### General Provisions (Non-Cloud & Cloud)

Overview	
	<b>Deleted definitions that were no longer applicable and updated definitions to align with current industry standards.</b>
	<b>Added new clauses based on feedback from the IT industry to align with current standards and technological changes.</b>
	<b>Reorganized sections and moved clauses for better flow and organization. The numbers in parentheses next to the section title are the old section numbers from the current published version of ITGPs. For example: Section 11.1 Limitation of Liability (26) – means the new section 11.1 was the previous section 26 in the current version of the ITGPs.</b>
