RE: Zero Emission Transit Buses

The Department of General Services, Procurement Division (DGS-PD) is pleased to announce the award of the new Statewide Contract (SC) for Zero Emission Transit Buses. The SC is as follows:

Contract Number	Contractor Name
1-20-23-17A	BYD Coach and Bus LLC

User Instructions and contract pricing are available on Cal eProcure. Click on the contract number above to access contract details.

This SC is considered an Environmentally Preferable Purchasing (EPP) or “green” contract. Zero emission buses translate into cleaner air for all of us. They dramatically reduce tailpipe pollution from buses and also reduce energy consumption and greenhouse gases. Visit the [DGS Buying Green Website](#) for additional EPP information.
