RE: Plotters Mandatory Statewide Contracts: 1-17-70-04D and 1-17-70-04E

The Department of General Services, Procurement Division (DGS/PD) is pleased to announce the award of the new mandatory Statewide Contracts (SC) for Plotters. The SC information is as follows:

Contract Number	Contract	Contractor
1-17-70-04D	Canon Plotters (4 Groups)	Ray Morgan Company
1-17-70-04E	HP Plotter (1 Group)	California Surveying & Drafting Supply

The User Instructions and contract details for the SCs are available on Cal eProcure website (click on the contract number in the above table to access the Cal eProcure website).

These SCs are considered Environmentally Preferable Purchasing (EPP) or “green” contracts. The contracts include a Take Back program for end-of-life plotters, thus reducing waste disposal. The plotters on these contracts meet the latest ENERGY STAR requirements and applicable plotters are certified to a minimum EPEAT bronze level. Visit the [DGS Buying Green Website](#) for additional EPP information.
