

GENERAL INFORMATION

School Districts are required to use this form to initiate a request for funding (rounded to the nearest dollar) pursuant to School Facility Program (SFP) Regulation Section 1859.84 Natural Disaster Assistance Program, for consideration by the State Allocation Board (SAB). The School District must state specifically the purpose and description of the School District's request. The School District must submit all supporting documentation to the Office of Public School Construction (OPSC). Requests for consideration are processed to the SAB upon receipt by OPSC of all required documentation and upon completion of a thorough analysis by OPSC.

In order to be considered a complete application, the School District must provide all requested information within each section (if applicable). If the narrative space is insufficient, the School District must attach an additional narrative to this request.

For School Districts requesting both Interim Housing assistance following a natural disaster and other assistance following a natural disaster, separate applications must be submitted for each request per site.

SPECIFIC INSTRUCTIONS

The School District must assign a Project Tracking Number (PTN) to this project. The same PTN is used by OPSC, the Division of the State Architect (DSA) and the California Department of Education (CDE) for all project applications submitted to those agencies to track a particular project through the entire state application review process. If the School District has already assigned a PTN to this project by prior submittal of the plans and specifications to DSA and/or CDE for approval, use that PTN for this application submittal. If no PTN has been assigned for this project, a PTN may be obtained from OPSC Online site at www.dgs.ca.gov/opsc/opsonline.

1. Type of Application

- Check the appropriate box that indicates whether this application is a new or an amended Natural Disaster Assistance request.
- Check the appropriate box that indicates the type of grant the School District is requesting. If the School District meets the Financial Hardship criteria in Section 1859.81 and the School District is requesting a separate design apportionment pursuant to Section 1859.81.1, check the appropriate Design Only box.
- If the School District is requesting Interim Housing assistance, indicate the number of Portable Classrooms that are requested to be leased or purchased by grade level, as well as the number and type of all other ancillary facilities that are requested to be leased or purchased.
- If the School District is requesting Interim Housing assistance for purchased or leased portables and/or ancillary facilities, indicate whether the portables and/or ancillary facilities existed on the impacted site at the time of the application submittal, and if so, the dates the facilities were leased or purchased, placed on site, and/or removed, as applicable.
- If the School District is requesting Interim Housing assistance

for Portable Classrooms, indicate the total number of Classrooms destroyed or rendered unsafe to occupy by the natural disaster, by grade level. If the School District is requesting Interim Housing assistance for ancillary facilities, indicate the type of any ancillary facilities destroyed or rendered unsafe to occupy by the natural disaster.

2. SFP Application(s) Submitted for the Impacted Site

Check the appropriate box(es) for any SFP application(s) specific to the impacted site that have been submitted to OPSC and are currently on OPSC's Workload or Applications Received Beyond Bond Authority lists. Provide the applicable SFP application numbers.

If there are no submitted applications, leave this section blank.

3. Prior SFP Approval(s) for Impacted Site

Provide the applicable application number(s) for any SFP application(s) specific to the impacted site that received SAB approval after the date of the natural disaster. Provide the applicable application number(s) related to the impacted site for any Facility Hardship Program application(s) and New Construction or Modernization application(s) approved by the SAB since the time of the natural disaster for which the Governor declared a state of emergency.

If there were no previous applications for the impacted site approved by the SAB after the date of the natural disaster, leave this section blank.

4. Natural Disaster – State of Emergency Proclamation

The School District must check the appropriate box indicating whether the state of emergency is listed as open at the time of application submittal to OPSC.

Enter the Executive Order number and date that the state of emergency was proclaimed by the Governor, as indicated on the Governor's Office of Emergency Services Open State of Emergency Proclamations [webpage](#).

5. Financial Hardship Request

Check the appropriate box(es) if the School District is requesting Financial Hardship assistance because it is unable to meet its matching share requirement.

- If the application includes a request for Financial Hardship, the School District must comply with the requirements of Section 1859.81.
- If there is Insufficient Bond Authority for the type of application, check the second box and attach a school board resolution pursuant to Section 1859.95.1(b).

6. Local Funding Adjustment Grant

Enter the following:

- The School District's total assessed valuation, pursuant to Section 1859.70.5(a)(1). The School District must provide a

letter or report from the county auditor-controller that certifies the School District's total assessed valuation.

- b. The School District's gross bonding capacity, rounded to the nearest whole dollar. To calculate this, multiply the total assessed valuation by 1.25 percent for non-unified School Districts or 2.5 percent for unified School Districts, rounded to two decimal places.
- c. The School District's unduplicated pupil percentage as determined for purposes of the local control funding formula pursuant to Education Code Section 42238.02, rounded to two decimal places.

- e. Check Yes or No to indicate whether the project includes the use of a Project Labor Agreement for this application. If the School District indicates it intends to have a Project Labor Agreement, but does not yet, it will be audited for compliance and the funding will be adjusted accordingly if the project does not include use of a Project Labor Agreement, pursuant to Section 1859.70.5(b)(4).

7. Division of the State Architect (DSA) Plan Approval

The School District must submit any plans and specifications (P&S) for the project that were approved by DSA, and must indicate the approval date in this section. If approval has not been obtained, the School District must indicate in the applicable narrative section if the P&S have an exception for demolition, site work, and/or specific construction delivery methods, or if the School District is still in the process of obtaining DSA approval.

If this application shares P&S with one or more SFP applications, the School District must provide the following:

- a. A clear delineation of project scope that identifies all related hybrid applications and the project scope attributable to each, and
- b. A proration of project costs and an explanation of the proration methodology, and
- c. A certification that funds one for one hybrid application will be used exclusively for that hybrid application, and
- d. An acknowledgement that expenditures must be tracked and reported separately according to the cost proration, unless the expenditure is only attributable to a specific project.

8. Interim Housing Assistance Narrative

For purposes of requests for assistance to lease or purchase Portable Classroom(s) and/or ancillary facilities as a result of a natural disaster for which the Governor has declared a state of emergency, the School District must provide documentation pursuant to SFP Regulation Section 1859.84.1 demonstrating that any funding provided for Interim Housing will supplement funding from insurance or any other local, state, or federal government disaster assistance.

Additionally, the School District must include the following

information in the narrative:

In addition to the narrative, the School District should provide the following documentation:

For purposes of requesting other natural disaster assistance, the School District must provide documentation pursuant to SFP Regulation Section 1859.84.2 demonstrating that any funding provided for the scope of work in the request will supplement funding from insurance or any other local, state, or federal government disaster assistance.

Additionally, the School District must include the following information in the narrative:

1. The background and circumstances which prompted the School District's request.
2. Information relevant to the request, such as the amount requested and information that demonstrates funding from insurance proceeds and other government disaster assistance is insufficient to rehabilitate or reconstruct school facilities that existed at the time of the natural disaster.
3. A statement explaining why the SAB should grant the School District's request based on law, regulation, or another basis.
4. Justification if the application seeks natural disaster assistance funding in lieu of an Approved Application pursuant to Section 1859.82.1, or
5. Justification if the project seeks any other natural disaster assistance funding in lieu of an Approved Application pursuant to SFP regulation Section 1859.70.
6. CDE Plan Approval(s) (as applicable).

7. DSA Plan Approval(s) (as applicable).
