RE: Request for NEW Comments on the State's Draft Cloud Computing – Software as a Service (SaaS) General Provisions

The purpose of this Broadcast Bulletin is to announce that the Department of General Services, Procurement Division (DGS/PD), in collaboration with the California Department of Technology, has posted, for comment, a second version draft of the Cloud Computing – Software as a Service (SaaS) General Provisions here. **These SaaS General Provisions will be used in conjunction with the State's Special Provisions for SaaS,** once a final version has been approved.

Departments and the public are invited to provide NEW written comments, and NEW proposed revisions to DGS/PD by January 31, using this [link](#).

The draft and comments provided by January 31, will be reviewed by internal and external stakeholders.

Please note:

- The State's Special Provisions for SaaS, which were previously updated 3/15/18, are not up for revision.
- Comments received from state departments, the vendor community, and comments discussed at the October 2018 Vendor Forum, have been reviewed and taken into consideration during the creation of this version, and thus should not be re-submitted, as they will **not be considered** for the purposes of this document.
