

# OSP Fulfillment Services

## Your OSP Web StoreFront:

Place your order.

We process.

We deliver.

## Convenient Online Ordering.

The OSP Fulfillment Unit can help you simplify your literature and marketing material distribution to meet customer demands with a complete range of fulfillment services. We provide secure warehouse space for literature and product fulfillment. We develop and administer web-based ordering sites and inventory management systems. Our staff processes daily shipments, utilizing your GSO, UPS, or FedEx accounts — as well as our own vans.

### Services Provided

- Order processing through the **OSP Web StoreFront**
- Inventory reporting analysis
- Warehousing and distribution
- Inventory and reorder control through trend analysis
