**RE: Small Business and Disabled Veteran Business Enterprise Participation in
State Contracting Chart - Fiscal Year 2014–2015**

The Office of Small Business and DVBE Services (OSDS) is pleased to announce the release of its new interactive visual tool (chart) on Small Business (SB) and Disabled Veteran Business Enterprise (DVBE) Participation in State Contracting. The chart extracts SB and DVBE contracting data from the Fiscal Year 2014–2015 Consolidated Annual Report (CAR), as reported by each state department. In an effort to ensure transparency and accountability, the OSDS developed this user-friendly chart to allow (by simply clicking on each department's name) easy access to the department's previous three-year contract dollars, achieved percentage goals, and plan of improvement (if applicable).
