REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, April 29, 2026

PRIORITY FUNDING SCHOOL CONSTRUCTION APPORTIONMENTS

PURPOSE OF REPORT

To provide priority School Facility Program (SFP) funding Apportionments totaling approximately ~~\$751.0~~ \$745.6 million for the projects that submitted a valid priority funding certification.

DESCRIPTION

SFP regulations establish two annual filing periods to prioritize school construction funding as cash proceeds become available to provide Apportionments. Specifically, the regulations provide two 30-calendar-day periods in which school districts can request to receive an Apportionment upon meeting certain criteria, including acknowledgement that a *Fund Release Authorization* (Form SAB 50-05) must be submitted within 90 calendar days of receiving an Apportionment.

Based on SFP regulations, the recent filing period began on November 12, 2025, and closed on December 11, 2025. Requests must have been received by the Office of Public School Construction (OPSC) on or before December 11, 2025, and are valid from January 1, 2026, through June 30, 2026.

By approving this item, the State Allocation Board (Board) will provide approximately ~~\$751.0~~ \$745.6 million in Apportionments for 191 189 projects from ~~90~~ 89 school districts and qualifying applicants.

AUTHORITY

See Attachment A.

BACKGROUND

Requests/Acknowledgements

Pursuant to SFP Regulations, applicants choosing to participate in the priority funding process must submit a request to convert an unfunded approval to an Apportionment. As part of the request, applicants are required to make the following acknowledgements:

- The applicant understands that the time limit on fund release shall be no more than 90 calendar days from the date of Apportionment.

BACKGROUND (cont.)

- The applicant acknowledges that failure to submit a valid Form SAB 50-05 within the 90-day period will result in the project being rescinded without further Board action. A rescinded application will revert to an unfunded approval with a new date on the Unfunded List (Lack of AB 55 Loans) that is 90 calendar days from the date of Apportionment and cannot be guaranteed bond authority.
- In the case that multiple rescissions are made by the Board, each separate application will be placed on the Unfunded List (Lack of AB 55 Loans) with a new date that is 90 calendar days from the date of Apportionment, in the order of the original unfunded approval date. The district will not be required to resubmit the application and no further application review will be required.
- The applicant acknowledges that by participating in the priority funding process, the applicant is waiving its right to the timeline for fund release submittal described in Section 1859.90.
- The applicant acknowledges that a Grant Agreement must be submitted pursuant to SFP Regulation Section 1859.90.4 and received by OPSC prior to, or concurrently with, the Form SAB 50-05.

Current Priority Funding Round and the Unfunded List (Lack of AB 55 Loans)

Requests submitted during the period that ended on December 11, 2025, will expire on June 30, 2026. This priority funding round generated approximately ~~\$751.0~~ \$745.6 million in valid Apportionment requests from 90 89 applicants for 191 189 out of 204 unique projects, which represents ~~93.63~~ 92.65 percent of the projects on the Unfunded List (Lack of AB 55 Loans) that could have submitted requests.

The attachments provide detailed lists of the Apportionment requests received during this filing period, as well as projects that remain on the Unfunded List (Lack of AB 55 Loans). The applications receiving an Apportionment are indicated in Attachments B and C. In addition, Attachment C includes 114 116 projects that will remain on the Unfunded List (Lack of AB 55 Loans). Three of the 114 116 remaining projects represent unfunded approvals for site or design funding for the Charter School Facilities Program that are not subject to rescission after two occurrences of non-participation in the priority funding process.

STAFF ANALYSIS/STATEMENTS (cont.)

New Priority Funding Round

A new 30-day priority funding request filing period will begin on May 13, 2026 and will end on June 11, 2026. Requests submitted during that period will be valid from July 1, 2026, through December 31, 2026.
