- e) The State shall pay Contract price for completed Goods delivered and accepted. The Contractor and Buyer shall agree on the amount of payment for manufacturing materials delivered and accepted for the protection and preservation of the property. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the Buyer determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.

No amendment or variation of the terms of this Contract shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or agreement not incorporated in the Contract is binding on any of the parties.

34. CONFIDENTIALITY OF DATA:

All financial, statistical, personal, technical and other data and information relating to the State's operation which are designated confidential by the State and made available to the Contractor in order to carry out this Contract, or which become available to the Contractor in carrying out this Contract, shall be protected by the Contractor from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to the State. The identification of all such confidential data and information as well as the State's procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by the State in writing to the Contractor. If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used, with the written consent of the State, to carry out the intent of this paragraph. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information which is or becomes publicly available, is already rightfully in the Contractor's possession, is independently developed by the Contractor outside the scope of this Contract, or is rightfully obtained from third parties.

- b) Contractor may be required to furnish a bond to the State against any and all loss, damage, costs, expenses, claims and liability for patent, copyright and trade secret infringement.
- c) Contractor, at its own expense, shall defend any action brought against the State to the extent that such action is based upon a claim that the Goods or software supplied by the Contractor or the operation of such Goods pursuant to a current version of Contractor supplied operating software infringes a United States patent or copyright or violates a trade secret. The Contractor shall pay those costs and damages finally awarded against the State in any such action. Such defense and payment shall be conditioned on the following:
 - i. That the Contractor shall be notified within a reasonable time in writing by the State of any notice of such claim; and,
 - ii. That the Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise, provided, however, that when principles of government or public law are involved, the State shall have the option to participate in such action at its own expense.

CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS) GENERAL PROVISIONS – NON-IT COMMODITIES

- d) Should the Goods or software, or the operation thereof, become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement of a United States patent or copyright or a trade secret, the State shall permit the Contractor at its option and expense either to procure for the State the right to continue using the Goods or software, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such Goods or software by the State shall be prevented by injunction, the Contractor agrees to take back such Goods or software and make every reasonable effort to assist the State in procuring substitute Goods or software. If, in the sole opinion of the State, the return of such infringing Goods or software makes the retention of other Goods or software acquired from the Contractor under this Contract impractical, the State shall then have the option of terminating such Contracts, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such Goods or software and refund any sums the State has paid Contractor less any reasonable amount for use or damage.
- e) The Contractor shall have no liability to the State under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement which is based upon:
 - i. The combination or utilization of Goods furnished hereunder with equipment or devices not made or furnished by the Contractor; or,
 - ii. The operation of equipment furnished by the Contractor under the control of any operating software other than, or in addition to, the current version of Contractor-supplied operating software; or
 - iii. The modification by the State of the equipment furnished hereunder or of the software; or
 - iv. The combination or utilization of software furnished hereunder with non-Contractor supplied software.
- f) Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Contract for the acquisition, operation or maintenance of computer software in violation of copyright laws.
- g) The foregoing states the entire liability of the Contractor to the State with respect to infringement of patents, copyrights or trade secrets.

37. EXAMINATION AND AUDIT:

Contractor agrees that the State, or its designated representative shall have the right to review and copy any records and supporting documentation pertaining to performance of this Contract. Contractor agrees to maintain such records for possible audit for a minimum of three years after final payment, unless a longer period of records retention is stipulated. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees or others who might reasonably have information related to such records. 38. DISPUTES:

- a) The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, Contractor shall submit to the Department Director or designee a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to or involving this Contract, unless the State, on its own initiative, has already rendered such a final decision. Contractor's written demand shall be fully supported by factual information, and if such demand involves a cost adjustment to the Contract, Contractor shall include with the demand a written statement signed by an authorized person indicating that the demand is made in good faith, that the supporting data are accurate and complete and that the amount requested accurately reflects the Contract adjustment for which Contractor believes the State is liable. If the Contractor is not satisfied with the decision of the Department Director or designee, the Contractor may appeal the decision to the Department of General Services, Deputy Director, Procurement Division. In the event that this Contract is for information technology Goods and/or services, the decision may be appealed to an Executive Committee of State and Contractor personnel.
- b) Pending the final resolution of any dispute arising under, related to or involving this Contract, Contractor agrees to diligently proceed with the performance of this Contract, including the delivery of Goods or providing of services in accordance with the State's instructions. Contractor's failure to diligently proceed in accordance with the State's instructions shall be considered a material breach of this Contract.
- c) Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Department Director or designee or Deputy Director, Procurement Division if an appeal was made. If the State fails to render a final decision within 90 days after receipt of Contractor's demand, it shall be deemed a final decision adverse to Contractor's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless Contractor commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one year following the accrual of the cause of action, whichever is later.

39. STOP WORK:

- a) The State may, at any time, by written Stop Work Order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this Contract for a period up to 90 days after the Stop Work Order is delivered to the Contractor, and for any further period to which the parties may agree. The Stop Work Order shall be specifically identified as such and shall indicate it is issued under this clause. Upon receipt of the Stop Work Order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the Stop Work Order during the period of work stoppage. Within a period of 90 days after a Stop Work Order is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the State shall either:
 - i. Cancel the Stop Work Order; or
 - ii. Terminate the work covered by the Stop Work Order as provided for in the termination for default or the termination for convenience clause of this Contract.
- b) If a Stop Work Order issued under this clause is canceled or the period of the Stop Work Order or any extension thereof expires, the Contractor shall resume work. The State shall make an equitable adjustment in the delivery schedule, the Contract price, or both, and the Contract shall be modified, in writing, accordingly, if:

CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS) GENERAL PROVISIONS – NON-IT COMMODITIES

- ii. The Contractor asserts its right to an equitable adjustment within 30 days after the end of the period of work stoppage; provided, that if the State decides the facts justify the action, the State may receive and act upon a proposal submitted at any time before final payment under this Contract.
- c) If a Stop Work Order is not canceled and the work covered by the Stop Work Order is terminated in accordance with the provision entitled Termination for the Convenience of the State, the State shall allow reasonable costs resulting from the Stop Work Order in arriving at the termination settlement.
- d) The State shall not be liable to the Contractor for loss of profits because of a Stop Work Order issued under this clause.

40. PRIORITY HIRING CONSIDERATIONS:

The Contractor warrants that no gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor, to any officer or employee of the State with a view toward securing the Contract or securing favorable treatment with respect to any determinations concerning the performance of the Contract. For breach or violation of this warranty, the State shall have the right to terminate the Contract, either in whole or in part, and any loss or damage sustained by the State in procuring on the open market any items which Contractor agreed to supply shall be borne and paid for by the Contractor. The rights and remedies of the State provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or in equity.

42. NONDISCRIMINATION CLAUSE:

- a) During the performance of this Contract, Contractor and its subcontractors shall not unlawfully discriminate, harass or allow harassment, against any employee or applicant for employment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, disability (including HIV and AIDS), medical condition (cancer), age, marital status, and denial of family care leave. Contractor and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code, Section 12990 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285.0 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this Contract by reference and made a part hereof as if set forth in full.
