2nd JOINT MEMO

April 22, 2022

To: Executive Branch Departments and Agencies

Re: Executive Order [N-6-22](#) regarding Sanctions Against Russia (¶¶ 4-5)

On March 4, 2022, Governor Gavin Newsom issued Executive Order [N-6-22](#) (the EO) regarding sanctions against Russia and Russian entities and individuals. The EO directs all agencies and departments (Agencies) that are subject to the Governor's authority to take certain steps described below. Constitutionally independent state entities are encouraged to take these steps as well.

On March 16, 2022, the Department of General Services (DGS) and the California Department of Technology (CDT) issued a Joint Memo offering guidance for compliance with EO Paragraphs #1, #2, and #3.

This Joint Memo provides guidance to assist state agencies with compliance concerning EO Paragraphs #4 and #5. Agencies should continue to involve their legal counsel in compliance efforts and decisions and to keep written records in each applicable contract or grant file demonstrating compliance efforts.

Agencies are recommended to comply with EO Paragraphs #4 and #5 within 45 days of the date of this Joint Memo.

Defined Terms:

- "Contract" refers to *all* types of agreements and grants, regardless of form (e.g., Std 213, Std 65, Fi\$Cal PO, etc.).
- "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.
- "Paragraphs" refers to the EO's operative paragraphs.

Compliance with Paragraphs #4 and #5:

Paragraph #4 within the EO provides:

All agencies and departments subject to my authority shall direct grantees, and contractors with agreements valued at \$5 million or more, to report to the agency or department regarding their compliance with economic sanctions.

Please note that since the March 2022 joint guidance memo, the federal government has imposed new sanctions on Russia and Russian entities and individuals. Agencies are advised to regularly check the U.S. Department of the Treasury's list of sanctioned individuals and entities at the following sites:

- <https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>;
- <https://home.treasury.gov/news/press-releases/jy0608>; and
- <https://home.treasury.gov/policy-issues/financial-sanctions/recent-actions>.

Agencies may wish to sign up for email updates from the U.S. Department of the Treasury as well.

Paragraph #5 within the EO provides:

All agencies and departments subject to my authority shall direct all grantees, and contractors with agreements valued at \$5 million or more, to report on steps they have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

In order to comply with Paragraphs #4 and #5 of the EO:

- Agencies should identify all current contracts and grants valued at \$5 million or more.
 - “Valued at \$5 million or more” includes contracts and grants with a *value to the contractor or grantee* of \$5 million or more, even if the amount paid by the Agency to the contractor or grantee is less than \$5 million or is zero. This includes, but is not limited to, revenue-generating agreements, in-kind agreements, concessions, and agreements where the contractor receives payments from the public or a third party.
 - For example, in some recycling contracts, the state does not make any payments to the contractor, but the value of the contract is based on the monetary value to the contractor of the recycled materials they collect from the state. See, e.g., State Contracting Manual volume 1, sections 3.16.B and 7.45.
- Agencies should determine the appropriate addressee names and addresses for notices and information related to such contracts and grants.
- Agencies must notify such contractors and grantees of the reports contemplated in EO Paragraphs #4 and #5 and how to they can submit them (see a template notice below). Agencies should recommend that contractors/grantees consult their own legal counsel as needed regarding compliance with sanctions and reporting to the state.

- While the EO is silent on a timeframe in which to notify such contractors and grantees about EO Paragraphs #4 and #5, it is recommended that Agencies do so within 45 days of the date of this Joint Memo.
- Attached is a template notice and contractor/grantee response form that Agencies should use for EO Paragraphs #4 and #5. These notices may be sent and responded to electronically.
- Agencies should ensure the notice clearly informs contractors/grantees where to send their reports.
- Agencies should keep track of contractor and grantee reports.
- Agencies that have more than one contract/grant valued at \$5 million or more with a single contractor/grantee may send and receive one EO Paragraph #4 and #5 notice and report for each such contractor/grantee; however, each applicable contract/grant file should include copies of the response form and report.
- **Please note that for contracts issued by DGS or CDT on behalf of an Agency, the Agency is responsible for sending the EO Paragraph #4 and #5 notices and receiving contractor reports.**
- **For Leveraged Purchase Agreements (LPAs), DGS will issue the EO Paragraph #4 and #5 notices for Contracts with statewide usage valued at or above \$5 million. DGS will then provide Agencies with the list of LPA contractors DGS contacted. If, after receiving that list, an Agency determines it has any LPA Contracts valued at or above \$5 million that are *not* on the DGS list, the Agency is responsible for issuing the EO Paragraph #4 and #5 notices for those.**

Further Guidance and Contacts:

DGS and CDT will issue further guidance shortly regarding EO Paragraph #6, including language for future contracts and solicitations.
