RE: July 1, 2012 Impact Report – Elimination of the Good Faith Effort

This broadcast announces a one-time reporting requirement due to Assembly Bill Number X4 – 21, Chapter 19, Statute of 2009, Elimination of the Good Faith Effort. California State Departments are required to report on the impact of outreach efforts conducted due to the elimination of the Good Faith Effort. The statute also seeks to measure any impact to contracts awarded meeting Disabled Veteran Business Enterprise participation goals.

To meet this reporting requirement, the Department of General Services, Procurement Division (DGS/PD), Office of Small Business and DVBE Services (OSDS) requests State departments to complete an online survey. Please complete this survey between January 19, 2012, and February 2, 2012:

This survey has been expired.

Please direct questions regarding the reporting requirement or the online survey to the Reports Coordinator:
