RE: Cal eProcure Website Improvements

The purpose of this Broadcast Bulletin is to inform state agencies and interested stakeholders of enhancements to the Cal eProcure website.

[Cal eProcure](#), California's online marketplace, has been updated with a new look, enhanced navigation, and new features for an improved experience. This redesign promotes easy access to bidder/supplier accounts, California Small Business and Disabled Veteran Business Enterprise (SB/DVBE) certification profiles, and state contracting opportunities.

Improvements include:

1. An updated navigation bar with drop down menus providing direct access to Cal eProcure Resources and Quick Links to find:
 - Bid Opportunities in the California State Contracts Register (CSCR)
 - California Certified SB/DVBE Firms
 - Leveraged Procurement Agreements (LPAs)
 - Past Purchases in the State Contract and Procurement Registration System (SCPRS)
2. A personalized "WorkCenter" for bidder/suppliers to quickly view and manage their account and certification profile.
3. New "How do I?" tiles for bidder/suppliers with easy to navigate descriptions:
 - Sell to the State
 - Get SB/DVBE Certified
 - Find Public Procurement Information
 - Find Training and Resources
