RE: Green Buyer Website

The Department of General Services, Procurement Division, has released the Green Buyer section of the Green California web site. The site provides transparency in the state's Environmentally Preferable Purchasing, and supports two Governor Executive Orders (B-18-12 and N-19-19). This public web site highlights each state department's progress in purchasing environmentally preferable goods. Visit the site at:

- [The Green Buyer Website](http://www.green.ca.gov/buyer) (www.green.ca.gov/buyer)
