RE: New Target Area Contract Preference Act (TACPA) Vendor Training

PCOs & PACs: Please share this information with your department's designated TACPA liaison.

This broadcast bulletin announces a new vendor training video for the Target Area Contract Preference Act (TACPA) program aimed to raise awareness of TACPA program benefits and to increase opportunities for California-based companies in distressed areas by providing guidance to vendors doing business with the state.

The TACPA vendor training video is a self-paced module that vendors can view at their leisure to learn how to navigate the TACPA program and complete the necessary application forms.

The training video can be accessed on the [Procurement Division](#) and [TACPA](#) webpages.

For additional information and/or questions regarding TACPA, please contact:

TACPA Program
