RE: Renewable Diesel – Statewide Contract – Mandatory – Supplement 6

This broadcast announces the posting of Supplement 6 to the User Instructions for Statewide Contract (SC) 1-23-91-31A for Renewable Diesel for Caltrans Districts 1, 2, 6 & 8.

Supplement 6 reflects an update to Attachment A – Contract Pricing to indicate that all line items are not currently available due to sourcing challenges in the industry. Statewide Contracts for conventional diesel are available but require an approved exemption from purchasing Renewable Diesel from the Office of Fleet and Asset Management (OFAM). For exemption inquiries, please contact OFAM at FleetPolicy@dgs.ca.gov.

Supplement 6 is available on Cal eProcure. Click on the contract number below to access the Supplement and review all changes:

| Contract No. | Supplement Number | Contractor Name |
|-----------------------------|--------------------------|--------------------------|
| 1-23-91-31A | 6 | Pinnacle Petroleum, Inc. |

The Statewide Contract for Renewable Diesel is mandatory for use by all state of California departments.

Additionally, SC 1-23-91-31C for Renewable Diesel is currently unavailable for Caltrans Districts 7, 11, and 12. Refer to [Broadcast Bulletin No. K-35-25](#) dated July 7, 2025. However, the Statewide Contract (SC) 1-23-91-31B for Renewable Diesel for Caltrans Districts 3, 4, 5, 9, and 10 is currently available.

This SC is a “green contract” meeting Environmentally Preferable Purchasing (EPP) requirements.
