The DVBE Incentive Exemption List**

The Department of General Services is pleased to announce the release of the FY 2010 – 11 Consolidated Annual Report (CAR). In accordance with Public Contract Code §10111, these reports provide statistical data on each agency's level of Small Business and Disabled Veteran Business Enterprise (DVBE) contracting participation.

The DVBE Incentive Exemption List identifies departments that have met or exceed the three percent goal for two out of the three previous years. This list communicates which departments may exercise discretion regarding requiring a DVBE Incentive for solicitation.

The CAR report is posted at:
