

Know Your Customer Required Information Collection Form

To help the United States government fight the funding of terrorism and prevent money laundering activities, U.S. Federal law requires all financial institutions to obtain, verify, and record information that identifies each person (individual, corporation, partnership, trust, estate, or any other entity recognized as a legal person) who opens an account. U.S. Bank will ask for the legal name, address, tax identification number, and other identifying information that will assist us in completing the review of your contract/application. We may also ask for copies of certified articles of incorporation, an unexpired government-issued business license, a partnership agreement, or other documents that indicate the existence and standing of the entity. U.S. Federal law also requires financial institutions to conduct ongoing customer due diligence, verify the identity of beneficial owners of certain legal entities, and comply with U.S. Economic Sanctions. U.S. Bank may require identification information on Customer, its Affiliates, Related Parties, or Cardholders, if applicable, to allow U.S. Bank to remain in compliance with U.S. Federal law or U.S. Bank policy. Customer agrees to promptly provide such identification information to U.S. Bank, and Customer shall cause its Affiliates, Related Parties or Cardholders, if applicable, to provide identification information to U.S. Bank.
