## GENERAL INFORMATION

If this Application is submitted when there is Insufficient Bond Authority, as defined in Regulation Section 1859.2, the School District must adopt and submit a school board resolution, pursuant to Regulation Section 1859.95.1. For information regarding remaining bond authority, contact the Office of Public School Construction (OPSC) prior to submittal of this Application.

If not previously submitted, a School District may file an Application for Modernization funding by use of this form concurrently with a determination of or an adjustment to the School District's Modernization Eligibility. The School District must submit a determination of or an adjustment to the School District's new construction baseline eligibility upon request, as described in Regulation Sections 1859.51 or 1859.70, as applicable. The Board will only provide new construction funding if this form is submitted prior to the date of occupancy of any classrooms included in the construction contract. If the School District has a pending reorganization election that will result in the loss of eligibility for the proposed project, the School District must submit an adjustment to the School District's new construction baseline eligibility as required in Section 1859.51 upon request. This may be accomplished by completion and submittal of Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 for the current enrollment year. Failure to submit the requested Forms may result in OPSC returning the funding Application to the School District unprocessed.

For purposes of Education Code Section 17073.25, the California Department of Education (CDE) is permitted to file Modernization Applications on behalf of the California Schools for the Deaf and Blind.

Requests for funding may be made as follows:

1. A separate Apportionment for site acquisition for a new construction project for environmental hardship pursuant to Section 1859.75.1. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
  - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
  - Contingent site approval letter from the CDE.
  - Preliminary appraisal of property.
  - Approval letter from the Department of Toxic Substances Control.
2. A separate Apportionment for site acquisition and/or design costs for a new construction project pursuant to Section 1859.81.1. This Apportionment is available only to School Districts that meet the financial hardship criteria in Section 1859.81. School Districts may apply for a separate Apportionment for the design and for site acquisition on the same project. For purposes of this Apportionment, the following documents must be submitted with this form (as appropriate):
  - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
  - Contingent site approval letter from the CDE (site Apportionment only).
  - Preliminary appraisal of property (site Apportionment only).
3. A separate Apportionment for district-owned site acquisition cost pursuant to Section 1859.81.2. For purposes of this Apportionment, the following documents must be submitted with this form (as appropriate):
  - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
  - Site approval letter from the CDE.
  - Appraisal of district-owned site.
  - Cost benefit analysis as prescribed in Section 1859.74.6 or a copy of the Board

finding that the non-school function on the district-owned site must be relocated.

4. A separate Apportionment for design cost for a Modernization project pursuant to Section 1859.81.1. This Apportionment is available only to School Districts that meet the financial hardship criteria in Section 1859.81. For purposes of this Apportionment, the Form SAB 50-03 must accompany this form (if not previously submitted).
5. A New Construction Adjusted Grant pursuant to Section 1859.70 or 1859.180. If the funding request includes site acquisition, the proposed site must either be owned by the School District, in escrow, or the School District has filed condemnation proceedings and received an order of possession of the site. For purposes of this Apportionment, the following documents must be submitted with this form (as appropriate):
  - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03.
  - Site/plan approval letter from the CDE.
  - Appraisal of property if requesting site acquisition funds.
  - Plans and specifications (P&S) for the project that were approved by the DSA. Submittal of plans may be on CD-ROM or "Zip Drive" readable in AutoCAD 14. The specifications may be provided on a diskette that is IBM compatible.
  - Cost estimate of proposed site development, if requesting site development funding.
  - If this request is pursuant to Section 1859.77.2 and the School District's housing plan is other than those listed in the certification section of this form, a copy of the school board resolution and the approved housing plan.
  - If the site Apportionment is requested pursuant to Regulation Section 1859.74.5, a cost benefit analysis as prescribed in Regulation Section 1859.74.6 or a copy of the Board finding that the non-school function on the district-owned site must be relocated.
  - If this request is fully or partially based on eligibility derived from an Alternative Enrollment Projection, a justification of how the project relieves overcrowding, including but not limited to, the elimination of the use of Concept 6 calendars, four track year-round calendars, or bussing in excess of 40 minutes.
  - Written confirmation from the School District's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the School District consistent with Education Code Sections 51224, 51225.3(b), 51228(b), and 52336.1.
6. For purposes of the Overcrowding Relief Grant (ORG), School Districts must submit the Overcrowding Relief Grant District-Wide Eligibility Determination (Form SAB 50-11) prior to the submittal of this funding Application. In addition, School Districts must have had the CDE deem the site eligible for the ORG (pursuant to Section 1859.181) prior to the submittal of this Application. For purposes of this Apportionment, the following documents must be submitted with this form as well as the documents listed in section 5 above:
  - Overcrowding Relief Grant Eligibility Determination Form approved by the CDE.
  - Copies of the supporting documentation provided to the CDE when determining the density of the site, including the site diagram.
7. Modernization Adjusted Grant pursuant to Section 1859.70. For purposes of this Apportionment, the following documents must be submitted with this form (as appropriate):
  - Form SAB 50-03 (if not previously submitted).

The School District is not required to submit its current CBEDS enrollment data.

- P&S for the project that were approved by the DSA.
  - If the request includes funding for accessibility and fire code requirement pursuant to Section 1859.83(f), the DSA approved list of the minimum accessibility work required and a detailed cost estimate for the work in the plans.
  - DSA approval letter for elevator to meet access compliance, if funding is requested.
  - Cost estimate of the proposed site development necessary for the reconfiguration of an existing high school.
  - Plan approval letter from the CDE.
  - Districtwide enrollment data on Form SAB 50-01 when requesting project assistance (if not previously submitted).
  - If the request includes funding for 50 year old permanent buildings pursuant to Section 1859.78.6, a site diagram identifying all buildings to be modernized in the project. The diagram must specify those buildings that are at least 50 years old.
  - Written confirmation from the School District's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the School District consistent with Education Code Sections 51224, 51225.3(b), 51228(b), and 52336.1.
  - For requests to replace 75 Years or Older Building(s) per Section 1859.78.7.1, the School District must submit the following:
    - A completed *75 Years or Older Building Cost Estimate and Cost/Benefit Analysis* (Form SAB 57-75).
    - A copy of the demolition plans, or other supporting documentation, that demonstrate the demolition of the qualifying 75 Years or Older Building(s).
    - A detailed cost estimate that delineates the cost associated with the work to demolish and replace the qualifying 75 Years or Older Building(s), inclusive of the allowable site development costs per Section 1859.78.7.1, apart from the other Modernization work in the DSA-approved plans.
  - If the request includes funding for the construction of a Minimum Essential Facility (MEF) per Section 1859.78.9.1, or a Transitional Kindergarten classroom(s) per Section 1859.78.9.2, the School District must submit a detailed cost estimate that delineates the cost associated with the work for the qualifying facility(s) in the DSA-approved plans apart from the other Modernization work in the DSA-approved plans.
8. Final Charter School Apportionment for Charter School Facilities Rehabilitation pursuant to Section 1859.167.1. For purposes of this Apportionment, the following documents must be submitted with this form (as appropriate):
- P&S for the project that were approved by DSA.
  - If the request includes funding for accessibility and fire code requirement pursuant to Section 1859.167.3(d), the DSA approved list of the minimum accessibility work required and a detailed cost estimate for the work in the plans.
  - DSA approval letter for elevator to meet access compliance, if funding is requested.
  - High performance incentive (HPI) scorecard from DSA.
  - Plan approval letter from the CDE.
  - Construction cost estimate signed by the architect of record or design professional.
  - Determination of financial soundness from the California School Finance Authority (CSFA).
  - Written confirmation from the applicant's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the School District consistent with Education Code

- Sections 51224, 51225.3(b), 51228(b), and 52336.1.
9. If the Application includes a request for Financial Hardship, the School District must comply with the requirements of Section 1859.81.
- If the Application is submitted when there is Insufficient Bond Authority, as defined in Section 1859.2, the School District must adopt a school board resolution pursuant to Section 1859.95.1(b).
- If the School District is requesting New Construction funding after the initial baseline eligibility was approved by the Board and the School District's current CBEDS enrollment reporting year is later than the enrollment reporting year used to determine the School District's baseline eligibility or adjusted eligibility, the School District must complete a new Form SAB 50-01 based on the current year CBEDS enrollment data, and submit it to the OPSC with this form. In addition, if the School District's request is fully or partially based on eligibility derived from an Alternative Enrollment Projection, the School District must update the Alternative Enrollment Projection to correspond with the CBEDS enrollment data for the current year. A Small School District with 2,500 or less enrollment as defined in Section 1859.2 will not have its eligibility reduced for a period of three years from the date the Small School District's baseline eligibility was approved by the Board as a result of reduction in projected enrollment.

For a list of the documents that must be submitted in order for the OPSC to deem a funding request for new construction or Modernization complete and ready for OPSC processing, consult the SFP handbook and other information located on the OPSC Web site at [www.dgs.ca.gov/ops](http://www.dgs.ca.gov/ops).

For purposes of completing this form for a Final Charter School Apportionment, a charter school shall be treated as a Small School District.

## SPECIFIC INSTRUCTIONS

The School District must assign a Project Tracking Number (PTN) to this project. The same PTN is used by the OPSC, the DSA and the CDE for all project applications submitted to those agencies to track a particular project through the entire state application review process. If the School District has already assigned a PTN to this project by prior submittal of the P&S to either the DSA or the CDE for approval, use that PTN for this Application submittal. If no PTN has been previously assigned for this project, a PTN may be obtained from the OPSC Web site at [www.dgs.ca.gov/ops](http://www.dgs.ca.gov/ops) "PT Number Generator."

### 1. Type of Application

Check the appropriate box that indicates the type of School Facility Program (SFP) grant the School District is requesting for purposes of new construction, Modernization, a separate design and/or site Apportionment, site Apportionment as an environmental hardship or New Construction (Final Apportionment). If the Application is for the Modernization of school facilities and includes facilities that are eligible for an additional Apportionment pursuant to Section 1859.78.8, include a site diagram with this Application that specifies the age of each facility eligible for Modernization. The diagram should also indicate the date of its original DSA plan approval and the date the facility received its prior Modernization Apportionment. If known include the project modernization number on the diagram. If the Application is for Modernization of a California School for the Deaf or Blind, the CDE shall check the box identified as Modernization of California Schools for the Deaf/Blind. If the request is for a separate design Apportionment, the CDE shall check the appropriate box. If the eligibility for this project was established as a result of a health and safety threat pursuant to Section 1859.82.1, or a seismic replacement or seismic rehabilitation for the Most Vulnerable Category 2 Buildings pursuant to Section 1859.82.2, and/or the

request is for a conceptual approval for a Facility Hardship Application pursuant to Section 1859.82.3(a) or a Seismic Mitigation Program Application pursuant to Section 1859.82.3(b), check the appropriate box(es).

If this request is for an addition to an existing site and advance funding for the evaluation and RA costs, check the appropriate box and refer to Section 1859.74.4.

If this request is for an Overcrowding Relief Grant, check the New Construction (Overcrowding Relief Grant) box.

If this request is to convert a Preliminary Apportionment or a Preliminary Charter School Apportionment to a Final Apportionment, check the New Construction Final Apportionment, New Construction Final Charter School Apportionment or the Rehabilitation Final Charter School Apportionment box, as appropriate.

If the School District is requesting a separate site and/or design Apportionment, complete boxes 2a, 3, 4, the site acquisition data in box 5 (d and e), and boxes 13, 14, 15, 16, and 24 25 only.

## 2. Type of Project

- a. Select the type of project that best represents this Application request and enter the total number of Pupils assigned to the project for each grade group. Include Pupils to be housed in a new or replacement school authorized by Section 1859.82 (a). The amount entered cannot exceed the School District's baseline eligibility determined on Form SAB 50-03 and will be the basis for the amount of the new construction or Modernization Grants provided for the project.

If this request is for a Final Apportionment, the Pupils assigned to the project must be at least 75 percent, but not more than 100 percent, of the Pupils that received the Preliminary Apportionment. Refer to Section 1859.147.

For ORG projects, the amount entered cannot exceed the Overcrowding Relief Pupil Eligibility (pursuant to Section 1859.182 and 1859.183) as reflected in the total number of eligible Pupils determined by the Form SAB 50-11 or the CDE Overcrowding Relief Grant Eligibility Determination form.

For Charter School Facilities Program Rehabilitation, leave the number of Pupils blank.

- b. Check the box if the project is eligible for funding for 50 year or older permanent buildings and report, at the option of the School District:
  - The total number of eligible classrooms or the total eligible square footage building area at the site. Refer to Section 1859.78.6(b)(1)(A) or (b)(2)(A).
  - The total number of permanent classrooms or the total permanent square footage building area that is at least 50 years old and not been previously modernized with state funds. Refer to Section 1859.78.6(b)(1)(B) or (b)(2)(B).
  - Enter the greater percentage as calculated under Regulation Section 1859.78.6(b)(1)(C) or Regulation Section 1859.78.6(b)(2)(C).
  - If this project includes eligible 50 year or older Pupil grants, enter the appropriate number assigned to the project for each grade group. The number of Pupils entered cannot exceed the cumulative number of 50 year or older permanent buildings Pupil grants requested for all Modernization funding Applications for the site as determined by using the percentage factor above.
- c. If this request includes Pupil grants generated by an Alternative Enrollment Projection Method, enter the number of Pupils by grade level.
- d. Check the box if the project is eligible for funding for 75 Years or Older Buildings and report the following, if applicable:

- The total number of eligible classrooms and/or the total eligible square footage building area being demolished. Refer to Section 1859.78.7.1.
- The total number of eligible classrooms and/or the total eligible square footage building area being constructed. Refer to Section 1859.78.7.1.
- Enter the appropriate number assigned to the project for each grade group. The number of Pupils entered cannot exceed the cumulative number of Pupil grants requested in Section 2a. and determined by using the percentage factor above.
- e. Indicate if this request is for funding of a 6-8 school and/or an Alternative Education School.
- f. Check the applicable box if the School District is requesting additional Pupil grants assigned to the project that exceed the capacity of the project or if the Pupils assigned represent eligibility determined at another grade level and check the appropriate box to indicate under which regulation the School District is applying. The Pupil capacity of the project may be determined by multiplying the classrooms reported in box 3 by 25 for K-6; 27 for 7-8, 9-12 grades; 13 for non-severe and 9 for severe.
- g. Enter the square footage of the non-toilet area and toilet area contained in the Charter School Facilities Program Rehabilitation project.
- h. Indicate the site scenario that best represents the project request.
- i. For ORG projects, the School District must provide the following information in the space provided:
  - Name of the eligible school site(s) where portables will be replaced in this project
  - Number of portables being replaced at each school site
  - Number of site specific eligible Pupils being requested for this project for each school site. The total number of site specific eligible Pupils assigned to this project must equal the total number of Pupils in Section 2a.

## 3. Number of Classrooms

Enter the:

- Number of classrooms as shown on the plans and specifications (P&S). If there was demolition at the site, report the net increase in the number of classrooms showing in the P&S.
- Master plan site size, as recommended by the California Department of Education.
- Recommended site size, as determined by the California Department of Education.
- Existing Useable Acres already owned at that location (if any).
- Proposed Useable Acres that was/will be purchased as part of the Application (if any).

## 4. Financial Hardship Request

Check the appropriate box(es) if the School District is requesting Financial Hardship assistance because it is unable to meet its matching share requirement.

- If the Application includes a request for Financial Hardship, the School District must comply with the requirements of Section 1859.81.
- If there is Insufficient Bond Authority for the type of Application, check the second box and attach a school board resolution pursuant to Section 1859.95.1(b).

## 5. New Construction Additional Grant Request

Check the appropriate box(es) if the School District requests an augmentation to the New Construction Grant for "additional" grants for the items listed. Refer to Sections 1859.72 through 1859.76 for eligibility criteria. Enter the:

- a. Therapy area in square feet as provided in Section 1859.72.
- b. Multilevel classrooms in the P&S pursuant to Section 1859.73.
- c. Check the box if the School District is requesting project assistance pursuant to Section 1859.73.1. If the School District has not submitted a request for new

construction baseline eligibility on a district-wide basis, it must submit a current Form SAB 50-01 based on district-wide enrollment data with this form.

- d. If the project the School District is requesting SFP funding for does not require an RA, refer to Section 1859.74. If a RA is required on a site that is not leased or an addition to an existing site, refer to Section 1859.74.2. If RAs are required on a leased site or an addition to an existing site, refer to Sections 1859.74.3 or 1859.74.4, respectively. The limitation of 50 percent may be exceeded when unforeseen circumstances exist, the CDE determines that the site is the best available site, and substantiation that the costs are the minimum required to complete the evaluation and RA.

- 1) Enter 50 percent of the actual cost.
- 2) Enter 50 percent of the appraised value of the site. If the request is made pursuant to Regulation Section 1859.74.5, enter 50 percent of the appraised value.
- 3) Enter 50 percent of the allowable relocation cost.
- 4) Enter two percent of the lesser of the actual cost or appraised value of the site (minimum \$25,000).
- 5) Enter 50 percent of the Department of Toxic Substances Control (DTSC) fee for review and approval of the phase one environmental site assessment and preliminary endangerment assessment reports. Refer to Sections 1859.74, 1859.74.1, 1859.74.5, 1859.75, 1859.75.1 and 1859.81.1.

A project that received site acquisition funds under the Lease-Purchase Program (LPP) as a priority two project is not eligible for site acquisition funds under the SFP. A district-owned site acquired with LPP, SFP or Proposition 1A funds is not eligible for funding under Regulation Section 1859.74.5.

- e. Enter 50 percent of the amount allowable for hazardous materials/waste removal and/or remediation for the site acquired pursuant to Sections 1859.74.2, 1859.74.3, 1859.74.4, 1859.75.1 or 1859.81.1. If an RA is required, check the box.
- f. Enter 50 percent of eligible service-site development, off-site development including pedestrian safety paths and utilities costs allowed pursuant to Section 1859.76. Attach cost estimates of the proposed site development work which shall be supported and justified in the P&S. All cost estimates shall reflect 100 percent of the proposed work.

Check the box if the School District is requesting an Additional Grant for General Site Development pursuant to Section 1859.76

- g. If the School District is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.71.3(a), enter the percentage of energy efficiency that exceeds Title 24 requirements as prescribed in Section 1859.71.3(a)(3). If the School District is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.71.3(c), enter the Energy Code compliance approach used (Performance Only, Prescriptive Only, Performance/Prescriptive) and the total score that is on the OPSC CA-CHPS Scorecard. A copy of the OPSC CA-CHPS Scorecard must be submitted to OPSC as part of the complete funding request.

- h. Check the box(es) if the School District requests and the project qualifies for additional funding for fire code requirements authorized in Section 1859.71.2.
- i. If the School District is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.70.4, enter the number of high performance points as prescribed in Section 1859.71.6 or 1859.77.4, as appropriate, subject to Education Code Section 17070.965.

**6. Modernization Additional Grant Request**

- a. Check the box if the School District is requesting project assistance allowance pursuant to Section 1859.78.2. If the School District has not submitted a request for new construction baseline eligibility on a district-wide basis, it must submit a current Form SAB 50-01 based on district-wide enrollment data with this form.
- b. If the School District is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.78.5(a), enter the percentage of energy efficiency that exceeds Title 24 requirements as prescribed in Section 1859.78.5(a)(3). If the School District is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.78.5(c), enter the Energy Code compliance approach used (Performance Only, Prescriptive Only, Performance/Prescriptive) and the total score that is on the OPSC CA-CHPS Scorecard. A copy of the OPSC CA-CHPS Scorecard must be submitted to OPSC as part of the complete funding request.
- c. Check the box if the School District requests an additional grant for site development utility cost necessary for the modernization of 50 years or older permanent building(s). Enter 60 percent of the eligible costs allowable pursuant to Section 1859.78.7(a).
- d. Check the box if the School District requests an additional grant for site development utility cost necessary for the replacement of a 75 Years or Older Building, if not already provided under the provisions pursuant to Section 1859.78.7(a). Enter 60 percent of the eligible costs allowable.
- e. Check the box(es) if the School District requests and the project qualifies for additional funding for fire code requirements authorized in Section 1859.78.4.
- f. If the School District is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.70.4, enter the number of high performance points as prescribed in Section 1859.77.4, subject to Education Code Section 17070.965.
- g. Check the box if the School District is requesting an Additional Grant for a Minimum Essential Facility pursuant to Regulation Section 1859.78.9.1. Check the box for the type of facility being requested (if the facility is a hybrid facility, select 'Hybrid' and indicate the type of facility on the line provided) and indicate the amount of eligible Toilet and Other square footage being built in the project. Check the appropriate box depending on whether the Minimum Essential Facility is permanent or portable construction. Check the box if the School District is requesting an additional grant for Site Development pursuant to Regulation Section 1859.78.9.1. At the School District's option, the School District may request 35 percent of the Minimum Essential Facility supplemental grant or enter 60 percent of the amount calculated pursuant to Regulation Section 1859.78.9.1(b)(7) or 1859.78.9.1(c)(7).
- h. 1) Check the box if the School District is requesting an Additional Grant for Transitional Kindergarten classrooms for the construction of a new transitional kindergarten classroom(s) and/or retrofit of an existing school facility to be a transitional kindergarten classroom(s). Check the appropriate boxes if the School District is augmenting the grant with additional supplemental grants respective of the transitional kindergarten classroom project scope. Check the box if the School District is requesting an additional grant for Site Development pursuant to Regulation Section 1859.78.9.2. The School District may choose to request 35 percent of the Transitional Kindergarten supplemental grant, or enter 60 percent of minimum work amount, pursuant to Regulation Section 1859.78.9.2(c)(4) or 1859.78.9.2(c)(5).
- h. 2) The information needed to complete this section is based on the latest California Basic Educational Data System (CBEDS) enrollment data. Applications filed on or after November 1st must include the current school year enrollment. Enter the CBEDS enrollment for grades TK-3 at the school site for the current year and the three prior years' TK-3 enrollment, as appropriate.

Requests for funding shall include the documents as follows:

- Site map that includes labelling of all facilities and their current use, and identifies all classrooms constructed or previously retrofitted to house kindergarten students.
- Narrative that explains the current classroom and facility usage at the site, what the School District plans to do with the project, and the resulting usage at the completion of the project.

- i. If the applicant is requesting an Additional Grant for Career Technical Education (CTE) Components pursuant to Section 1859.78.10, enter 60 percent of the costs for the eligible CTE component(s) in the entire Modernization Application.

**7. Excessive Cost Hardship Request**

Check the appropriate box to request an augmentation to the New Construction or Modernization Grants for an excessive cost hardship for the items listed. Refer to Section 1859.83 for eligibility criteria. Requests for excessive cost grants for accessibility requirements are allowed only if required by the Division of the State Architect (DSA). At the School District's option, the School District may request three percent of the Modernization base grant or enter the amount calculated pursuant to Regulation Section 1859.83(f). Attach a copy of the DSA approved list that shows the minimum work necessary for accessibility requirements.

If the request is for the excessive cost grant for a new Alternative Education school pursuant to Section 1859.83(c)(2) and the School District wishes to request less than the maximum allowance, please submit a letter along with Application indicating the desired amount.

**8. Charter School Facilities Program Rehabilitation – Additional Grant and Excessive Cost Hardship Request**

**Additional Grant Request**

- a. If the applicant is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.78.5(c), enter the Energy Code compliance approach used (Performance Only, Prescriptive Only, Performance/Prescriptive) and the total score that is on the OPSC CA-CHPS Scorecard. A copy of the OPSC CA-CHPS Scorecard must be submitted to OPSC as part of the complete funding request. See Sections 1859.78.5 and 1859.167.1.

- b.a: If the applicant is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.77.4, enter the number of high performance points as prescribed in Section 1859.77.4.  
c. If the applicant is requesting an Additional Grant for Career Technical Education (CTE) Components pursuant to Section 1859.78.10, enter 50 percent of the costs for the eligible CTE component(s) in the entire Charter School Facilities Program Rehabilitation Application. See Sections 1859.78.10 and 1859.167.1.

Check the appropriate box to request an augmentation to the Charter School Facilities Program Rehabilitation grants for an excessive cost hardship for the items listed. Refer to Section 1859.167.4 for eligibility criteria.

- d.b: Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to Geographic Location pursuant to Section 1859.167.3(a).  
e.e: Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant for a small size project pursuant to Section 1859.167.3(b).  
f.d: Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to Urban Location, Security Requirements, and Impacted Site pursuant to Section 1859.167.3(c).

g.e: Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to accessibility and fire code requirements pursuant to Section 1859.167.3(d). Requests for excessive cost grants for accessibility requirements are allowed only if required by the Division of the State Architect (DSA). At the applicant's option, the applicant may request three percent of the Charter School Facilities Program Rehabilitation Grant or enter 50 percent of the amount calculated pursuant to Regulation Section 1859.167.3(d)(2). Attach a copy of the DSA approved list that shows the minimum work necessary for accessibility requirements.

**9. Project Priority Funding Order**

Enter the priority order of this project in relation to other new construction Applications submitted by the School District on the same date. If Applications are not received on the same date, the OPSC will assign a higher School District priority to the Application received first. Check the box(es) if the project meets the criteria outlined in Section 1859.92(c)(3),(4) and (6), as appropriate. This information is needed for purposes of priority points.

**10. Prior Approval Under the LPP**

If the project the School District is requesting SFP grants for received a Phase P, S, or C approval under the LPP, report the Application number of that project, regardless if the project actually received funding or was included on an "unfunded" list. Failure to report this information may delay the processing of the Application by the OPSC.

**11. Prior Apportionment Under the SFP**

If the project received a separate Apportionment under the SFP for either site and/or design, or site environmental hardship, enter the Application number of the project. Failure to report this information may delay the processing of the Application by the OPSC.

**12. Preliminary Apportionment to a Final Apportionment**

If this request is to convert a Preliminary Apportionment to a Final Apportionment, enter the Application number of the Preliminary Apportionment. Failure to report this information may delay the processing of the Application by the OPSC.

**13. Alternative Developer Fee**

The School District must report certain alternative fees collected pursuant to Government Code Section 65995.7, as of the date of Application submittal to the OPSC. Refer to Section 1859.77 for details. School Districts are advised that the OPSC may perform an audit of the developer fees collected prior to Application approval by the Board.

**14. Adjustment to New Construction Baseline Eligibility**

Pursuant to Section 1859.51 certain adjustments to the School District's new construction baseline eligibility must be made each time a School District submits Form SAB 50-04, to the OPSC for SFP new construction or Modernization Grants. These adjustments are made by the OPSC based on information reported by the School District on this form.

- a. Report all classroom(s) provided after the School District submitted its request for determination of its new construction baseline eligibility for the grades shown, or indicate N/A if there are none. Refer to Section 1859.51(i).

In the additional classroom column, indicate the number of additional net classrooms provided if not previously reported.

In the replacement classroom column, indicate the number of classrooms that were included in the determination of the School District's New Construction Eligibility.

pursuant to Education Code Section 17071.75 but replaced in a locally funded project.

Enter the date the initial construction contract was signed for additional or replacement classrooms.

**15. Pending Reorganization Election**

Complete only for new construction projects. Indicate if there is a pending reorganization election that will result in a loss of eligibility for this project. If the answer is "yes", the School District must complete Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03, to adjust the School District's new construction baseline eligibility as a result of the reorganization and submit them with this form.

**16. Joint-Use Facility/Leased Property**

Check the box if:

- a. The facilities to be constructed/modernized as part of this project will be for joint use by other governmental agencies.
- b. The new construction or modernization grants will be used for facilities located or to be located on leased property.

**17. Project Progress Dates**

- a. Enter the date(s) the construction contract(s) was awarded for this project(s). If a construction contract has not been executed, enter N/A. (If the space provided is not sufficient for all applicable contract dates, please list all dates on a separate attachment to this form.)
- b. Enter the issue date(s) for the Notice to Proceed for the construction phase of the project, or enter N/A if a Notice to Proceed has not been issued.
- c. If a construction contract was awarded prior to January 1, 2012, check the appropriate box to indicate whether or not the School District has initiated and enforced a Labor Compliance Program (LCP) approved by the Department of Industrial Relations (DIR) pursuant to Labor Code Section 1771.7 for this project.

**18. Prevailing Wage Monitoring and Enforcement Costs**

If the construction contract(s) for this project was awarded on January 1, 2012 through June 19, 2014, check the appropriate box to indicate which of the following methods was or is being used to meet the requirement for prevailing wage monitoring and enforcement pursuant to Labor Code Section 1771.3 in effect on January 1, 2012 through June 19, 2014:

- DIR Public Works administration and enforcement
- A DIR-approved internal LCP
- A collective bargaining agreement that meets the criteria set forth in Labor Code Section 1771.3(b)(3) in effect on January 1, 2012 through June 19, 2014.

**19. Construction Delivery Method**

Check the box that best represents the construction delivery method that the School District has or will use for this project, if known.

**20. Career Technical Education Funds Request**

Indicate if Career Technical Education (CTE) funds will be requested for classroom(s) included in the plans and specifications for this project pursuant to Section 1859.193. If "Yes", enter the number of CTE classroom(s) shown on the P&S.

**21. Overcrowding Relief Grant Narrative**

The School District must either provide an explanation in the space provided or attach a letter signed by the district representative detailing how this project will relieve overcrowding.

**22. Local Funding Adjustment Grant**

Enter the following:

- a. The School District's total assessed valuation, pursuant to Section 1859.70.5(a)(1). The School District must provide a letter from the county auditor-controller that certifies the School District's total assessed valuation.
- b. The School District's gross bonding capacity, rounded to the nearest whole dollar. To calculate this, take the total assessed valuation and multiply that by 1.25% for non-unified School Districts or 2.5% for unified School District, rounded to two decimal places.
- c. The School District's unduplicated Pupil percentage as determined for purposes of the local control funding formula pursuant to Education Code Section 42238.02, rounded to two decimal places.
- d. The School District's enrollment, pursuant to Section 1859.70.5(a)(3) based on the latest California Basic Educational Data System (CBEDS) enrollment data as it would have been reported using the criteria in Parts A, C and D of the Form SAB 50-01. Applications filed on or after November 1 must include the current school year enrollment.
- e. Check Yes or No to indicate whether the project includes the use of a Project Labor Agreement for this Application. If the School District indicates it intends to have a Project Labor Agreement, but does not yet, it will be audited for compliance and the funding will be adjusted accordingly if it does not have a Project Labor Agreement.

**24. Architect of Record or Design Professional Certification**

- I certify as the architect of record for the project or the appropriate design professional, that:
- If the request is for a New Construction Grant, not including the ORG, I have developed a cost estimate of the proposed project which indicates that the estimated construction cost of the work in the P&S including deferred items (if any) relating to the proposed project, is at least 60 percent of the total grant amount provided by the State and the School District's matching share, less site acquisition costs and the High Performance Base Incentive Grant. This cost estimate does not include site acquisition, planning, tests, inspection, or furniture and equipment and is available at the School District for review by the OPSC.
  - If the request is for a Modernization or Charter School Facilities Program Rehabilitation Grant, I have developed a cost estimate of the proposed project which indicates that the estimated construction cost of the work in the P&S, including deferred items and interim housing (if any) relating to the proposed project, is at least 60 percent of the total grant amount provided by the State and the School District's matching share, less the High Performance Base Incentive Grant. This cost estimate does not include planning, tests, inspection or furniture and equipment and is available at the School District for review by the OPSC.
  - If the request is for a Modernization Grant and includes replacement of a 75 Years or Older Building(s), the cost estimate must delineate the costs associated with the work for the qualifying facility(s) pursuant to Sections 1859.78.7.1. in the DSA-approved plans apart from the other Modernization work in the DSA-approved plans and indicate that the estimated construction cost of the work in the P&S, including deferred items (if any) relating to the proposed project, is at least 60 percent of that portion of the grant amount provided by the State and the School District's matching share.
  - If the request is for a Modernization Grant and includes a Minimum Essential Facility or new or retrofitted Transitional Kindergarten classroom(s), the cost

estimate must delineate the costs associated with the work for the qualifying facility(s) pursuant to Sections 1859.78.9.1, or 1859.78.9.2 in the DSA-approved plans apart from the other Modernization work in the DSA-approved plans and indicate that the estimated construction cost of the work in the P&S, including deferred items and interim housing (if any) relating to the proposed project, is at least 60 percent of that portion of the grant amount provided by the State and the School District's matching share.

**25. Certification**

I certify, as the District Representative, that the information reported on this form, with the exception of items 2223 and 2324, is true and correct and that:

- I am an authorized representative of the School District as authorized by the governing board of the School District; and,
- A resolution or other appropriate documentation supporting this Application under Chapter 12.5, Part 10, Division 1, commencing with Section 17070.10, et. seq., of the Education Code was adopted by the School District's governing board or the designee of the Superintendent of Public Instruction on, \_\_\_\_\_; and,
- The School District has established a "Restricted Maintenance Account" for exclusive purpose of providing ongoing and major maintenance of school buildings and has developed an ongoing and major maintenance plan that complies with and is implemented under the provisions of Education Code Section 17070.75 and 17070.77 (refer to Sections 1859.100 through 1859.102); and,
- The School District has considered the feasibility of the joint use of land and facilities with other governmental agencies in order to minimize school facility costs; and,
- If this funding request is for the Modernization of portable classrooms eligible for an additional Apportionment pursuant to Education Code Section 17073.15, the School District certifies that (check the applicable box below):
  - 1. The state Modernization funds will be used to replace the portable classrooms and permanently remove the displaced portables from the classroom use within six months of the filing of the Notice of Completion for the project; or,
  - 2. It has provided documentation to the Office of Public School Construction which indicates that modernizing the portable classrooms eligible for an additional Apportionment is better use of public resources than the replacement of these facilities.
- Facilities to be rehabilitated under the Charter School Facilities Program previously funded with School Facility Program State funds meet the requirements of Section 1859.163.6; and,
- All contracts entered on or after November 4, 1998 for the service of any architect structural engineer or other design professional for any work under the project have been obtained pursuant to a competitive process that is consistent with the requirements of Chapter 10 (commencing with Section 4525) of Division 5, of Title 1, of the Government Code; and,
- If this request is for new construction funding, the School District has received approval of the site and the plans from the CDE. Plan approval is not required if request is for separate design Apportionment; and,

**APPLICATION FOR FUNDING****SCHOOL FACILITY PROGRAM**

SAB 50-04 (REV 08/25 12/25)

- If this request is for Modernization or Charter School Facilities Program Rehabilitation funding, the School District has received approval of the plans for the project from the CDE. Plan approval is not required if request is for separate design Apportionment; and,
- The School District has or will comply with the Public Contract Code regarding all laws governing the use of force account labor; and,
- This School District has or will comply with Education Code Section 17076.11 regarding at least a 3 percent expenditure goal for disabled veteran business enterprises; and,
- The School District matching funds required pursuant to Sections 1859.77.1 or 1859.79 has either been expended by the School District, deposited in the County School Facility Fund or will be expended by the School District prior to the notice of completion for the project; and,
- The School District has received the necessary approval of the plans and specifications from the Division of the State Architect unless the request is for a separate site and/or design Apportionment; and,
- If the School District is requesting site acquisition funds as part of this Application, the School District has complied with Sections 1859.74 through 1859.75.1 as appropriate; and,
- With the exception of an Apportionment made pursuant to Section 1859.75.1, the School District understands that the lack of substantial progress toward increasing the Ppupil capacity or renovation of its facilities within 18 months of receipt of any funding shall be cause for the rescission of the unexpended funds (refer to Section 1859.105); and,
- If the Apportionment for this project was made pursuant to Section 1859.75.1, the School District understands that the lack of substantial progress toward increasing the Ppupil capacity or renovation of its facilities within 12 months of receipt of any funding shall be cause for the rescission of the unexpended funds (refer to Section 1859.105.1); and,
- The School District understands that funds not released within 18 months of Apportionment shall be rescinded and the Application shall be denied (refer to Section 1859.90); and,
- The statements set forth in this Application and supporting documents are true and correct to the best of my knowledge and belief; and,
- All school facilities purchased or newly constructed under the project for use by Ppupils who are individuals with exceptional needs, as defined in Education Code Section 56026, shall be designed and located on the school site so as to maximize interaction between those individuals with exceptional needs and other Ppupils as appropriate to the needs of both; and,
- This form is an exact duplicate (verbatim) of the form provided by the OPSC. In the event a conflict should exist, the language in the OPSC form will prevail; and,
- The School District understands that some or all of the State funding for the project must be returned to the State as a result of an audit pursuant to Sections 1859.105, 1859.105.1, 1859.106; and,
- The School District has complied with the provisions of Sections 1859.76 and 1859.79.2 and that the portion of the project funded by the State does not contain work specifically prohibited in those Sections; and,
- If the SFP grants will be used for the construction or Modernization of school facilities on leased land, the School District has entered into a lease agreement for the leased property that meets the requirements of Section 1859.22; and,
- If the Application contains a "Use of New Construction Grant" request, the School District has adopted a school board resolution and housing plan at a public hearing at a regularly scheduled meeting of the governing board on

- as specified in Sections 1859.77.2, or 1859.77.3, as appropriate. The School District's approved housing plan is as indicated (check all that apply):
- 1. The School District will construct or acquire facilities for housing the Ppupils with funding not otherwise available to the SFP as a School District match within five years of project approval by the SAB and the School District must identify the source of the funds. [Applicable for Sections 1859.77.2(a) and (b) and 1859.77.3(a) and (b)]
  - 2. The School District will utilize higher district loading standards providing the loading standards are within the approved School District's teacher contract and do not exceed 33:1 per classroom. [Applicable for Sections 1859.77.2(a) and (b) and 1859.73(a) and (b)]
  - 3. The Ppupils requested from a different grade level will be housed in classrooms at an existing school in the School District which will have its grade level changed, to the grade level requested, at the completion of the proposed SFP project. [Applicable for Sections 1859.77.2(b) and 1859.77.3(b)].
  - If the School District requested additional funding for fire code requirements pursuant to Sections 1859.71.2 or 1859.78.4, the School District will include the automatic fire detection/alarm system and/or automatic sprinkler system in the project prior to completion of the project; and,
  - The School District has consulted with the career technical advisory committee established pursuant to Education Code Section 8070 and the need for vocational and career technical facilities is being adequately met in accordance with Education Code Sections 51224, 51225.3(b), and 51228(b), and 52336.1; and,
  - If the School District is requesting an Additional Grant for Energy Efficiency pursuant to Sections 1859.71.3 or 1859.78.5, the plans and specifications exceed the nonresidential building energy-efficiency standards specified in Part 6 of Title 24 of the California Code of Regulations and the increased costs for the energy efficiency components in the project exceeds the amount of funding otherwise available to the School District; and,
  - If this Application is submitted after January 1, 2004 for Modernization funding, the School District has considered the potential for the presence of lead-containing materials in the Modernization project and will follow all relevant federal, state, and local standards for the management of any identified lead; and,
  - The School District has initiated and enforced an LCP that has been approved by the DIR, pursuant to Labor Code Section 1771.7, if the project is funded from Propositions 47 or 55 and the Notice to Proceed for the construction phase of the project is issued on or after April 1, 2003 and before January 1, 2012; and,
  - The School District has contracted with the DIR for prevailing wage monitoring and enforcement pursuant to Labor Code Section 1771.3(a) in effect on January 1, 2012 through June 19, 2014, if the construction contract was awarded on January 1, 2012 through June 19, 2014 and the School District has not obtained a waiver for the requirement, pursuant to Labor Code Section 1771.3(b) in effect on January 1, 2012 through June 19, 2014. The School District understands that if it fails to meet this requirement, it will be required to repay all state bond funds received including interest; and,
  - Beginning with the 2005/2006 fiscal year, the School District has complied with Education Code Section 17070.75(e) by establishing a facilities inspection system to ensure that each of its schools is maintained in good repair; and,
  - If this Application is submitted pursuant to Section 1859.180, the School District certifies that within six months of occupancy of the permanent classrooms, it will remove the replaced portables from the eligible school site and K-12 grade classroom use with the exception of schools described in

**APPLICATION FOR FUNDING****SCHOOL FACILITY PROGRAM**

SAB 50-04 (REV 08/25 12/25)

Education Code Section 17079.30(c); and,

- The School District has considered the feasibility of using designs and materials for the new construction or Modernization project that promote the efficient use of energy and water, maximum use of natural light and indoor air quality, the use of recycled materials and materials that emit a minimum of toxic substances, the use of acoustics conducive to teaching and learning, and the other characteristics of high performance schools; and,
- If the School District is requesting an additional grant for high performance incentive funding, the School District governing board must have a resolution on file that demonstrates support for the high performance incentive grant request and the intent to incorporate high performance features in future facilities projects; and,
- If this Application is submitted when there is Insufficient Bond Authority, the School District has adopted a school board resolution pursuant to Section 1859.95.1; and,
- The School District will comply with all laws pertaining to the construction or Modernization of its school building; and,
- If the School District marked the box for 'Yes' in Section 22 e. of this Application that it has or will include a project labor agreement, the use of a project labor agreement will be verified as part of the audit required in EC Section 41024. If it is determined that a project labor agreement was not used, the additional Local Share Adjustment Grant funding provided as a result of the points assigned to the project to determine the matching share percentage will be required to be returned, with interest (based on the interest rate earned in the Pooled Money Investment Account at the time of fund release) until funds are returned; and,
- If the School District is requesting the Modernization supplemental grant for Minimum Essential Facilities pursuant to Section 1859.78.9.1 as part of this Application, the School District certifies that any classrooms displaced as a result of reconfiguration are replaced in the same plan set, or the School District certifies that the classrooms are not being replaced due to a demonstrated lack of need and the School District acknowledges that no adjustment to the School District's New Construction Eligibility will be made for the removal of these classrooms; and,
- If this funding request is for the retrofit of kindergarten classrooms, the School District certifies that the classrooms did not meet design requirements for a kindergarten classroom at the time they were built or previously retrofitted to meet kindergarten standards; and,
- If funding for new or retrofitted Transitional Kindergarten classrooms is being requested, the School District certifies that \_\_\_\_\_ classrooms were constructed or previously altered to meet the requirements for a kindergarten classroom; and,
- With regards to providing Transitional Kindergarten instruction as pursuant to Section 1859.78.9.2, the School District certifies that the School District is currently or will provide Transitional Kindergarten at the project site.

- If the applicant is requesting an Additional Grant for CTE Components pursuant to Section 1859.78.10, the following conditions are met (check all that apply):

- 1. The applicant has included the costs associated with the CTE component(s), as outlined in Section 1859.78.10(b)(2), in the scope of the work and certifies that these costs exceed the Modernization/Charter Rehabilitation funding available.
- 2. The local educational agency operates a comprehensive high school and has an active career technical advisory committee.
- 3. The applicant has included a copy of the plan score issued by the CDE, dated on or after July 3, 2024, verifying a minimum score of 105 points.
- 4. The contracts for construction or acquisition of equipment were, or will be entered into on or after July 3, 2024.
