RE: Unarmed Security Guard Services - Master Agreement

SB Small Business/
DVBE DVBE Contract

This broadcast is to inform state departments that the current Master Agreement (MA) for unarmed security guard services is scheduled to expire on March 1, 2026. Department of General Services, Procurement Division, is working to establish a new MA; however, it may not be in place before the current MA expires.

State departments with existing contracts under this MA should amend their agreements using the survivorship language in the User Instructions, which permits continued use of the contract for up to 12 months beyond the expiration date, to ensure continuity of services and maintain compliance with the MA terms.

Any department that does not currently have a contract in place but anticipates requiring unarmed security guard services must execute their agreement before the MA expiration date. After March 1, 2026, new contracts cannot be issued under this MA.
