**RE: Information Technology Consulting Services Master Service Agreement (ITCS
MSA) Updates**

This Broadcast Bulletin serves to notify state agencies that the Department of General Services, Procurement Division (DGS-PD), is developing a solicitation to rebid the Information Technology Consulting Services Master Service Agreement (ITCS MSA).

The existing ITCS MSA contract numbers 5167010-001 to various, will be expiring on April 20, 2021. State agencies who intend to continue procuring services under ITCS MSA 5167010 should amend their subsidiary agreements prior to the current ITCS MSA expiration date.

To enable potential proposers to focus on the new ITCS MSA opportunity, the application process for ITCS MSA 5167010 will close October 1, 2020, at 5:00 p.m. Pacific Time. State agencies may recommend that consultants submit an application package before the closing date and time. We highly encourage interested parties to participate in the new ITCS MSA opportunity available soon.
