RE: PPE Waste Removal Services – Master Agreements – New

The Department of General Services, Procurement Division (DGS-PD) is pleased to announce the award of multiple new non-mandatory Master Agreements (MAs) for PPE Waste Removal Services. The MAs are as follows:

Agreement Number	Contractor Name
5-22-99-31-01	Hakuna Services Inc.
5-22-99-31-02	Inter-State Oil Co.

MA details, User Instructions, and pricing can be found by clicking the agreement number above.

The MAs noted above are considered Environmentally Preferable Purchasing (EPP) or “green” contracts because the contractors have committed to zero landfill disposal. They will recycle or use waste-to-energy services to dispose of materials. Visit the [Buying Green Guide](#) for additional EPP information.
