**RE: Traffic Cones, Customer Survey**

---

The Department of General Services, Procurement Division (DGS/PD) is providing the opportunity for State departments to participate in a survey that will assist DGS/PD in meeting departments' needs. The purpose of the survey is to determine the users and the issues related to the procurement of traffic cones.

The DGS/PD requests that PACs and PCOs distribute the survey to the appropriate department subject matter experts who may be able to provide comments and/or suggestions to ensure that contract requirements will continue to meet department's needs.

This survey is available [here](#).

Please submit your completed survey by close of business on July 10,19 via email to:
