Effective today, January 4, 2016, the transition from BidSync to FI\$Cal for the SCPRS and CSCR functionality is complete.

- Future release, exempt and deferred departments will now enter transactions into FI\$Cal SCPRS.

The supplier community, public, and state employees now have access to the following functionality via the Cal eProcure portal:

- <https://caleprocure.ca.gov>
- Registration for suppliers and bidders.
- Small Business (SB) and Disabled Veteran Business Enterprise (DVBE) certifications.
- Capability to conduct searches for:
  - Bid opportunities on CSCR.
  - Certified SB/DVBE firms.
  - Leveraged Procurement Agreements.
  - Purchases recorded in the FI\$Cal SCPRS.

Any state users who have questions about their FI\$Cal system credentials or access should contact their department liaison who can assist with the role mapping process. A department liaison (DL) list is available on the FI\$Cal website Resources page at:
