The Department of General Services (DGS) is pleased to announce the new small business and microbusiness certification limits for average annual gross receipts. The new limits are \$12 million for small business and \$2.75 million for microbusiness. The Office of Administrative Law approved these new limits as regulations effective January 11, 2007. The small business regulation changes are in the California Code of Regulations, Title 2, Division 2, Chapter 3, Subchapter 8, sections 1894.4(q) and 1894.12(a),(b) and (d) [here](#).

This action compensates for inflation as required by Government Code section 14837(d)(3).

The DGS thanks the public for its comments.
