agreement and valid Form SAB 50-05 prior to the deadline shall result in the Apportionment being rescinded without further board action.

This application is approved with an allowance to make a Local Funding Adjustment pursuant to Education Code Sections 17070.59 and 17072.30 at the next available Board meeting.

This application is approved with the condition that the District submits a five-year school facilities master plan, or an updated five-year school facilities master plan, approved by the governing board of the District within 18 months of funds being released for this application, or by the time of submittal of the 100 percent complete Expenditure Report (Form SAB 50-06), whichever occurs first pursuant to Education Code Section 17070.54 and Board policy adopted on December 3, 2024.

## FACILITY HARDSHIP / REHABILITATION PROGRAM

### SCHOOL DISTRICT DATA

School District: Buellton Union Elementary  
Application Number: 58/69138-00-001  
Total District Enrollment: 545  
County: Santa Barbara

School Name: Jonata Middle  
Project Grade Level: 6-8  
Financial Hardship: No

### TYPE OF REQUEST

State Allocation Board (Board) approval for placement on the Unfunded List (Lack of AB 55 Loans) for a School Facility Program (SFP) Facility Hardship Program rehabilitation project.

Total Project Cost: \$ 183,088.00

Cost to the State: \$ 109,853.00

### DESCRIPTION

#### DESCRIPTION OF HEALTH AND SAFETY THREAT

A structural evaluation by NineteenSix Architects and Engineers, dated May 3, 2024, finds issues with the covered walkways at 6 locations in the central area of the Jonata Middle campus. The findings include deterioration of the walkway beams supported by cantilever beams at numerous locations, including end connections and also along the spans and delamination and loss of cross-section that appears to have been caused by a combination of pest infestation, dry rot, and water exposure. The report states that the current condition of the framing could lead to collapse of the walkway roofs and therefore poses an imminent health and safety threat to students and staff.

#### SCOPE OF PROJECT

The minimum work necessary to mitigate the health and safety threat includes shoring adjacent roof framing and replacing the damaged beams with exterior grade glue-laminated wood beams.

#### STATUS OF SCHOOL SITE

The project has been completed.

**QUALIFYING CRITERIA****GOVERNMENT/STATE LEVEL CONCURRENCE**

The Division of the State Architect has provided written concurrence that the conditions detailed in the industry specialist's report pose a threat to the health and safety of students and must be corrected and that the work included in the approved project plans is the minimum work necessary to mitigate the identified issues.

Staff Supports the District's Request: Yes

**SITE VISIT COMPLETED BY STAFF**

Staff accepted a detailed report and photographs from an industry specialist in lieu of a site visit.

**AUTHORITY**

See Attachment A

**RECOMMENDATIONS**

1. Approve the District's request for an unfunded approval to rehabilitate the covered walkways on the Jonata Middle campus, pursuant to SFP Regulation Section 1859.82.1 and as shown on Attachment B.
2. Approve the District's request with an allowance to make a Local Funding Adjustment pursuant to Education Code Sections 17070.59 and 17074.16 at the next available Board meeting.
3. Approve the District's request with the condition that the District submits a five-year school facilities master plan, or an updated five-year school facilities master plan, approved by the governing board of the District within 18 months of funds being released for this application, or by the time of submittal of the 100 percent complete Expenditure Report (Form SAB 50-06), whichever occurs first pursuant to EC Section 17070.54 and Board policy adopted on December 3, 2024.

**AUTHORITY****Facility Hardship Program – Rehabilitation Projects**  
(as of 11/06/2024)

Education Code (EC) Section 17075.10(a) states:

(b) (1) A school district is eligible for health and safety funding to replace, reconstruct, or construct new classrooms and related facilities if the school district demonstrates there is a threat to the health and safety of pupils. To determine the applicable grant amounts, the district shall prepare and submit to the department a cost-benefit analysis that compares the minimum cost to remain in the classroom or related facility and mitigate the health and safety problem with the current replacement cost.

(2) The project qualifies for modernization funding if the minimum cost is less than 50 percent of the current replacement cost of the classroom or related facility.

(3) The project qualifies for replacement facilities if the cost-benefit analysis prepared pursuant to paragraph (1) demonstrates that the cost to remain in the classroom or related facility and mitigate the problem is at least 50 percent of the replacement value.

SFP Regulation Section 1859.82 states, “A school district may apply for Facility Hardship, including Seismic Mitigation, Program assistance in cases of extraordinary circumstances that have caused an imminent health and safety threat.”

SFP Regulation Section 1859.82.1 states that “a district is eligible for Facility Hardship funding to repair, replace, or construct School Buildings or related required components that are currently causing a health and safety threat to the students and/or staff. Projects solely to replace components that have reached the end of their useful life, perform routine maintenance or repair, issues resulting from the deferment of routine maintenance or repair, lack of current code compliance, or the addition of components that were not previously existing, do not meet the qualifying criteria of the program. However, this work may be incorporated into a qualifying Facility Hardship application if it is required to be completed to gain DSA approval.”

SFP Regulation Section 1859.82.1(c) states,

Districts may qualify for funding to rehabilitate their School Buildings, components of School Buildings, or school site conditions. Factors to be considered by the Board may include (1) or (2) below:

- (1) School Buildings where the minimum cost to mitigate the health and safety threat and remain in the School Building is 50 percent or less of the Current Replacement Cost.
- (2) Components of the School Buildings or school sites conditions are causing a health and safety threat to students and/or staff.

State of California  
State Allocation Board

**CALIFORNIA PRESCHOOL, TRANSITIONAL KINDERGARTEN  
AND FULL-DAY KINDERGARTEN FACILITIES GRANT PROGRAM**

This Resolution of the State Allocation Board (hereafter referred to as the "Board") is applicable to the appropriate sections of the Education Code and is described and filed in the office of the Executive Officer and will be made available to all interested parties as the Resolution pertains to the documents attached hereto. Said documents were acted upon by the Board at its meeting on April 23, 2025.

WHEREAS, the Board has determined to be approvable a number of projects for new construction or retrofit eligibility of California preschool, transitional kindergarten and/or kindergarten facilities for school districts, it is making apportionments and/or adjustments for the grant amounts for projects that meet the Board's criteria for the apportionment of grants pursuant to Education Code Section 17375.

NOW THEREFORE, BE IT RESOLVED:

1. The Board anticipates that the school district(s) will pay certain capital expenditures in connection with some or all of the project(s) cost.
2. The Board, acting on behalf of the State, hereby declares that it is the State's official intent to use General Fund proceeds that are available for such purpose, consistent with the requirements of law that are in effect at the time the funds are available, to provide grants, in accordance with applicable laws and regulations.
3. This Resolution shall be continuously available for inspection by the general public during normal business hours at the office of the Board at 707 3<sup>rd</sup> Street, 4<sup>th</sup> Floor, West Sacramento, California, commencing within one week after the date of enactment of this Resolution.

I, the undersigned, duly authorized as the Executive Officer of the State Allocation Board, do hereby certify the foregoing to be true and correct, and that this Resolution was adopted at a meeting of said Board on April 23, 2025 at Sacramento, California.

**Funding Source: General Fund California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program**

This project is being amended as a result of the removal of the previously authorized additional grant for one preschool classroom, which was not included in the approved plans and specifications.

The District shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms. This project is subject to the Grant Agreement submittal pursuant to Regulation Section 1860.17.

The District is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

With this amendment, the District is no longer receiving Financial Hardship funding, as the district now has adequate local funds available to cover the matching share.

Advance funds in the amount of \$1,023,610.00 were previously released to the District. The remaining funds in the amount of \$3,421,952.00 (\$5,927,416.00 less advance funds released and available district contribution) will be released by OPSC upon the receipt of a valid, signed Grant Agreement as specified in Regulation Section 1860.17 and a complete Fund Release Request (Form SAB 70-02).

Pursuant to Regulation Section 1860.19(b)(4), any savings, including interest, unexpended or unencumbered after one year from the completion of the project, as specified in Section 1860.18, must be returned to the State.

This project is being amended as a result of the removal of the previously authorized grants for one full-day kindergarten classroom and automatic sprinklers, which will no longer be included in the approved plans and specifications.

The District shall ensure that it is in compliance with all applicable laws, regulations and certifications it made on the program forms.

This project is subject to the Grant Agreement submittal pursuant to Regulation Section 1860.17.

The District is responsible for ensuring that the project is compliant with Prevailing Wage Monitoring and/or Labor Compliance Program requirements at the time construction contracts are executed and/or construction commenced.

Advance funds in the amount of \$1,316,070.00 were previously released to the District. The remaining funds in the amount of \$4,611,345.00 (\$7,903,220.00 less advance funds released and available district contribution) will be released by OPSC upon the receipt of a valid, signed Grant Agreement as specified in Regulation Section 1860.17 and a complete Fund Release Request (Form SAB 70-02).

Pursuant to Regulation Section 1860.19(b)(4), any savings, including interest, unexpended or unencumbered after one year from the completion of the project, as specified in Section 1860.18, must be returned to the State.

## UNUSED SITES

### EXHIBIT/APPL. NO. 92/68957-00-000

Las Lomitas Elementary – San Mateo County

### PURPOSE OF REPORT

To present the District's request for the State Allocation Board (Board) to grant a refund of the 2023/24 Fiscal Year unused site assessment fee.

### DESCRIPTION

The District was assessed an unused site fee of \$152,432 for the 2023/24 Fiscal Year at the December 3, 2024 Board meeting. This amount was deducted in installments from the District's State School Fund Apportionment during the months of February through April 2025 with the final amount scheduled to be deducted in May 2025. The District recently submitted documentation indicating that this district is a "basic aid district". Therefore, the District is eligible for a refund of the unused site assessment fee that was withheld for the 2023/24 Fiscal Year.

<u>Site</u>	<u>Year</u>	<u>Annual Payment</u>	<u>Recommendation</u>
La Loma	2023/24	\$86,770	Refund
Ladera	2023/24	\$65,662	Refund

### AUTHORITY

Pursuant to Education Code (EC) Section 17222, in no event shall the unused site deductions from the State School Fund exceed an amount which would result in a district's receiving, in any school year, less than one hundred twenty dollars (\$120) per pupil in average daily attendance in the district during the preceding school year.

### BACKGROUND

As required by law, all school districts are required to report any unused school sites to the Board annually. The school districts self-certify requests for waivers and reduction of fees based on certain criteria outlined in EC Section 17219. EC Section 17222 allows for districts to receive a waiver if the district is considered a "basic aid district". The District recently submitted documentation certifying that it is a "basic aid district", which is an allowable waiver and, therefore, should not be charged unused site assessment fees on this site.

### STAFF ANALYSIS/STATEMENTS

The District has provided documentation to support its request.

### RECOMMENDATION

Approve the District's request for a refund of the 2023/24 Fiscal Year unused site assessment fee in the amount of \$152,432 and notify the State Controller's Office to refund the Annual Payment.

### EXHIBIT/APPL. NO. 92/65318-00-000

Miller Creek Elementary – Marin County

### PURPOSE OF REPORT

To present the District's request for the State Allocation Board (Board) to grant a refund of the 2023/24 Fiscal Year unused site assessment fee.

### DESCRIPTION

The District was assessed an unused site fee of \$191,042 for the 2023/24 Fiscal Year at the December 3, 2024 Board meeting. This amount was deducted in installments from the District's State School Fund Apportionment during the months of February through April 2025 with the final amount scheduled to be deducted in May 2025. The District recently submitted documentation indicating that this district is leasing the sites for one half of the fiscal year. Therefore, the District is eligible for a refund for the unused site assessment fee withheld for the 2023/24 Fiscal Year.

Lucas Valley	2023/24	\$8,783	Refund
Santa Margarita	2023/24	\$79,737	Refund

### AUTHORITY

Pursuant to Education Code Section 17219(f), nonuse payments shall not be required for any year with respect to a schoolsite that was leased at least one-half of the days in that year in a manner that subjected the site to property taxes equal to the taxes that would have been paid if the site had been sold.

### BACKGROUND

As required by law, all school districts are required to report any unused school sites to the Board annually. The school districts self-certify requests for waivers and reduction of fees based on certain criteria outlined in EC Section 17219. EC Section 17219(e) allows for districts to receive a waiver if the site is leased for at least one-half the fiscal year. The District recently submitted documentation certifying that the site is being leased for at least one-half of the fiscal year.

### STAFF ANALYSIS/STATEMENTS

The District has provided documentation to support its request.

### RECOMMENDATION

Approve the District's request for a refund of the 2023/24 Fiscal Year unused site assessment fee in the amount of \$191,042 and notify the State Controller's Office to refund the Annual Payment.

## SCHOOL DISTRICT APPEAL REQUEST

### SCHOOL DISTRICT DATA

School District: <u>Los Angeles Unified</u>	County: <u>Los Angeles</u>
Charter School: <u>Bright Star Schools</u>	School Name: <u>Rise Kohyang Middle</u>
Application Number: <u>54/64733-00-103</u>	Project Grade Levels: <u>K-8</u>
Total Charter Enrollment (2023/2024): <u>3,647</u>	Financial Hardship: <u>No</u>

### PURPOSE OF REPORT

To present Bright Star Schools' (Bright Star) request for the State Allocation Board (Board) to postpone the rescission of the Priority Funding apportionment related to a Charter School Facilities Program (CSFP) project at Rise Kohyang Middle School.

### DESCRIPTION

At the May 31, 2023 State Allocation Board (Board) meeting, the Board approved an unfunded approval for Bright Star's CSFP application for Rise Kohyang Middle, which was placed on the Unfunded List (Lack of AB 55 Loans). During the subsequent Priority Funding filing round, Bright Star submitted a certification to convert to a final apportionment and submit a *Fund Release Authorization* (Form SAB 50-05), but did not meet all the conditions necessary for fund release. Therefore, the project received one occurrence of non-participation in a priority funding round. A subsequent occurrence would result in the rescission of the unfunded approval (or apportionment).

At the September 25, 2024 meeting, the Board approved a School Facility Program (SFP) Priority Funding Apportionment for the adjusted grant for Bright Star's CSFP application for Rise Kohyang Middle. The project's deadline to submit a Form SAB 50-05 was December 24, 2024; otherwise, the CSFP apportionment would be rescinded without further Board action.

Bright Star submitted a *School District Appeal Request* (Form SAB 189) (Attachment A) on December 23, 2024, requesting that the Board postpone the rescission of the Priority Funding apportionment related to the CSFP project at Rise Kohyang Middle School. According to Bright Star, it has initiated a lawsuit against the Los Angeles Unified School District (LAUSD) regarding its request for a zoning exemption that would have allowed Bright Star to proceed with meeting the conditions necessary to commence with the project and submit a Form SAB 50-05 by December 24, 2024.

Bright Star previously received an advance design and site acquisition apportionment for \$16,680,600 and these funds were released. Bright Star additionally received a final apportionment of \$22,208,730.04, but has not met the conditions for fund release. If the Board approves the Appeal Request, the project's apportionment will be maintained until Bright Star resolves its lawsuit with LAUSD. If the Board denies the Appeal Request, the final apportionment of \$22,208,730.04 would be rescinded and staff would present an item in a future

## DESCRIPTION (cont.)

Board meeting to reduce the previous advance design and site acquisition apportionment of \$16,680,600 to costs incurred.

## AUTHORITY

See Attachment B.

## BACKGROUND

Bright Star is a charter school organization with a total of nine sites. Rise Kohyang Middle, previously housed in a commercial center located at 3020 Wilshire Boulevard in Los Angeles, was relocated to Rise Kohyang Elementary's campus after the former property owner decided to redevelop the site and Bright Star's lease came to an end. Due to space constraints at the elementary campus, Bright Star is restricted in its ability to enroll additional students and provide additional amenities.

Development of the CSFP project to construct a new facility for Rise Kohyang Middle began in 2019. According to Bright Star, it selected and purchased the site at 1700 West Olympic Boulevard in Los Angeles with the understanding that LAUSD would provide an exemption from local zoning, as it had with a previous Bright Star project, the Rise Kohyang High School. In August 2020, LAUSD approved an augmentation grant to fund the balance of the project. The augmentation grant was subject to several conditions, including transfer of the property from Bright Star to LAUSD and waiver of Bright Star's Proposition 39 facilities rights for Rise Kohyang Middle School. In July 2022, Bright Star transferred the property to LAUSD. By mid-2022, Bright Star was prepared to convert to a full funding application with the exception of one final step, which was for the LAUSD Board of Education to act pursuant to Government Code Section 53094, exempting the project site from local land use regulation. The LAUSD Board of Education delayed the exemption and indicated that it will not grant the exemption, which prevents construction from commencing on the site for which Bright Star previously received CSFP design and site acquisition funding.

In response, Bright Star filed a Government Code claim to LAUSD, a prerequisite for filing suit against a public agency, on December 21, 2023. This claim was rejected, and as a result, Bright Star filed a lawsuit against LAUSD on August 2, 2024.

### *Charter School Facilities Program*

The CSFP permits a charter school or school district filing on behalf of a charter to apply for funding to construct new charter school facilities and/or rehabilitate existing school district-owned facilities that are at least 15 years old for charter school use. Under the CSFP, title to the facility may be held by the school district, a local governmental entity, or the charter school (with certain provisions including the filing

## BACKGROUND (cont.)

of a lien and Covenants, Conditions, and Restrictions associated with the usage of the property, as required under Education Code Section 17078.63).

Applicants compete for funding through competitive filing rounds, and successful applicants are awarded a reservation of bond authority (preliminary apportionments). Applicants that receive a preliminary apportionment may access advance funding for design and site acquisition costs, as needed, through the priority funding process. Once a preliminary apportionment is awarded, the applicant has four years (with the ability to request a single one-year extension) to submit an *Application for Funding* (Form SAB 50-04) to convert the preliminary apportionment to a final apportionment. After a preliminary apportionment is converted to a final apportionment, applicants may access the remaining funds through the priority funding process.

### *Priority Funding Process*

Pursuant to SFP Regulations, applicants choosing to participate in the priority funding process must submit a request to convert an Unfunded Approval to an Apportionment. As part of the request, applicants are required to make the following acknowledgements:

- The applicant understands that the time limit on fund release shall be no more than 90 calendar days from the date of Apportionment.
- The applicant acknowledges that failure to submit a valid *Fund Release Authorization* (Form SAB 50-05) within the 90-day period will result in the project being rescinded without further Board action. A rescinded application will revert to an Unfunded Approval with a new date on the Unfunded List (Lack of AB 55 Loans) that is 90 calendar days from the date of Apportionment and cannot be guaranteed bond authority.
- In the case that multiple rescissions are made by the SAB, each separate application will be placed on the Unfunded List (Lack of AB 55 Loans) with a new date that is 90 calendar days from the date of Apportionment, in the order of the original unfunded approval date. The district or charter school will not be required to resubmit the application, and no further application review will be required.
- The applicant acknowledges that by participating in the priority funding process, the applicant is waiving its right to the timeline for fund release submittal described in Section 1859.90.
- The applicant acknowledges that a Grant Agreement must be submitted pursuant to SFP Regulation Section 1859.90.4 and received by the Office of Public School Construction (OPSC) prior to, or concurrently with, the Form SAB 50-05.

## STAFF ANALYSIS/STATEMENTS

### **Charter Position**

Bright Star requests that the Board postpone rescission of this project's funding approval. The steps taken by Bright Star have included direct engagement with LAUSD, filing of a Government Code claim, and initiation of a lawsuit against LAUSD. Without a zoning exemption, Bright Star is unable to award construction contracts, which prevents them from meeting the requirements to submit a Form SAB 50-05.

Bright Star indicates the following:

"The foundation of Bright Star's action is impossibility. That is, the project cannot be built in the absence of either a zoning exemption or entitlements from the City of Los Angeles, both of which have been blocked by LAUSD."

The full text of Bright Star's request is included as Attachment A.

### **Staff Position**

#### *Project Site Selection and Property Land Use Restrictions*

Bright Star selected a site to provide Rise Kohyang Middle School its first purpose-built facility with desired amenities and greater enrollment capacity after their prior location's lease ended. However, the site that was acquired by Bright Star is zoned for commercial use and does not allow for school uses, therefore preventing construction of the school. The project can only be built if approvals and entitlements are secured from the City of Los Angeles, or if LAUSD exercises its power under Government Code Section 53094 to exempt the project from City land use restrictions. Bright Star selected this site with the understanding that LAUSD would provide the exemption, and that at the time the Charter was required to submit a Form SAB 50-05, the exemption would be in place.

The collaborative efforts between Bright Star and LAUSD preceding the rejection of the zoning exemption are outlined as follows:

- |                 |  |
|-----------------|--|
| • Spring 2017   | Bright Star notifies LAUSD of its intent to apply for CSFP funds.        |
| • August 2020   | LAUSD approves an augmentation grant to fund the balance of the project. |
| • November 2020 | Bright Star buys the property with CSFP grant and loan funds.            |

STAFF ANALYSIS/STATEMENTS (cont.)

- 2021  
Bright Star and LAUSD coordinate on project planning, design, and construction based on an understanding that LAUSD would provide the exemption to City land use restrictions on the site.
- 2022  
Bright Star and LAUSD approve development and lease agreements to implement augmentation grant, the California Department of Education (CDE) grants final site and plan approval, and LAUSD and the Division of the State Architect approve project plans. Bright Star transfers property to LAUSD, which was a condition of LAUSD's augmentation grant for the project.

In April of 2023, LAUSD staff presented the LAUSD Board of Education with the proposal to approve the zoning exemption resolution (Attachment C). LAUSD Board of Education members voted three "No," three "Yes," and one abstention, halting the approval of the zoning exemption with the motion to reconsider within a month.

In May of 2023, OPSC's Deputy Executive Officer issued a letter to the California Charter Schools Association's Managing Director, outlining issues with the existing zoning of the property preventing construction of a school on the site and implications for the associated CSFP funding, noting that if the zoning issue were not resolved, the appropriate remedy would be to transfer the title back to Bright Star from LAUSD so that OPSC may present the application to the Board for revocation (see Attachment D).

In June of 2023, LAUSD issued a letter to Bright Star indicating that the zoning exemption for the project was already considered by the District's Board of Education, and the necessary two-thirds affirmative vote was not obtained (Attachment E). The letter indicated that Bright Star would need to seek the necessary entitlements from the City of Los Angeles. Bright Star notes that it has consulted with the City and determined that the Department of City Planning would likely not favor approval of a school on the property. In addition, due to the transfer of the property title to LAUSD, Bright Star no longer owns the property. Therefore, an entitlement application to the City would require action by LAUSD, which has indicated that it would not play a role in the application.

**Conclusion**

Staff supports Bright Star's request.

## STAFF ANALYSIS/STATEMENTS (cont.)

Due to unforeseen circumstances related to the zoning issue preventing the submittal of a Form SAB 50-05, and through no negligence on the part of Bright Star, OPSC finds the request to postpone the rescission of the charter's CSFP apportionment for Rise Kohyang Middle reasonable.

Approval of this appeal would allow the Charter to maintain its full adjusted grant apportionment of \$22,208,730.04, with a state share of \$16,549,030.04, and loan of \$5,659,700.00, until the current litigation is resolved.

If the Board approves this request, staff recommends that the Board postpone the rescission of the CSFP apportionment for Rise Kohyang Middle until Bright Star's lawsuit with LAUSD is resolved and the zoning exemption may be addressed. OPSC recommends that the Board requires Bright Star to provide an update once the lawsuit is resolved and all options for legal appeals are considered closed. At that time, the Board can consider options depending on the outcome of the lawsuit and the status of the zoning restriction.

## BOARD OPTION

Pursuant to the Rules and Operating Procedures of the State Allocation Board, "Staff is providing the following option for the Board's consideration. A positive vote by six members is required for the Board to take action that is an alternative to staff's administrative action. Absent a positive vote by six members of the Board, staff's administrative action will stand, and the school district's appeal will be considered closed."

Option: Approve the Charter's appeal.

If the Board grants the Charter's appeal, staff recommends the following conditions:

1. Defer rescission of the Charter's apportionment until the ongoing lawsuit between LAUSD and the Charter is resolved.
2. Require the Charter to provide written updates to OPSC every six months on the status of the lawsuit and provide an update once the lawsuit is resolved and all options for legal appeals are considered closed.

## BOARD ACTION

In considering this Item, the Board approved Bright Star Charter School's appeal request to postpone the rescission of the Priority Funding apportionment related to a Charter School Facilities Program project at Rise Kohyang Middle School with the following stipulated conditions:

- Defer rescission of the Charter's apportionment until the ongoing lawsuit between the LAUSD and the Charter is resolved; and
- Require the Charter to provide written updates to OPSC every six months on the status of the lawsuit and provide an update once the lawsuit is resolved and all options for legal appeals are considered closed.

**GENERAL INSTRUCTIONS**

School districts are required to use this form to initiate an appeal for consideration by the State Allocation Board (SAB). The district must state specifically the purpose and description of the district's request. The district must submit all supporting documentation to the Office of Public School Construction (OPSC). Requests for SAB consideration are processed to the Board upon receipt by the OPSC of all required documentation and upon completion of a thorough analysis by the OPSC.

**SPECIFIC INSTRUCTIONS****Purpose of Request**

Provide a brief statement of the district's request and number the components of the request if it has multiple parts.

**Basis of Request**

Site the applicable references in law, regulation, or other basis.

**Description**

Include the following in the description:

1. The background and circumstances which prompted the district's request.
2. Information relevant to the issues of the request.
3. The sequence of events and participants pertinent to the issues.
4. A statement explaining why the SAB should grant the district's request based on law, regulation, or other basis, as cited in above.

**Attachments**

Attach substantiating documentation as necessary to support the district's request. Note that all supporting documentation must be received by the OPSC prior to presentation to the SAB.

Re: State Allocation Board Appeal Request - SAB Application No. 54/64733-00-103  
Rise Kohyang Middle School Project

To whom it may concern:

This correspondence accompanies Bright Star Schools' ("Bright Star") December 23, 2024, School District Appeal Request (Form SAB 189) concerning State Allocation Board Application Number 54/64733-00-103. The appeal pertains to the State Allocation Board's ("SAB") 2020 approval of an apportionment for development of the Rise Kohyang Middle School ("RKMS") project through the Charter School Facilities Program ("CSFP"). The \$31,093,996 apportionment, split evenly between a grant and a loan, represents half the anticipated cost of the project. The balance of the project funding is anticipated to come from an augmentation grant approved by the Los Angeles Unified School District ("LAUSD"), the authorizing school district for RKMS, under development and lease agreements under which LAUSD will own the project site and improvements.

Development of the project took several years and involved a multitude of steps. By mid-2022, all of the steps necessary to make the project eligible for funding disbursement, with the exception of one, were complete. That final step was for the LAUSD Board of Education to act pursuant to Government Code section 53094 to exempt the project site from local land use regulation. LAUSD has delayed taking that step, leaving the project at a standstill. LAUSD's decision not to follow through on the land use exemption has delayed Bright Star's ability to certify for disbursement of funds. The State Allocation Board is consequently scheduled to rescind its apportionment for the project. As explained in greater detail below, Bright Star is working diligently to resolve the land use issue and allow the project to move forward. The steps taken by Bright Star have included direct engagement with LAUSD, filing of a Government Code claim, and initiation of a lawsuit against LAUSD. Bright Star has also coordinated with Office of Public School Construction ("OPSC") staff and the California

Charter School Association. In view of Bright Star's continuing efforts, we request that the SAB postpone its action to rescind the project's funding approval.

## **I. BACKGROUND**

Bright Star seeks to give RKMS its first purpose-built facility. The school was previously housed in a commercial center located at 3020 Wilshire Boulevard, and relocated to the campus of Rise Kohyang Elementary School after the former property owner decided to redevelop the site and Bright Star's lease came to an end. Space constraints at the elementary school restrict the number of students Bright Star can enroll in RKMS and make it impossible for Bright Star to provide RKMS with its desired amenities.

Bright Star had two options to achieve its goal of securing a suitable facility for RKMS. The first was to relocate the school to an LAUSD facility under Proposition 39 and Education Code section 47614; the second was to build a new school. Bright Star chose the latter option and began a site selection process while negotiating funding arrangements with LAUSD and the CSFP, a common solution chosen by multiple LAUSD-based charter schools in recent years, including those operated by Bright Star.

The site selected by Bright Star is an approximately one-acre parcel located at 1700 West Olympic Boulevard and currently developed with a surface parking lot. The existing zoning of the property prevents construction of a school on the site. The project can therefore only be built if approvals and entitlements are secured from the City of Los Angeles, or LAUSD exercises its power under Government Code section 53094 to exempt the project from City land use restrictions. Consistent with past practice with other LAUSD-based charter schools including Bright Star's Rise Kohyang High School project. Bright Star selected and purchased the site on the understanding that LAUSD would provide the exemption. Bright Star's reliance on that understanding, and LAUSD's subsequent reversal of course on the exemption, underly this appeal.

**A. Project and Dispute Timeline.**

The RKMS project-planning process took over three years to complete. By the end of 2022, the only hurdle yet to be cleared was the property's zoning restrictions. The following is a timeline for reference of major milestones in the project's development and pending litigation:

- 2019 – Bright Star analyzes potential sites and begins work with LAUSD staff to develop the project.
- January 2020 – The CSFP approves grant and loan funding to finance half of the RKMS project.
- August 2020 – LAUSD approves an augmentation grant to fund the balance of the project. The augmentation grant is subject to several conditions, including transfer of the property from Bright Star to LAUSD and waiver of Bright Star's Proposition 39 facilities rights for RKMS.
- November 2020 – Bright Star buys the property with CSFP grant and loan funds.
- 2021 – Staff from Bright Star and LAUSD coordinate on project planning, design, and construction documents based on a mutual understanding that LAUSD will exempt the project from City of Los Angeles land use regulations pursuant to Government Code section 53094.
- Early 2022 – LAUSD and Bright Star approve development and lease agreements to implement the augmentation grant, CDE grants final site approval, and LAUSD and the California Division of the State Architect approve the project plans.
- July 2022 – Bright Star transfers the property to LAUSD.
- April 2023 – The LAUSD Board tables the zoning exemption resolution.

**[WWW.BRIGHTSTARSCHOOLS.ORG](http://WWW.BRIGHTSTARSCHOOLS.ORG)**

- June 2023 – LAUSD staff notifies Bright Star that the zoning exemption resolution will not be reconsidered, and that Bright Star must seek entitlements for the project from the City.
- December 2023 – Bright Star submits a Government Code claim to LAUSD due to LAUSD’s failure to approve the zoning exemption.
- February 2024 – LAUSD rejects the Government Code claim, triggering a six-month deadline to sue.
- August 2024 – Bright Star files suit against LAUSD.

#### **B. Property Land Use Restrictions.**

The site selected by Bright Star is zoned for commercial uses and does not allow for school uses. In the absence of a zoning exemption, the necessary entitlements for the RKMS project would be substantial, including a general plan amendment, a zone change, and a conditional use permit. Bright Star has consulted with the City and determined that the Department of City Planning would likely not favor approval of a school on the property. More importantly, Bright Star no longer owns the property. That means any entitlement application would require action by LAUSD. LAUSD has indicated it would not play a role in prosecuting such an application. The entitlement process is therefore an infeasible option, making the zoning exemption indispensable to the project.

#### **C. Project Funding.**

The estimated cost of the project, including land acquisition, is \$62,187,992.00. Outside funding for the project will come from two sources. Approximately half of the project cost will come from LAUSD in the form of an augmentation grant approved on August 13, 2020. The augmentation grant comes with several conditions. The most significant of these is a requirement that Bright Star transfer title to the property to LAUSD. Bright Star would occupy

the site under a 40-year lease agreement with LAUSD, after which time LAUSD would take possession of the property and the facilities.

The other half of the project cost will come from the CSFP, split evenly between grant and a loan which Bright Star is obligated to repay. The CSFP grant and loan are governed by a funding agreement entered into between Bright Star and the California School Finance Authority on

January 8, 2020. Part of the CSFP grant and loan has already been apportioned to fund Bright Star's acquisition of the project site, which closed in November of 2020. The approximately \$8,000,000 loan component of the site acquisition apportionment is expected to be repaid after completion of the project.

Apportionment of the balance of the CSFP grant and loan requires the applicant to certify that all conditions necessary to commence the project have been completed. Applicants typically have two chances at certification, allowing for a second opportunity if any unexpected problems arise after the applicant first certifies that the project is ready for funding.

Bright Star has already taken this action once with respect to the RKMS project. It did so when it believed the final step in the process, LAUSD's exemption of the project from local zoning, was soon to take place. The window on Bright Star's apportionment closed when the zoning issue was left unresolved. As mentioned above, Bright Star's second opportunity at apportionment occurred, and failed, this month due to the ongoing lack of a zoning exemption.

## **II. GOVERNMENT CLAIM AND LITIGATION**

LAUSD's refusal to follow through with the zoning exemption left Bright Star unable to proceed with the project and faced with the prospect of losing funding. Moreover, Bright Star may have already incurred a debt obligation to the state because half of its site acquisition apportionment came in the form of a loan.

In addition, the lease agreement between Bright Star and LAUSD was conditioned upon a waiver of Bright Star's rights under Proposition 39 and Education Code section 17614 to request LAUSD facilities for RKMS. Under the terms of the lease agreement and statutes, LAUSD may

be entitled to keep the property if the project is not built. The title to the project site has already been transferred to LAUSD. Section 17.2 of the lease agreement provides that LAUSD will retain the property if no project is constructed. In the event LAUSD is unable to find another charter school to assume Bright Star's position in the project, LAUSD may dispose of the property as surplus and keep the proceeds. In 2023, OPSC staff opined in a letter to the

California Charter School Association that LAUSD's actions with respect to the RKMS project violate CSFP principles. (See attached.)

Bright Star submitted a Government Code claim to LAUSD, a prerequisite for filing suit against a public agency, on December 21, 2023. The timing of the Government Code claim was based on LAUSD's June 27, 2023, letter notifying Bright Star that the zoning exemption was no longer under consideration. LAUSD rejected Bright Star's claim on February 2, 2024.

Pursuant to Government Code section 945.6, Bright Star had six months from the date LAUSD rejected the Government Code claim to bring lawsuit on that claim in Los Angeles Superior Court. Bright Star filed its action on August 2, 2024.

The foundation of Bright Star's action is impossibility. That is, the project cannot be built in the absence of either a zoning exemption or entitlements from the City of Los Angeles, both of which have been blocked by LAUSD.

Bright Star has repeatedly requested meetings with LAUSD leadership to no avail. Following a recent adverse legal ruling against LAUSD in an unrelated case involving similar issues, counsel for LAUSD has reached out to counsel for Bright Star. It is our hope that this gesture will lead to open dialogue and a resolution of the impasse. Bright remains committed to the project and will continue to explore all avenues for resolution. We therefore respectfully request that SAB's decision to rescind apportionment be postponed. Please do not hesitate to contact us with any questions.

### AUTHORITY

Education Code (EC) Section 17078.63 states:

- (a) Prior to the release of funds for an application submitted pursuant to paragraph (2) of subdivision (b) of Section 17078.53 for site acquisition or new construction final apportionments, applicants shall provide one of the following:
  - (1) Documentary evidence that the school district in which the facility is to be physically located holds title to the project facilities in trust for the benefit of the state public school system.
  - (2) Documentary evidence that a local governmental entity, including, but not limited to, a county board of education, a city, a county, or a city and county, holds title to the project facilities in trust for the benefit of the state public school system, subject to both of the following conditions:
    - (A) Consistent with the prohibition in Section 6 of Article IX of the California Constitution regarding governance of public schools, a city, county, city and county, or other local governmental entity not included within the public school system that holds title pursuant to this paragraph shall not exercise any control over the operation of the charter school.
    - (B) The following shall be recorded in the chain of title for the property:
      - (i) A restrictive covenant specifying that the facility shall be used only for public school purposes as authorized in the California Constitution and statute.
      - (ii) A remainder interest to the school district in which the facility is physically located or, if the school district disclaims the interest to the facility, to the board. The remainder interest shall be triggered when the facility is no longer needed for charter school purposes and shall then be subject to paragraphs (2) to (6), inclusive, of subdivision (b) of Section 17078.62.
  - (3) (A) A request that the charter school be authorized to hold fee simple title to the subject property in trust for the benefit of the state public school system, on which a lien shall be recorded in favor of the board for the total amount of funds allocated pursuant to this article, including any loan received in lieu of a local matching share pursuant to Section 17078.57. The charter school shall include with the request a statement outlining the reasons why ownership of the project facilities is not vested with an entity set forth in paragraph (1) or (2). Prior to releasing any project funds, the board shall make findings that the applicant has submitted all of the information required by this paragraph.
  - (B) The following shall be recorded in the chain of title for the property:
    - (i) A restrictive covenant specifying that the facility shall be used only for public school purposes as authorized in the California Constitution and statute.
    - (ii) A remainder interest to the school district in which the facility is physically located or, if the school district disclaims the interest to the facility, to the board. The remainder interest shall be triggered when the facility is no longer needed for charter school purposes and shall then be subject to paragraphs (2) to (6), inclusive, of subdivision (b) of Section 17078.62.
- (b) A charter school may request a school district to transfer title to project facilities to an entity authorized by paragraph (2) or (3) of subdivision (a) if the school district entered into an agreement, prior to January 1, 2010, to hold title to those facilities. A school district that receives a request pursuant to this subdivision may transfer the title to the entity designated in the request pursuant to terms and conditions mutually agreed upon by the district and the charter school.

- (c) The board may adopt regulations to implement this section.

### School Facility Program (SFP) Regulation Section 1859.90.2. Priority Funding Process.

The priority funding process allows the Board to distribute available funds to districts or charter schools that request, pursuant to (a) or (b) below, as applicable, an Apportionment or an advance release of funds from a Preliminary Apportionment or Preliminary Charter School Apportionment, during specific 30-calendar day filing periods beginning with July 27, 2011 and continuing with the 2nd Wednesday of January and the 2nd Wednesday of July of 2012. Requests submitted during the filing periods described above are valid until the next filing period begins. The specific 30-calendar day filing periods subsequent to 2012 begin with January 9, 2013 and continue with the 2nd Wednesday of May and the 2nd Wednesday of November, each calendar year. Requests submitted during the filing period beginning with January 9, 2013 are valid until June 30, 2013. Requests submitted during a filing period beginning with the 2nd Wednesday of May are valid from July 1 until December 31 of that year. Requests submitted during a filing period beginning with the 2nd Wednesday in November are valid from January 1 until June 30 of the following year. Requests must be physically received by the OPSC by the 30th calendar day of each filing period to be considered valid.

- (a) In order to be considered for an Apportionment, approved advance release of design funds from a Preliminary Charter School Apportionment, or approved advance release of environmental hardship site acquisition funds from a Preliminary Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative that includes each of the project Application numbers, and the type of Apportionment request (e.g., Apportionment, separate Apportionment for design or site acquisition), within the 30-calendar day filing period, and shall contain the following:
- (1) Statement that the request is to convert the unfunded approval to an Apportionment or to receive an approved advance release of funds; and
  - (2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 90 calendar days of Apportionment or approved advance release of funds request, except for a Career Technical Education Facilities Project in (a)(5), and that failure to do so will result in the rescission of the Apportionment or approved advance release of funds request without further Board action; and
  - (3) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (a)(2); and
  - (4) Acknowledgement that, if the district submits the Form SAB 50-05 on or after July 1, 2013 and is required to submit an LCP third party report, pursuant to Section 1859.97(b), the report will be submitted to the OPSC and the DIR at least 60 days prior to submitting the Form SAB 50-05; and
  - (5) For those receiving an Apportionment, acknowledgement that by participating in the priority funding process, the district or charter school is

waiving its right to the timeline for fund release submittal described in Section 1859.90.

- ....
- (c) If a district or charter school receives an Apportionment or approved advance release of funds request through the priority funding process, the OPSC must receive a valid, original signature copy of the Form SAB 50-05 within the specified time period, pursuant to (a)(2), (a)(6) or (b)(2), as applicable, and a Grant Agreement, pursuant to (a)(3), (a)(6)(C), or (b)(3), as applicable. Upon submittal of the original signature copy of the Form SAB 50-05, if OPSC determines that the Form SAB 50-05 is not valid, the district will have ten business days to amend the Form SAB 50-05 in order to make the Form SAB 50-05 valid. If the OPSC does not receive a valid, original signature copy of the Form SAB 50-05 within the time period:
- (1) The priority funding Apportionment or approved advance release of funds request shall be rescinded without further Board action, and
  - (2) If the Application is not subject to rescission pursuant to Section 1859.90.3(c) as defined in Section 1859.90.3(d), the Application shall return to the Unfunded List (Lack of AB 55 Loans) with a new unfunded approval date that is 90 calendar days from the date of Apportionment or approval of the advance release of funds request.
- ....
- (f) For purposes of this section “rescinded” or “rescission” shall mean that the Apportionment or approved advance release of funds request returns to unfunded approval status with a new unfunded approval date, except for (a)(5)(A). The new unfunded approval date will be 90 calendar days from the Apportionment date. The district or charter school will not be required to re-submit the Application and no further Application review will be required.

**Adoption of a Resolution to Exempt the Proposed Bright Star Schools Rise Kohyang Middle School Project From Local Land Use Regulations Under Government Code Section 53094 (Requires 2/3 Vote)  
April 18, 2023  
Facilities Services Division**

**Action Proposed:**

Adopt, by a two-thirds vote of its members, the Resolution in Attachment A which makes the necessary findings of fact pursuant to the requirements of Government Code Section 53094, to exempt from the City of Los Angeles (City) zoning ordinances, including City redevelopment plans, the proposed Bright Star Schools (Bright Star) project known as Rise Kohyang Middle School (Rise Kohyang MS) (Project) to be located at the southwest corner of West Olympic Boulevard and Beacon Avenue, commonly known as 1700 West Olympic Boulevard (Project Site).

**Background:**

The Project is funded by State of California Charter School Facilities Program (CSFP) and Los Angeles Unified School District's (Los Angeles Unified) Augmentation Grant. The CSFP funds are comprised of a grant and a loan, subject to final apportionment by the State. In accordance with CSFP, Los Angeles Unified has executed the CSFP Memorandum of Understanding and has issued a 40-year lease to Bright Star (Lease). Since 2020, the Board of Education (Board) has adopted three proposals to support the implementation of the Bright Star Rise Kohyang MS Project. On August 25, 2020, the Board amended the Facilities Services Division (FSD) Strategic Execution Plan (SEP) to approve a \$32,793,996 charter augmentation grant for the Project and authorized staff to negotiate and execute agreements for the financing of the Project, which included taking title of the property, in accordance with the Los Angeles Unified Charter Augmentation Grant Program Guidelines (Guidelines). Subsequently, on February 8, 2022, the Board adopted the Mitigated Negative Declaration (MND) and Mitigated Monitoring and Reporting Plan pursuant to the California Environmental Quality Act and approved the Rise Kohyang MS Project.

In accordance with the Guidelines, Bright Star transferred title to the Project Site to Los Angeles Unified on July 15, 2022. Bright Star obtained Division of the State Architect (DSA) approval of the construction plans for the Project. The proposed Project requires exemption from local zoning ordinances in order to construct the school facilities. The proposed Resolution makes the necessary findings of fact pursuant to the requirements of Government Code Section 53094, to make local city and county zoning ordinances, including city and county redevelopment plans, inapplicable to the Project Site, which is owned by Los Angeles Unified. The Project Site includes one single parcel (Assessor's Parcel Number 5137-017-014) comprised of five smaller lots, two of which have commercial zoning designations, which allow for school use. The remaining three lots are zoned for residential purposes and use for a school would require a Conditional Use Permit. The proposed zoning exemption will allow Bright Star to construct the Project and use the facilities for school use as Rise Kohyang MS (all five lots) and thereby securing a long-term facility for its 6th - 8th middle school.

File #: Rep-006-22/23, Version: 1

The Project is being developed by Bright Star and will provide school facilities for approximately 450 students in 6th through 8th grades. The Project Site is located on a 1.01-acre property acquired by Bright Star in November 2020 located at the property commonly known as 1700 West Olympic Boulevard in the Pico-Union neighborhood in the City of Los Angeles. The property consists of a dirt parking lot with several planting areas, enclosed by concrete block walls and fencing.

Bright Star will construct an approximately 69,200 square foot school which consists of a four-story classroom building with 21 classrooms, including a science lab, collaborative spaces, administrative offices, restrooms, support spaces, a lunch and food service area, a multipurpose room, an outdoor basketball court and synthetic turf area for assemblies, physical education, and free play, outdoor learning spaces, and an underground parking lot with 48 parking spaces.

Rise Kohyang MS currently serves 347 students in 6th through 8th grades at its private leased site. The Project, once completed, will provide a long-term location for Rise Kohyang MS for approximately 450 students in 6th through 8th grades, as established under its approved charter petition, and allows Rise Kohyang MS to relocate the students it serves to the newly constructed school facility. Bright Star will waive its rights under Proposition 39 for the term of the Lease.

The Charter Schools Division has determined that Bright Star is in good standing and compliance with the terms of its renewal charter petition for Rise Kohyang MS which was approved by the Board on December 8, 2020 ("Charter Petition") for five years beginning July 1, 2021 until June 30, 2026. With regards to its financial standing, a review of Bright Star's financial audit on Rise Kohyang MS indicates the organization is in overall good financial standing.

The proposed Project is anticipated to start construction during the fourth quarter of 2023 and be completed by the fourth quarter of 2025.

The proposed Project is located within the boundaries of MacArthur Park Community of Schools, Region East and Board District 2 (Rocio Rivas).

#### **Expected Outcomes:**

Adoption of this Resolution will exempt the proposed Project from applicable City zoning ordinances and redevelopment plans. This will allow Bright Star to construct the proposed Project for school use.

#### **Board Options and Consequences:**

Adoption of staff's proposal would exempt the proposed Project from applicable City zoning ordinances, thereby allowing Bright Star to construct the facilities for school use.

If the proposal is not adopted, Bright Star will be required to comply with City zoning ordinances and seek a conditional use permit, which would likely impact the proposed Project's schedule and budget, and may jeopardize the proposed Project's feasibility as currently approved by DSA.

#### **Policy Implications:**

The proposal supports the implementation of the proposed Project, for which the Board has approved and adopted the MND on February 8, 2022 (Board Report Nos. 134-21/22 and 135-21/22), and allocated funding for, under Los Angeles Unified's Charter Augmentation Grant Program on August 25, 2020 (Board Report No. 014-20/21). Moreover, this action helps facilitate the Board-adopted FSD SEP and is consistent with Los Angeles Unified's Charter School Facilities Expansion Program Policy, adopted on July 10, 2007, which

File #: Rep-006-22/23, Version: 1

designated program requirements for projects that provide long-term facility solutions as an alternative to the annual Proposition 39 allocation of District facilities (Board Report No. 304-06/07).

**Budget Impact:**

This action does not have a budget impact. The Board previously authorized funding in the amount of \$32,793,996 for the proposed Project (Board Report No. 014-20/21), comprised of \$31,093,996 as an augmentation grant to Bright Star for the construction of the Project, with the balance covering Los Angeles Unified's oversight to ensure compliance with Los Angeles Unified's guidelines and approvals, including, but not limited to, DSA inspection during construction, environmental review, design review, and development of necessary agreements and instruments. Funding for the Project will be provided from Bond Program funds earmarked specifically for charter school facilities upgrades and expansions. Bright Star anticipates funding its portion of \$31,093,996 with funds provided through the State CSFP.

**Student Impact:**

The proposed Project, once completed, will help ensure that the students attending Rise Kohyang MS are provided with a safe and healthy environment, and up-to-date facilities that promote learning.

**Equity Impact:**

Not Applicable.

**Issues and Analysis:**

Local cities and counties adopt zoning ordinances and anticipate compliance by proposed new developments within their jurisdiction. Government Code Section 53094 provides that by a two-thirds vote of its members the governing board of a school district may render a city or county zoning ordinance inapplicable for use of property as classroom facilities.

Rise Kohyang MS serves approximately 347 students in a private leased office facility, with a term through the Summer of 2023. Bright Star has indicated their lease will not be extended and are trying to find a new interim facility. In case Bright Star is unsuccessful in locating an interim facility, and as a back-up measure, Bright Star has applied for Los Angeles Unified facilities under Proposition 39 for the 2023-24 school year and may require facilities until the completion of the Project. If the proposal is not approved, Bright Star will need to comply with City zoning ordinances and would seek a conditional use permit. This is anticipated to take an additional one and a half to two years. A schedule delay would likely result in additional costs and further utilization of Los Angeles Unified facilities through Proposition 39.

If the construction bid comes in higher than anticipated, Bright Star may request that Los Angeles Unified fund 50% of the additional cost increase. If so, staff will return to the Board to request authorization for funding the requested increase.

The Resolution has been reviewed by the Office of General Counsel and there are no significant legal issues in adopting this Resolution.

Whereas, Bright Star Schools (Bright Star), the operator of Rise Kohyang Middle School (Rise Kohyang MS), proposes to construct a school facility for approximately 450 students in 6<sup>th</sup> through 8<sup>th</sup> grades (Project) located at 1700 West Olympic Boulevard in Los Angeles (Project Site), within the geographical jurisdiction of the Los Angeles Unified;

Whereas, the Project Site includes one single parcel (Assessor's Parcel Number 5137-017-014) comprised of five smaller lots, two of which have commercial zoning designations, which allow for school use. The remaining three lots are zoned for residential purposes, and use for a school would require a Conditional Use Permit;

Whereas, the Project Site consists of an asphalt and concrete parking lot with several planting areas, enclosed by concrete block walls and fencing;

Whereas, on August 25, 2020, the Board of Education (Board) amended the Facilities Services Division (FSD) Strategic Execution Plan (SEP) to approve a charter augmentation grant for the Rise Kohyang MS Project for up to \$32,793,996 and authorized staff to negotiate and execute agreements for the financing of the Project (Board Report No. 014-20/21), which included taking title of the property per Los Angeles Unified's Charter Augmentation Grant Program Guidelines (Guidelines);

Whereas, On February 8, 2022, the Board adopted the Mitigated Negative Declaration and the Mitigated Monitoring and Reporting Plan pursuant to the California Environmental Quality Act and subsequently approved the Rise Kohyang MS Project (Board Report Nos. 134-21/22 and 135-21/22).

Whereas, the State of California through the California State Allocation Board has provided a preliminary apportionment of capital funding for the design and construction of the Rise Kohyang MS Project through the Charter School Facilities Program and such funding requires Los Angeles Unified hold title to the Project Site in trust for the benefit of the public school system;

Whereas, Bright Star transferred title of the Project Site to Los Angeles Unified on July 15, 2022;

Whereas, pursuant to the Charter Schools Act, Rise Kohyang MS has been chartered by the Los Angeles Unified through 2026, and is currently in good standing;

**LOS ANGELES UNIFIED SCHOOL DISTRICT**

Whereas, the demolition of a vacant parking lot and the construction of facilities for charter school operation will provide the surrounding community with the benefit of increased educational options;

Whereas, Bright Star has presented the Rise Kohyang MS Project to the Los Angeles City Council District 1 Office and its Board of Directors and has not received any opposition for the proposed Project;

Whereas, no local jurisdiction with authority over the property has denied the Rise Kohyang MS a variance, conditional use permit, or other permit requiring discretionary action related to the property;

Whereas, Bright Star has complied, and will continue to comply, with all provisions of environmental review as required by Los Angeles Unified policy and applicable State law;

Whereas, no portion of the site may be occupied without a corresponding form of substantial completion, through which process the Division of the State Architect must ensure that the site is safe for school use;

Whereas, Bright Star has agreed and acknowledged in writing that by granting a zoning exemption, Los Angeles Unified does not make any representation or warranty, express or implied, regarding the condition, safety, or fitness of the property for school use or any other use or purpose;

Whereas, Bright Star has agreed to waive its Proposition 39 rights for the period coterminous with their occupancy of the exempted property;

Whereas, pursuant to California Government Code Section 53094, which provides that by a two-thirds vote of its members, the governing board of a school district may render a city or county zoning ordinances, including city redevelopment plans inapplicable for use of property as classroom facilities; now, therefore, be it;

**RE: Options for use of land acquired using Charter School Facilities Program Funding**

Dear Mr. Watson:

On behalf of Bright Star Schools, you asked the Office of Public School Construction to opine whether the Los Angeles Unified School District (District) could propose alternate uses for the 1700 W. Olympic Boulevard property, which was originally acquired by Bright Star Schools for the Rise Kohyang Middle School project and received funding from the Charter School Facilities Program as Application Number 54/64733-00-103.

Bright Star Schools is the applicant for this project and the entity to which the project funds were awarded. Under the Charter School Facilities Program, title to the facility may be held by the school district, a local governmental entity, or the charter school (with certain provisions including the filing of a lien and Covenants, Conditions, and Restrictions associated with the usage of the property as required under Education Code section 17078.63). Bright Star Schools was approved by the State Allocation Board to hold title to the project facilities on August 28, 2019.

In December 2021 the District and Bright Star Schools requested that the Office of Public School Construction allow the transfer of title back to the District. It was our understanding that the purpose of transferring the property back to the District was to enable Bright Star Schools to access local bond funds through the Augmentation Program in further support of the planned construction project, and that the District holding title to the property was a condition of that local program. In reliance on these representations, the Office of Public School Construction released the conditions on title so that the property could be transferred back to the District.

It is now our understanding that the District is now considering utilizing all or a portion of the 1700 W. Olympic Boulevard property for non-charter school purposes and is contemplating denying a zoning exemption for Bright Star Schools project. In the event that the project is unable to move forward because the District voluntarily chooses not to approve a necessary zoning exemption to the planned project site, the Office of Public School Construction does not believe that that the successor provisions in Education Code section 17078.62 would be the proper next steps in disposition of the property. The intent of the Charter School Facilities Program is to construct facilities for charter school purposes. The succession provisions maintain that priority, with facilities only being made available for general school district usage if

the original charter school is no longer using them for charter school purposes and no other appropriate successor charter school can be found.

The appropriate remedy in the event that the zoning issue is not resolved and the project does not move forward would be for the District to transfer the title back to Bright Star Schools so that the Office of Public School Construction may present the application to the State Allocation Board for revocation, and Bright Star Schools may close out the application and address the disposition of the land to make the state bond funds whole. Setting aside the multi-year process Bright Star Schools has undertaken to bring this project to fruition, a scenario in which the District would obtain title to land acquired with bond funds for charter school purposes only to prevent the project from moving forward solely to trigger the succession provisions in statute seems contrary to voter intent for the bond funds and is not an acceptable program outcome.

Dear Mr. Hamalian:

I am writing with regard to the Bright Star Schools Rise Kohyang Middle School Project (Project), proposed to be constructed on vacant land at 1700 Olympic Boulevard in the City of Los Angeles with a combination of State Charter School Facilities Program (CSFP) funding (grant and loan), and Los Angeles Unified School District (LA Unified) Charter Augmentation Grant local bond funds.

With a two-thirds vote of its board members, a school district may render a local agency's zoning ordinance inapplicable to a proposed use of property. This Spring a zoning exemption for the Project was considered by LA Unified's Board of Education (Board), and the necessary two-thirds affirmative vote was not obtained. Please be advised that the zoning exemption will not return to the Board for reconsideration. In order to proceed with the Project, it appears that Bright Star Schools will need to seek a zoning exemption from the City of Los Angeles. I ask that you please notify LA Unified's Facilities Services Division as to how Bright Star Schools intends to proceed. Isela Lopez Facilities Development Manager, can be reached via e-mail at [isela.lopez@lausd.net](mailto:isela.lopez@lausd.net) or by phone at 213-241-6461.

Thank you for your continued support of Los Angeles public school students.

## PRIORITY FUNDING SCHOOL CONSTRUCTION APPORTIONMENTS

### PURPOSE OF REPORT

To provide priority School Facility Program (SFP) funding Apportionments totaling approximately \$14.2 million for the projects that submitted a valid certification.

### DESCRIPTION

SFP regulations establish two annual filing periods to prioritize school construction funding as cash proceeds become available to provide Apportionments. Specifically, the regulations provide two 30 calendar day periods in which school districts can request to receive an Apportionment upon meeting certain criteria, including acknowledgement that a *Fund Release Authorization* (Form SAB 50-05) must be submitted within 90 calendar days of receiving an Apportionment.

Based on SFP regulations, the recent filing period began on November 13, 2024, and closed on December 12, 2024. Requests must have been received by the Office of Public School Construction (OPSC) on or before December 12, 2024, and are valid from January 1, 2025, through June 30, 2025.

By approving this item, the State Allocation Board (Board) will provide approximately \$14.2 million in Apportionments for four projects from three school districts and qualifying applicants.

### AUTHORITY

See Attachment A.

### BACKGROUND

#### Requests/Acknowledgements

Pursuant to SFP Regulations, applicants choosing to participate in the priority funding process must submit a request to convert an Unfunded Approval to an Apportionment. As part of the request, applicants are required to make the following acknowledgements:

- The applicant understands that the time limit on fund release shall be no more than 90 calendar days from the date of Apportionment.

BACKGROUND (cont.)

- The applicant acknowledges that failure to submit a valid *Fund Release Authorization* (Form SAB 50-05) within the 90-day period will result in the project being rescinded without further Board action. A rescinded application will revert to an Unfunded Approval with a new date on the Unfunded List (Lack of AB 55 Loans) that is 90 calendar days from the date of Apportionment and cannot be guaranteed bond authority.
- In the case that multiple rescissions are made by the SAB, each separate application will be placed on the Unfunded List (Lack of AB 55 Loans) with a new date that is 90 calendar days from the date of Apportionment, in the order of the original unfunded approval date. The district will not be required to resubmit the application and no further application review will be required.
- The applicant acknowledges that by participating in the priority funding process, the applicant is waiving its right to the timeline for fund release submittal described in Section 1859.90.
- The applicant acknowledges that a Grant Agreement must be submitted pursuant to SFP Regulation Section 1859.90.4 and received by OPSC prior to, or concurrently with, the Form SAB 50-05.

Current Priority Funding Round and the Unfunded List (Lack of AB 55 Loans)

Requests submitted during the period that ended on December 12, 2024, will expire on June 30, 2025. This priority funding round generated approximately \$14.2 million in Apportionment requests from three applicants for four out of eight unique Charter School Facilities Program projects, which represents 50.0 percent of the projects on the Unfunded List (Lack of AB 55 Loans) that could have submitted requests. The four remaining projects that could have submitted requests during this priority funding round represent unfunded approvals for site or design funding for the Charter School Facilities Program that are not subject to rescission after two occurrences of non-participation in the priority funding process.

The attachments provide detailed lists of the Apportionment requests received during this filing period, as well as projects that remain on the Unfunded List (Lack of AB 55 Loans). The applications receiving an Apportionment are highlighted in Attachments B and C. In addition, Attachment C includes sixty projects that will remain on the Unfunded List (Lack of AB 55 Loans).

## STAFF ANALYSIS/STATEMENTS

### *Fund Release Requirements*

Applicants receiving Apportionments are required to submit a valid Form SAB 50-05 containing an original or electronic signature for each approved application. The Form SAB 50-05 must be signed by the designated District Representative and must be received by OPSC prior to 11:59 p.m. on July 22, 2025. The form may be submitted electronically via OPSC Online or via email to [OPSCApplicationReviewTeam@dgs.ca.gov](mailto:OPSCApplicationReviewTeam@dgs.ca.gov). OPSC will continue to accept hard copy versions that are mailed or hand delivered to the Office of Public School Construction at 707 Third Street, 4<sup>th</sup> Floor, West Sacramento, CA 95605. If a district fails to submit a valid Form SAB 50-05 within the allotted time frame, the project will be rescinded without further Board action and will receive a new unfunded approval date of July 22, 2025, on the Unfunded List (Lack of AB 55 Loans).

### *Grant Agreement*

For all projects approved for placement on the Unfunded List (Lack of AB 55 Loans) on or after June 5, 2017, a Grant Agreement for the project with an original or electronic signature by an authorized District Representative must be submitted prior to, or concurrently with, the Form SAB 50-05 in order for the Form SAB 50-05 to be considered valid.

### *Non-Participation in the Priority Funding Process*

SFP regulations effective on March 25, 2013, limit the number of times a district can choose not to participate in the priority funding process for a project on the Unfunded List (Lack of AB 55 Loans). Projects receiving an Apportionment in this item that do not submit a valid Form SAB 50-05 prior to 11:59 p.m. on July 22, 2025, will receive one non-participation occurrence. If this is the project's second non-participation occurrence, the project will be fully rescinded without further Board action and will not return to the Unfunded List (Lack of AB 55 Loans)<sup>1</sup>. The bond authority associated with rescinded projects will return to the SFP.

### *New Priority Funding Round*

A new 30-day priority funding request filing period will begin on May 14, 2025, and will end on June 12, 2025. Requests submitted during that period will be valid from July 1, 2025, through December 31, 2025.

---

<sup>1</sup> An exception exists for unfunded approvals for site or design funding for the Charter School Facilities Program, which are not subject to rescission after two occurrences of non-participation in the priority funding process.

### AUTHORITY

Education Code Section 17070.35(a) states, "In addition to all other powers and duties as are granted to the board by this chapter, other statutes, or the California Constitution, the board shall do all of the following:

- (1) Adopt rules and regulations, pursuant to the rulemaking provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, for the administration of this chapter...
- (2) Establish and publish any procedures and policies in connection with the administration of this chapter as it deems necessary...."

Government Code Section 15503 states:

Whenever the board is required to make allocations or apportionments under this part, it shall prescribe rules and regulations for the administration of, and not inconsistent with, the act making the appropriation of funds to be allocated or apportioned. The board shall require the procedure, forms, and the submission of any information it may deem necessary or appropriate. Unless otherwise provided in the appropriation act, the board may require that applications for allocations or apportionments be submitted to it for approval.

Budget Letter 10-09 requires that if there are insufficient bond proceeds, departments and agencies are responsible for prioritizing the projects that will be funded consistent with the prioritization criteria outlined (including job creation). It also indicates that if bond proceeds are not managed efficiently, additional bonds may not be sold for the program.

School Facility Program (SFP) Regulation Section 1859.2 states:

"For the purpose of these regulations, the terms set forth below shall have the following meanings, subject to the provisions of the Act:

...

"Unfunded List" means an information list of unfunded projects, with the exception of the unfunded list defined below as "Unfunded List (Lack of AB 55 Loans)".

"Unfunded List (Lack of AB 55 Loans)" means an information list of unfunded projects that was created due to the State's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans) to fund school construction projects as declared in the Department of Finance Budget Letter #33 issued on December 18, 2008.

..."

SFP Regulation Section 1859.90.2, "Priority Funding Process" states:

"The priority funding process allows the Board to distribute available funds to districts or charter schools that request, pursuant to (a) or (b) below, as applicable, an Apportionment or an advance release of funds from a Preliminary Apportionment or Preliminary Charter School Apportionment, during specific 30-calendar day filing periods beginning with July 27, 2011 and continuing with the 2nd Wednesday of January and the 2nd Wednesday of July of 2012. Requests submitted during the filing periods described above are valid until the next filing period begins. The specific 30-

calendar day filing periods subsequent to 2012 begin with January 9, 2013 and continue with the 2nd Wednesday of May and the 2nd Wednesday of November, each calendar year. Requests submitted during the filing period beginning with January 9, 2013 are valid until June 30, 2013. Requests submitted during a filing period beginning with the 2nd Wednesday of May are valid from July 1 until December 31 of that year. Requests submitted during a filing period beginning with the 2nd Wednesday in November are valid from January 1 until June 30 of the following year. Requests must be physically received by the OPSC by the 30th calendar day of each filing period to be considered valid.

(a) In order to be considered for an Apportionment, approved advance release of design funds from a Preliminary Charter School Apportionment, or approved advance release of environmental hardship site acquisition funds from a Preliminary Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative that includes each of the project Application numbers, and the type of Apportionment request (e.g., Apportionment, separate Apportionment for design or site acquisition), within the 30-calendar day filing period, and shall contain the following: (1) Statement that the request is to convert the unfunded approval to an Apportionment or to receive an approved advance release of funds; and

(2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 90 calendar days of Apportionment or approved advance release of funds request, except for a Career Technical Education Facilities Project in (a)(5), and that failure to do so will result in the rescission of the Apportionment or approved advance release of funds request without further Board action; and

(3) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (a)(2); and

(4) Acknowledgement that, if the district submits the Form SAB 50-05 on or after July 1, 2013 and is required to submit an LCP third party report, pursuant to Section 1859.97(b), the report will be submitted to the OPSC and the DIR at least 60 days prior to submitting the Form SAB 50-05; and

(5) For those receiving an Apportionment, acknowledgement that by participating in the priority funding process, the district or charter school is waiving its right to the timeline for fund release submittal described in Section 1859.90.

(6) For a Career Technical Education Facilities Project that was granted an unfunded approval without the required CDE plan approval and/or required DSA-approved plans and specifications, the applicant's request must include: (A) Acknowledgement that the applicant must submit the required approval(s) to the OPSC within 12 months from the date of the Apportionment. If the required submittal(s) is not received within 12 months, the Apportionment shall be rescinded without further Board action pursuant to Section 1859.197(c)(1); and

(B) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 90 calendar days of the submittal described in (6)(A) and that failure to do so will result in the rescission of the Apportionment without further Board action; and

(C) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (a)(6)(B).

(b) In order to be considered for an approved advance release of site acquisition funds from a Preliminary Charter School Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative within the 30-calendar day filing period, and shall contain all of the following: (1) Statement that the request is to convert the advance release of funds to an approved advance release of funds request; and, (2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 180 calendar days of the approved advance release of funds request and that failure to do so will result in the rescission of the approved advance release of funds request without further Board action; and (3) Acknowledgement that a Grant Agreement must be submitted pursuant to Section 1859.90.4 and physically received by the OPSC prior to, or concurrently with, the Form SAB 50-05 referenced in (b)(2); and (4) Acknowledgement that it must provide evidence that it has entered into the Charter School Agreements within 90 calendar days of approval of the advance release of funds request and that failure to do so will result in the rescission of the approval without further Board action.

(c) If a district or charter school receives an Apportionment or approved advance release of funds request through the priority funding process, the OPSC must receive a valid, original signature copy of the Form SAB 50-05 within the specified time period, pursuant to (a)(2), (a)(6) or (b)(2), as applicable, and a Grant Agreement, pursuant to (a)(3), (a)(6)(C), or (b)(3), as applicable. Upon submittal of the original signature copy of the Form SAB 50-05, if OPSC determines that the Form SAB 50-05 is not valid, the district will have ten business days to amend the Form SAB 50-05 in order to make the Form SAB 50-05 valid. If the OPSC does not receive a valid, original signature copy of the Form SAB 50-05 within the time period: (1) The priority funding Apportionment or approved advance release of funds request shall be rescinded without further Board action, and

(2) If the Application is not subject to rescission pursuant to Section 1859.90.3(c) as defined in Section 1859.90.3(d), the Application shall return to the Unfunded List (Lack of AB 55 Loans) with a new unfunded approval date that is 90 calendar days from the date of Apportionment or approval of the advance release of funds request.

(d) In the event that the amount of requests received during a specific 30-calendar day filing period exceeds the funds available, the Board shall apportion based on the unfunded approval date and the Application received date up to the available cash from each bond source. Projects that have requested to participate in the priority funding process for which an Apportionment cannot be provided shall retain their date order position on the Unfunded List (Lack of AB 55 Loans). Requests not converted to Apportionments will not be returned to the district or kept by the OPSC.

In the event that unexpected cash proceeds from sources other than bond funds become available for use for priority funding Apportionments, at a public meeting the Board may, based on considerations relevant to the amount of time available to effect a distribution of funds, waive the 30-calendar day filing provision specified in this section for impacted school districts to provide funds more rapidly. (1) OPSC shall identify and invite impacted school districts to submit a priority funding request that meets all other criteria in (a) above.

(2) Requests submitted under this provision shall be valid from the date the priority funding request is submitted until the end of the regularly scheduled filing period specified above.

(3) Requests submitted under this provision must comply with all other requirements of the priority funding process in this Section and Section 1859.90.3.

(4) Districts may decline to submit a request outside the normal 30-calendar day filing period without consequence. If the option to submit a request is declined, the requirements to participate in the standard 30-calendar day filing periods specified in (a) above remain in effect.

(5) Unexpected cash proceeds from sources other than bond funds include, but are not limited to, the \$250 million appropriated from the General Fund to the 2016 State School Facilities Fund as a result of the enactment of Statutes of 2021, Chapter 44, Section 163 (Assembly Bill 130).

(f) For purposes of this section “rescinded” or “rescission” shall mean that the Apportionment or approved advance release of funds request returns to unfunded approval status with a new unfunded approval date, except for (a)(5)(A). The new unfunded approval date will be 90 calendar days from the Apportionment date. The district or charter school will not be required to re-submit the Application and no further Application review will be required.”

SFP Regulation Section 1859.90.3, “Participation in the Priority Funding Process” states:

This section applies to Applications for funding for new construction, modernization, Overcrowding Relief Grant, Career Technical Education Facilities Program, Facility Hardship pursuant to Sections 1859.82.1 and 1859.82.2, and Charter School Facilities Program, excluding advance release of design and/or site acquisition funds from a Preliminary Charter School Apportionment.

(a) For each Application on the Unfunded List (Lack of AB 55 Loans) for new construction, modernization, Facility Hardship pursuant to Sections 1859.82.1 or 1859.82.2, the occurrences of (1) or (2) below shall be limited after the effective date of this regulation section [March 25, 2013]. For each Application on the Unfunded List (Lack of AB 55 Loans) for Overcrowding Relief Grant, Career Technical Education Facilities Program, and Charter School Facilities Program, excluding advance release of design and/or site acquisition funds from a Preliminary Charter School Apportionment, the occurrences of (1) or (2) below shall be limited after the effective date of this regulation section [October 1, 2014]: (1) The district abstains from participating in a priority funding 30-calendar day filing period described in Section 1859.90.2 for the Application on the Unfunded List (Lack of AB 55 Loans).

(2) The Application receives a priority funding Apportionment pursuant to Section 1859.90.2(a), and the district fails to meet the fund release requirements pursuant to Section 1859.90.2(c).

(b) The first occurrence of (a)(1) or (a)(2) shall result in the following, as applicable: (1) If (a)(1) occurs, the Application shall retain its place on the Unfunded List (Lack of AB 55 Loans).

(2) If (a)(2) occurs, the priority funding Apportionment shall be rescinded and the Application shall be returned to the Unfunded List (Lack of AB 55 Loans) pursuant to Section 1859.90.2(c)(2).

(c) If subsection (b) has occurred, a subsequent occurrence of either (a)(1) or (a)(2) shall result in the rescission of the Application's Apportionment and/or unfunded approval, as applicable, and the removal of the Application from the Unfunded List (Lack of AB 55 Loans) without further Board action. The Application shall be returned to the applicant.

(d) For purposes of subsection (c), "rescinded" or "rescission" of an unfunded approval shall mean that the bond authority associated with the Apportionment or unfunded approval, as applicable, returns to the appropriate School Facility Program bond authority source for reallocation. If applicable, the pupils housed in the project will be added back to the district's baseline eligibility pursuant to Sections 1859.51(d) for new construction or 1859.61(d) for modernization.

SFP Regulation Section 1859.129(b) states, in part:

"(b) If the district received an apportionment for a Type II Joint-Use Project, not part of a qualifying SFP Modernization project, the district:

...

(2) Has 18 months from the date the DSA and CDE approved plans were submitted to the OPSC to submit a completed Form SAB 50-05 or the apportionment will be rescinded without further Board action. If the district is requesting an Apportionment pursuant to Section 1859.90.1 or 1859.90.2, the Board will require that this time limit be reduced to no more than 90 days from the date of the apportionment."

SFP Regulation Section 1859.197 (b) states, in part:

(b) If Career Technical Education Facilities funds were reserved for the applicant pursuant to Section 1859.193(d) of these Regulations, the applicant:

...

(2) Has 18 months from the date the CDE plan approval and DSA-approved plans and specifications, as needed, are submitted to the OPSC to submit a completed Form SAB 50-05 or the Apportionment shall be rescinded without further Board action. If the district is requesting an Apportionment pursuant to Section 1859.90.1 or 1859.90.2, the Board will require that this time limit be reduced to no more than 90 days from the date of the Apportionment."

REPORT OF THE EXECUTIVE OFFICER  
State Allocation Board Meeting, April 23, 2025

CAREER TECHNICAL EDUCATION FACILITIES PROGRAM FUNDING CYCLES

PURPOSE OF REPORT

To present the State Allocation Board (Board) with recommendations to establish an additional funding cycle for the Career Technical Education Facilities Program (CTEFP).

DESCRIPTION

The Kindergarten through Grade 12 Schools and Local Community College Public Education Facilities Modernization, Repair, and Safety Bond Act of 2024 (Proposition 2) provided the CTEFP \$600 million in bond authority. Therefore, the Board must consider establishing additional CTEFP funding cycles to allocate the funds. In collaboration with the California Department of Education (CDE), staff is presenting options to the Board for future CTEFP funding cycles.

AUTHORITY

Education Code (EC) Section 101412(a)(4) indicates that Proposition 2 authorizes: "The amount of six hundred million dollars (\$600,000,000) for facilities for career technical education programs pursuant to Article 13 (commencing with Section 17078.70) of Chapter 12.5 of Part 10 of Division 1 of Title 1."

School Facility Program (SFP) Regulation Section 1859.191 states in part:

(a) The Board shall accept Approved Applications for Career Technical Education Facilities Project Funding and make apportionments as follows:

(1) All applications received in a six-month cycle will be processed and prioritized for career technical education funding in the manner described in Section 1859.194.

(2) The funding cycles are established as follows:

....

(C) At the discretion of the Board, subsequent funding cycles may continue every six months thereafter until the Career Technical Education Facilities Program funds are exhausted or other funds become available.

(3) The Career Technical Education Facilities funds will be apportioned at the next available Board meeting after the end of each application cycle.

BACKGROUND

*Funding Cycle History*

On November 8, 2006, the Kindergarten-University Public Education Facilities Bond Act of 2006 (Proposition 1D) took effect and established the CTEFP within the SFP, authorizing \$500 million for the CTEFP. Due to anticipated high interest in the program and to make it accessible to as many applicants as possible, the Board

## BACKGROUND (cont.)

established funding cycles with specified amounts of funding allocated to each cycle. The Board also established a funding matrix system to ensure that the funds were divided among different geographic locales and service regions. Within the first two established funding cycles, funds were distributed by Service Region, and projects were funded in order of CDE score and geographic locale. For the third and subsequent cycles, regulations prescribed that projects will be ordered by CDE score and geographic locale. The first cycle had \$350 million allotted, and the second cycle had \$150 million allotted. At the end of the second cycle, sufficient funds remained to hold a third funding cycle due to project recissions, for a total of \$29.4 million.

Subsequently, the Kindergarten through Community College Public Education Facilities Bond Act of 2016 (Proposition 51) provided the CTEFP \$500 million in bond authority. The Board established the fourth (\$125 million), and fifth (\$125 million) funding cycles on August 23, 2017, and the sixth (\$250 million) funding cycle on June 23, 2019.

The November 2024 passage of Proposition 2 provided \$600 million in bond authority for the CTEFP.

## STAFF ANALYSIS/STATEMENTS

Staff is presenting two options described below for either one or two future funding cycles for the Board's consideration. Staff recommends Option 1 to establish a seventh funding cycle and allocate \$300 million, and direct staff to bring back a future item for Board consideration to establish an eighth CTEFP funding cycle to allocate the remaining \$300 million authorized by Proposition 2.

### *Proposed Funding Cycles: Allotment and Schedule*

Funding cycles for CTEFP occur in two steps. First, applicants must submit a grant application to CDE and receive a score. The Career Technical Education plans must contain all mandatory elements required by CDE and must have received a score of at least 105 points to be eligible for funding. If a minimum passing score is achieved, the applicant is eligible to submit a funding application to the Office of Public School Construction (OPSC).

In considering the timing of funding cycles, some applicants may have viable projects that are prepared for the steps described above, and others may need additional time to develop complete grant and funding applications. The Board could consider adopting funding cycle schedules to accommodate these considerations. Under Propositions 1D and 51, the Board established three funding cycles each and allocated a maximum amount of bond authority per cycle. This created a broader opportunity for all potential applicants to prepare applications and achieve the minimum required application score; however it also means that when the program

STAFF ANALYSIS/STATEMENTS (cont.)

is oversubscribed, only applications receiving the highest scores will be funded. Although three CTEFP funding cycles were held for program bond authority provided by Propositions 1D and 51, OPSC and CDE recommend that the Board establish two funding cycles for Proposition 2 CTEFP bond authority based on anticipated high demand for the program and the desire to make available resources for CTEFP projects available expeditiously. In the event that additional funds remain or return to the program, the Board could opt to add additional funding cycles.

*Seventh Funding Cycle Proposed Requirements and Key Dates*

Staff recommends that all applicants be required to obtain new scores from CDE to be considered for Proposition 2 CTEFP funding. Applications from the most recent cycle were submitted to CDE in late 2019 and received scores in early 2020, more than five years ago. OPSC staff collaborated with CDE on the proposed schedule below for the seventh funding cycle:

- Applicants would submit Grant Applications to CDE by December 1, 2025.
- CDE would publish Grant Application scores by March 31, 2026.
- Upon receipt of a passing score from CDE, applicants would submit the *Application for Career Technical Education Facility Funding* (Form SAB 50-10) to OPSC by close of business on June 30, 2026.
- OPSC would present applications to the Board for funding consideration by December 2026.

To ensure that school districts are aware of the submittal process, OPSC, CDE, and the Division of the State Architect anticipate holding a joint workshop on May 22, 2025. Future details of this workshop will be forthcoming.

If the Board selects Option 1, staff will propose specific dates for the eighth funding cycle at a future meeting.

*Options for Future Funding Cycle(s)*

For Proposition 2, staff proposes the following options for Board consideration:

Option 1 – Two Funding Cycles, \$300 Million Each

Option 1 would allocate Proposition 2 funds for CTEFP across two funding cycles with \$300 million each. The Board would establish the seventh funding cycle and allocate \$300 million, and direct staff to bring back a future item for the Board's consideration to establish an eighth funding cycle with an allocation of \$300 million (less administrative costs of the program).

*Considerations*

- School districts would have time to prepare and submit applications prior to December 1, 2025.

STAFF ANALYSIS/STATEMENTS (cont.)

- This option is consistent with past Board actions to establish multiple funding cycles with a maximum allocation of bond authority.
- A potential applicant that is not ready for the proposed seventh filing cycle could develop a competitive application for the eighth filing cycle.
- OPSC and CDE staff will provide more specific dates regarding the eighth cycle at a future Board date.
- If the filing cycle is oversubscribed, funding is more likely to be provided to the highest scoring applicants.

Option 2 – One \$600 Million Funding Cycle

Under Option 2, the Board would allocate all of the \$600 million from Proposition 2 to the seventh funding cycle.

*Considerations*

- Applicants would need to be prepared quickly with no second opportunity to submit applications.
- Unprepared applicants may receive lower scores when, with additional time, they may have received higher scores from CDE and thus had more competitive applications if a future cycle were available.
- If the filing cycle is oversubscribed, it allows applicants with passing yet less competitive scores, to be funded.

RECOMMENDATIONS

1. Require that applicants obtain new CDE scores by submitting CDE Grant Applications to CDE by December 1, 2025.
2. Require that applications for CTEFP project funding for the seventh funding cycle be submitted to OPSC by June 30, 2026.
3. Specify that the maximum funding allocation for eligible projects received in the seventh CTEFP funding cycle will be \$300 million.
4. Specify that applications submitted to OPSC by school districts and county offices of education for CTEFP project funding for the seventh funding cycle must include a governing board resolution acknowledging the following requirements:
  - a. If the application receives an apportionment, the applicant must submit a five-year school facilities master plan with the substantial progress certification for construction of the project or the 100 percent complete *Expenditure Report* (Form SAB 50-06), whichever occurs first; and
  - b. The apportionment may be rescinded for failure to submit a five-year school facilities master plan with the required components by the deadline specified above.

RECOMMENDATIONS (cont.)

5. Direct staff to bring back a future item for Board consideration to establish an eighth CTEFP funding cycle.

This Item was approved by the State Allocation Board on April 23, 2025.

## SCHOOL DISTRICT EXTENSION REQUESTS

### **SOUTHERN CALIFORNIA WILDFIRES EXTENSION REQUESTS**

On January 7, 2025, Governor Newsom proclaimed a State of Emergency in Los Angeles and Ventura Counties as a result of severe wildfires and windstorm conditions.

As a result of prior emergency proclamations, the State Allocation Board (Board) previously approved regulations to provide the Executive Officer with the authority, during a proclaimed emergency by the Governor of the State of California, to grant program extensions. The Executive Officer must inform the Board of any action taken.

A total of 15 extension requests were received and processed by OPSC in January 2025. As of March 31, 2025 all requests have been resolved and are closed.
