# REPORT OF THE EXECUTIVE OFFICER State Allocation Board Meeting, January 25, 2006

### ANNUAL ADJUSTMENT TO SCHOOL FACILITY PROGRAM GRANTS

### PURPOSE OF REPORT

To report the annual adjustment in the School Facility Program (SFP) Grants as provided in the Education Code and Title 2 of the California Code of Regulations.

### **DESCRIPTION**

The SFP Regulations require that various grant amounts of the SFP shall be adjusted annually based on the change in the Class B Construction Cost Index each January. At the March 2005 State Allocation Board meeting, the Board adopted for the next two years, use of the Marshall & Swift Eight California Cities Class B Construction Cost Index. The specific regulation sections are noted on the Attachment. The consent items on this agenda requesting SFP funding reflect the updated adjustments for January 2006.

The cost index for Class B construction increased 4.62 percent during the period of January 1, 2005 through January 1, 2006. The figures shown on the Attachment reflect the calculated increase.

### RECOMMENDATION

Approve the increase to the grant amounts as provided on the Attachment for the use of SFP applications approved on or after January 1, 2006.

This Item was approved by the State Allocation Board on January 25, 2006.
