### **Office of Public School Construction's COVID-19 Update**

As a result COVID-19, the Office of Public School Construction's (OPSC) staff are primarily teleworking. As a reminder, school districts can email all documents to one email address. All documents should be emailed to the Application Review Team (ART) at [OPSCApplicationReviewTeam@dgs.ca.gov](mailto:OPSCApplicationReviewTeam@dgs.ca.gov). ART will send an email acknowledgement of receipt for all submittals and ensure it is routed to the appropriate staff.

Staff are available to continue to conduct all business by means of distance efforts such as email, teleconference calls, Zoom and Microsoft Team meetings. In person meetings with school districts and consultants have been suspended until further notice.

State Allocation Board meetings will continue via Zoom meetings. Grant processing, grant agreements, fund release, and normal business operations will continue as OPSC's core mission.

If you have any questions, please contact your [Project Manager](#) or refer to [OPSC's Directory of Services](#).

## ONLINE APPLICATIONS AND TOOLS

- [OPSC Online Application](#) (link)\*

OPSC Online allows school districts and applicants to electronically submit requests for funding, and associated project documentation, for all School Facility Program projects. The online platform allows applicants to draft, review, and submit required forms at any time. Our newest release of OPSC Online was released in early July 2020 which added new capabilities that included the New Construction, Modernization, Facility Hardship, Seismic Mitigation Program and the Charter School Facilities Programs. The result is a completely paperless process! We encourage all applicants to submit your applications electronically through OPSC Online instead of submitting a paper based application.

\*OPSC Online is optimized for Microsoft Edge and Google Chrome web browsers.

- [OPSC Online User Guide](#)

- [OPSC Data Dashboard](#) (link)

OPSC has created a "Data Dashboard" to facilitate the identification of the distribution of SFP funding. The six dashboards display the allocation of funding (updated monthly) by proposition, SFP program, county, school district, school site, and/or legislative district based on user-defined filters.

The screenshot shows the PTN Tracker web application interface. At the top, there is a navigation bar with the CA.GOV logo and links for PROJECT TRACKING, PTN GENERATOR, REPORTS, and PTN HELP. Below this is a search section titled "Project Tracking - Search". It features a search form with tabs for "SIMPLE SEARCH" and "ADVANCED SEARCH". The "ADVANCED SEARCH" tab is active, showing a search criteria form with fields for Program Type (School Facility Program (SFP) selected), Project Type, County, District, and Site. Below the form are "Search" and "Reset" buttons. At the bottom of the search results area, there is a table header with columns for Project Number, District Name, Site Name, Status, PTN Number, and DSA Number. The table currently shows "No records to display." At the very bottom, there is a footer with links for "Back to Top", "Conditions of Use", "Accessibility", and "Contact Us", along with a copyright notice for 2010 State of California.

The screenshot shows a letter from Tom Torlakson, State Superintendent of Public Instruction, dated November 16, 2017. The letter is addressed to the Governing Board of Los Angeles Unified School District. The subject of the letter is "Final Plan Approval - Modernization". The letter states that the California Department of Education approves the plans with the title sheet date of November 6, 2012, for the above referenced project. The plans were received on October 26, 2017. The plans meet the California Department of Education's standards for educational adequacy (California Code of Regulations, Title 5, et seq. and Education Code 17251(c) and (d)).

Dear Governing Board:

**Subject: Final Plan Approval - Modernization**

The California Department of Education approves the plans with the title sheet date of November 6, 2012, for the above referenced project. The plans were received on October 26, 2017. The plans meet the California Department of Education's standards for educational adequacy (California Code of Regulations, Title 5, et seq. and Education Code 17251(c) and (d)).

The screenshot shows a letter from the Department of General Services, Division of the State Architect - Los Angeles Office, dated 12/18/2012. The letter is titled "APPROVAL OF PLAN(S)" and is addressed to John Deasy, Los Angeles Unified School District. The project is Curtiss Middle School, and the total scope of the project is the construction of 1-solar panels on carport structures over existing parking lots. The letter provides details on the project, including the increment number (0), application number (03-114871), and file number (19-63). The letter states that the drawings and specifications for the subject project have been examined and stamped by the Division of the State Architect (DSA) for identification on 12/18/2012. This letter constitutes the "written approval of the plans as to safety of design and construction" required before letting any contract for construction, and applies only to the work shown on these drawings and specifications. The date of this letter is the DSA approval date. Approval is limited to the particular location shown on the drawings and is conditioned on construction starting within one year from the stamped date. The inspector must be approved and the contract information, including the construction start date, must be given to DSA prior to start of construction.

# Checking Your Ledger

- Before you create your funding application you may want to check how many grants the District currently has available for the project in question.
- An application for funding can be submitted without an eligibility update.
- If the school site or school district are new, an establishment must be done prior to the funding application proceeding.

## Create New Application ?

Has the District applied for advanced funding for Site Acquisition or Design for this project/application?

Yes  No

### Please Use The Existing Application

You have selected "Yes" because a separate site/or design has previously been requested for this project. You must return to your OPSC Online Dashboard and select this project from the list of existing applications in order to create an application for funding for the construction phase. For more information, please see the Help Guide.

# Type of Application

Has the District applied for advanced funding for Site Acquisition or Design for this project/application?

**?**

You have selected "No" because this is a brand new application for a project that has never requested a prior separate site and/or design funding approval. The following screens will be a step-by-step guide to completing your application online.

On this first screen, please select the District name, Program Type (e.g. New Construction, Modernization), High School Attendance Area (if applicable), enter the Project Tracking Number, and enter a nickname for the application. The nickname is used to help you with differentiating this from other projects in your Dashboard.

Select the District

Select a funding Program Type  
Refer to Section 1859.192 for the eligibility criteria

Select High School Attendance Area

Please enter your primary Project Tracking Number (PTN #)  -

Please enter application nickname

## Create New Application

Does the district want to apply for Financial Hardship assistance?

Yes No

Select the type of funding application:

Modernization

If the project will include a request for financial hardship assistance, please contact the Financial Hardship Team at OPSC for assistance. Receiving financial hardship approval will allow the project to start with an advanced approval for separate site and/or design funding if plans have not been drawn up.

Requests for "Advanced funding for Evaluation and RA" may be requested by both financial hardship assisted districts and districts that do not qualify for financial hardship.

## Application For Funding

### Form SAB 50-04 Information and Instruction

A district and their delegates may enter the information required for the Application for Funding (Form SAB 50-04) using this online system. Upon completion of all of the required information, the completed Form SAB 50-04 can only be submitted by the Authorized District Representative or District Superintendent.

If applicable, all supporting documentation required as part of your funding request must be uploaded to OPSC Online prior to, or concurrently with the application submittal.

# Adding Notes

The screenshot shows the 'SAB 50-04 Form' in 'Review' mode. The left sidebar lists the form sections, with 'Review' selected. The main content area is divided into 'Site Info' and 'Project Type' sections. The 'Site Info' section contains several fields with their values: 'Does the District have current Financial Hardship Approval?' (No), 'Project to be located on' (Existing Site without Additional Acreage), 'The project is at an existing school site. Select the appropriate school or site for this application' (ABRAHAM LINCOLN ELEMENTARY), 'CDE plan approval date' (09/05/2017), 'Recommended Site Size' (14.00), 'Existing Acres (Useable)' (12.29), and 'Total number of classroom(s) on the DSA Approved plans' (0). The 'Project Type' section shows 'Select project type:' (Elementary School), 'Pupil Grants Requested' (empty), and 'Pupil Grants Requested:' (K-6: 100, 7-8: 0). The right sidebar contains 'Sections' (Site Info, Project Type, Additional Grant Request, Excessive Cost Hardship, Adjust Eligibility / Joint Use, Project Progress, Licensed Architect, Licensed Design Consultant, Certification), 'Version Status' (PM, PVT, RE, Update Version Status Only), and 'Options' (Add Note, Duplicate As New Draft, Upload file(s) for this application, View Grant Calculations, Download Completed Form, Manage Entire Application). The 'Add Note' button is highlighted with a red box.

# Reviewing Grants

The screenshot shows a web application interface for reviewing grants. The top navigation bar includes the logo for 'CA GOV' and the Office of Public School Construction, along with links for Contact Us, Settings, and Welcome. A secondary navigation bar lists Resources, Accounting, Admin, Grants, Reports, Users, District, and Dashboard.

The main content area is divided into three columns:

- Left Column (SAB 50-04 Form):** A vertical list of steps with progress indicators. The 'Review' step is currently active and highlighted in blue. Other steps include Site Info, Project Type, Additional Grant Request, Excessive Cost Hardship, Adjust Eligibility / Joint Use, Project Progress, Licensed Architect, Licensed Design Consultant, Certification, and Submit.
- Middle Column (Form Fields):**
  - Site Info:** Contains fields for 'Does the District have current Financial Hardship Approval?' (No), 'Project to be located on' (Existing Site without Additional Acreage), 'The project is at an existing school site. Select the appropriate school or site for this application' (ABRAHAM LINCOLN ELEMENTARY), 'CDE plan approval date' (09/05/2017), 'Recommended Site Size' (14.00), 'Existing Acres (Useable)' (12.29), and 'Total number of classroom(s) on the DSA Approved plans' (0).
  - Project Type:** Contains fields for 'Select project type:' (Elementary School), 'Pupil Grants Requested' (empty), and 'Pupil Grants Requested:' (empty). Below this are two rows for grade levels: 'K-6' (100) and '7-8' (0).
- Right Column (Actions and Status):**
  - Sections:** A list of sections including Site Info, Project Type, Additional Grant Request, Excessive Cost Hardship, Adjust Eligibility / Joint Use, Project Progress, Licensed Architect, Licensed Design Consultant, and Certification.
  - Version Status:** Shows buttons for PM, PVT, and RE, and a dropdown menu for 'Update Version Status Only'.
  - Options:** A list of actions: Add Note, Duplicate As New Draft, Upload file(s) for this application, View Grant Calculations (highlighted with a red box), Download Completed Form, and Manage Entire Application.

# OPSC Grants Calculator

The calculations provided above are an estimate for the potential funding of that may be associated with a complete application that has the total amount of eligibility available to request for the project. This estimate does not reflect any potential increase to funding based on eligibility for Financial Hardship assistance.
