RE: Emergency Sleeping Cabins - Statewide Contracts - Mandatory - Supplements

This broadcast announces the posting of various supplements to the User Instructions for Statewide Contracts (SCs) 1-23-54-01(A-F) for Emergency Sleeping Cabins.

The supplements reflect a term extension through August 30, 2027, for all SCs. Additional changes to SC 1-23-54-01D are as follows:

- Updated contractor's name and contact information.
- Added information regarding approval of modifications.
- Added GenAl procurement procedures.
- Updated pricing for all cabins on Attachment A-Contract Pricing.
- Revised Attachment B-Specifications.
- Removed smoke/CO detector option from Attachment C-Parts List & Pricing.

The supplements are available on Cal eProcure. Click on the contract numbers below to access the supplements and review all changes:
