RE: Use of Two New Logos in Broadcast Bulletins

The Department of General Services, Procurement Division is pleased to announce the use of two new logos in our Broadcast Bulletins. The two logos, shown below, will identify contracts utilizing Environmentally Preferable Purchasing (EPP) and/or Small Business (SB) and Disabled Veteran Business Enterprise (DVBE) participation.

Specifically, the EPP logo will be associated with contracts that have a reduced impact on human health and the environment, compared to competing products serving the same purpose.

The SB/DVBE logo will be associated with contracts that include SB/DVBE suppliers. In an effort to meet and/or exceed the State's mandated contracting goal of 25% SB participation and 3% DVBE participation, as stated in Executive Order S-02-06, DGS is committed to alerting departments on contracting opportunities that maximize utilization of certified SBs/DVBEs whenever possible.
