The Contractor agrees to take back such Goods and/or associated software and refund any sums the State has paid Contractor less any reasonable amount for use or damage.

12.1 GOOD FAITH: The parties shall deal in good faith and attempt to resolve potential disputes informally.

12.2 WRITTEN DEMAND: If the dispute persists, Contractor shall submit to the Department Director or designee a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to or involving this Contract, unless the State, on its own initiative, has already rendered such a final decision. Contractor's written demand shall be fully supported by factual information, and if such demand involves a cost adjustment to the Contract, Contractor shall include with the demand a written statement signed by an authorized person indicating that the demand is made in good faith, that the supporting data are accurate and complete and that the amount requested accurately reflects the Contract adjustment for which Contractor believes the State is liable.

12.3 APPEAL: If the Contractor is not satisfied with the decision of the Department Director or designee, the Contractor may appeal the decision to the Department of General Services, Deputy Director, Procurement Division.

12.4 PROCEEDING WITH CONTRACT: Pending the final resolution of any dispute arising under, related to or involving this Contract, Contractor agrees to diligently proceed with the performance of this Contract, including the delivery of Goods or providing of services in accordance with the State's instructions. Contractor's failure to diligently proceed in accordance with the State's instructions shall be considered a material breach of this Contract.

12.5 FINAL DECISION: Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Department Director or designee or Deputy Director, Procurement Division if an appeal was made. If the State fails to render a final decision within 30 days after receipt of Contractor's demand, it shall be deemed a final decision adverse to Contractor's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless Contractor commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

Section 13: STOP WORK

13.1 STOP WORK ORDER: The State may, at any time, by written Stop Work Order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this Contract for a period up to 60 days after the Stop Work Order is delivered to the Contractor,

and for any further period to which the parties may agree. The Stop Work Order shall be specifically identified as such and shall indicate it is issued under this clause. Upon receipt of the Stop Work Order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the Stop Work Order during the period of work stoppage. Within a period of 45 days after a Stop Work Order is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the State shall either:

- (b) Terminate the work covered by the Stop Work Order as provided for in the termination for default or the termination for convenience clause of this Contract.

13.2 CANCELLATION OF STOP WORK ORDER: If a Stop Work Order issued under this clause is canceled or the period of the Stop Work Order or any extension thereof expires, the Contractor shall resume work. The State shall make an equitable adjustment in the delivery schedule, the Contract price, or both, and the Contract shall be modified, in writing, accordingly, if:

- (a) The Stop Work Order results in an increase in the time required for, or in the Contractor's cost properly allocable to the performance of any part of this Contract; and
- (b) The Contractor asserts its right to an equitable adjustment within 60 days after the end of the period of work stoppage; provided, that if the State decides the facts justify the action, the State may receive and act upon a proposal submitted at any time before final payment under this Contract.

13.3 REASONABLE COSTS: If a Stop Work Order is not canceled and the work covered by the Stop Work Order is terminated in accordance with the provision entitled Termination for the Convenience of the State, the State shall allow reasonable costs resulting from the Stop Work Order in arriving at the termination settlement.

The State shall not be liable to the Contractor for loss of profits because of a Stop Work Order issued under this clause.

- (d) that all payments under the Contract have been made to the DVBE(s); and
- (e) the actual percentage of DVBE participation that was achieved. Upon request, the prime Contractor shall provide proof of payment for the work.

If for this Contract the Contractor made a commitment to achieve the DVBE participation goal, the Department will withhold \$10,000 from the final payment, or the full final payment if less than \$10,000, until the Contractor complies with the certification requirements above. A Contractor that fails to comply with the certification requirement shall, after written notice, be allowed to cure the defect.

Notwithstanding any other law, if, after at least 15 calendar days but not more than 30 calendar days from the date of written notice, the prime contractor refuses to comply with the certification requirements, the Department shall permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000. (MVC section 999.7)

A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. (MVC section 999.5(d); GC section 14841)

The rights and remedies of the State herein are cumulative and are in addition to any other rights or remedies that the State may have at law or in equity.

15.6 INDEPENDENT CONTRACTOR: Contractor, its officers, employees, and agents, in the performance of the Contract, shall act in an independent capacity and not as officers, employees or agents of the State.
