The Contractor shall take any additional precautions as the State may reasonably require for safety and accident prevention purposes. Any violation of such rules and requirements, unless promptly corrected, shall be grounds for termination of this Contract in accordance with the default provisions hereof.

15. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

- a) If the term of this Contract extends into fiscal years subsequent to that in which it is approved, such continuation of the Contract is contingent on the appropriation of funds for such purpose by the Legislature or the United States Congress, if applicable. regardless of any delay in determining or adjusting any amounts due under this clause.

- c) After termination, the Contractor shall submit a final termination settlement proposal to the State in the form and with the information prescribed by the State except that in no instance shall the Contractor seek nor will the State pay for Services not utilized or costs not specified on an order for Services regardless of Contractors' liability or costs for materials, equipment, Software, facilities, or sub-contracts. The Contractor shall submit the proposal promptly, but no later than thirty (30) days after the effective date of termination, unless a different time is provided in the Statement of Work or in the Notice of Termination.

- d) The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or under this Contract, and are subject to the clause titled “**20. Limitation of Liability.**”

18. FORCE MAJEURE:

Except for defaults of subcontractors at any tier, and any Contractor responsibilities concerning disaster recovery and/or business continuity, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include, but are not limited to:

- a) Acts of God or of the public enemy, and
- b) Acts of the federal or State government in either its sovereign or contractual capacity.

If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform.

19. RIGHTS AND REMEDIES OF STATE FOR DEFAULT:

- a) In the event of the termination of the Contract, either in whole or in part, by reason of default or breach by the Contractor, any subsequent loss or damage sustained by the State in procuring any Deliverables or Services which the Contractor agreed to supply shall be borne and paid for by the Contractor (but subject to the clause entitled “Limitation of Liability”); and
- b) The State reserves the right to offset the reasonable cost of all damages caused to the State against any outstanding invoices or amounts owed to the Contractor or to make a claim against the Contractor therefore.

20. LIMITATION OF LIABILITY:

- a) Except as may be otherwise approved by the Department of General Services Deputy Director, Procurement Division or their designee, or the Department of Technology, Deputy Director, Statewide Technology Procurement, or designee, as applicable, Contractor’s liability for damages to the State for any cause whatsoever, and regardless of the form of action, whether in Contract or in tort, shall be limited to the Purchase Price. For purposes of this subsection a),

“Purchase Price” will mean the aggregate Contract price; except that, with respect to a Contract under which multiple purchase orders will be issued (e.g., a Master Agreement or Multiple Award Schedule contract), “Purchase Price” will mean the total price of the purchase order for the Deliverable(s) or Service(s) that gave rise to the loss, such that the Contractor will have a separate limitation of liability for each purchase order.

- b) The foregoing limitation of liability shall not apply:
- i. to any liability under provisions herein entitled “Compliance with Statutes and Regulations”;
 - ii. to liability under provisions herein entitled “Patent, Copyright, and Trade Secret Indemnity” or to any other liability (including without limitation indemnification obligations) for infringement of third party intellectual property rights;
 - iii. to claims arising under provisions herein calling for indemnification for third party claims against the State for death, bodily injury to persons or damage to real or tangible personal property caused by the Contractor’s negligence or willful misconduct;
 - iv. to costs or attorney’s fees that the State becomes entitled to recover as a prevailing party in any action; or
 - v. to direct costs of mitigation, remediation, and/or notification obligations set forth in the SaaS Special Provisions, resulting from any Data Breach as defined therein, and resulting from the Contractor’s failure to perform or negligent acts of its personnel.
- c) The State’s liability for damages for any cause whatsoever, and regardless of the form of action, whether in Contract or in tort, shall be limited to the Purchase Price, as that term is defined in subsection a) above. Nothing herein shall be construed to waive or limit the State’s sovereign immunity or any other immunity from suit provided by law.
- d) IN NO EVENT WILL EITHER THE CONTRACTOR OR THE STATE BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES, EVEN IF NOTIFICATION HAS BEEN GIVEN AS TO THE POSSIBILITY OF SUCH DAMAGES, EXCEPT (I) TO THE EXTENT THAT THE CONTRACTOR’S LIABILITY FOR SUCH DAMAGES IS SPECIFICALLY SET FORTH IN THE STATEMENT OF WORK OR (II) TO THE EXTENT THAT THE CONTRACTOR’S LIABILITY FOR SUCH DAMAGES ARISES OUT OF SUBSECTION b) (i), b)(ii), OR b)(iv) ABOVE.

21. INDEMNIFICATION:

The Contractor agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all third party claims, costs (including without limitation reasonable attorneys' fees), and losses due to the injury or death of any individual, or the loss or damage to any real or tangible personal property, resulting from the willful misconduct or negligent acts or omissions of the Contractor or any of its affiliates, agents, subcontractors, employees, suppliers, or laborers furnishing or supplying work, Services, materials, or supplies in connection with the performance of this Contract. Such defense and payment will be conditional upon the following:

- a) The State will notify the Contractor of any such claim in writing and tender the defense thereof within a reasonable time; and
- b) The Contractor will have sole control of the defense of any action on such claim and all negotiations for its settlement or compromise; provided that
 - i. when substantial principles of government or public law are involved, when litigation might create precedent affecting future State operations or liability, or when involvement of the State is otherwise mandated by law, the State may participate in such action at its own expense with respect to attorneys' fees and costs (but not liability);
 - ii. where a settlement would impose liability on the State, affect principles of California government or public law, or impact the authority of the State, the Department of General Services or the Department of Technology, as applicable, will have the right to approve or disapprove any settlement or compromise, which approval will not unreasonably be withheld or delayed; and
 - iii. the State will reasonably cooperate in the defense and in any related settlement negotiations.

22. INVOICES:

Unless otherwise specified, invoices shall be sent to the address set forth herein. Invoices shall be submitted in triplicate and shall include the Contract number; release order number (if applicable); item number; unit price, extended item price and invoice total amount. State sales tax and/or use tax shall be itemized separately and added to each invoice as applicable.

23. REQUIRED PAYMENT DATE:

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code section 927 et. seq. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than forty-five (45) days after:

- a) the date of acceptance of Deliverables or performance of Services; or
- b) receipt of an undisputed invoice, whichever is later.

24. TAXES:

Unless otherwise required by law:

- a) the State of California is exempt from Federal excise taxes; and
- b) the State will only pay for any applicable State or local sales or use taxes on the services rendered or Goods supplied to the State pursuant to this Contract.

25. CONTRACT MODIFICATION:

- a) No amendment or variation of the terms of this Contract shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or agreement not incorporated in the Contract is binding on any of the parties.
- b) Notwithstanding subsection a) above, service agreements may be modified by Contractor from time to time, but any such modifications will not degrade the functionality or security features of the SaaS. Service agreements shall be subject to section 11(f) Order of Precedence.

26. CONFIDENTIALITY OF DATA:

- a) All Customer Data made available to the Contractor in order to carry out this Contract, or which become available to the Contractor in carrying out this Contract, shall be protected by the Contractor from unauthorized use and disclosure by use of the same or more effective confidentiality requirements as are applicable to the State. The identification of all such confidential data and information as well as the State's confidentiality requirements for protection of such data and information from unauthorized use and disclosure shall be provided by the State in writing to the Contractor. If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used, with the written consent of the State, to carry out the intent of this paragraph. Any additional requirements to ensure confidentiality of data shall be set forth in the SOW. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information which is or becomes publicly available, is already rightfully in the Contractor's possession without obligation of confidentiality, is independently developed by the Contractor outside the scope of this Contract, or is rightfully obtained from third parties. Contractor shall sign a security and confidentiality statement. Contractor is responsible for

all Contractor personnel assigned to this Contract and will have appropriate agreements in place to enable Contractor to meet its obligations hereunder.

- b) The parties acknowledge information transmitted by the State to the Contractor and/or Service Provider may inadvertently contain Federal Tax Information (FTI). The State will use all reasonable efforts to prevent the transmittal of FTI to Contractor and/or Service Provider under this Contract. The State further acknowledges that the Contractor and/or Service Provider does not require any “access” to, or “receipt” or “storage” of FTI to perform the Services under the Contract. The Contractor and/or Service Provider further acknowledges that Contractor and/or Service Provider shall not knowingly access or permit access to such FTI, unless directed by the State. Access to FTI is out-of-scope of the Services. To the extent that Contractor’s and/or Service Provider’s access to FTI is “incidental” to Contractor’s provision of Services, it is the parties’ view that such incidental exposure should not legally subject Contractor and/or Service Provider to the Internal Revenue Service (IRS) requirements set forth in IRS Publication 1075, section 11.2. If, however, the IRS ultimately takes a contrary position, and determines that Contractor, Service Provider and/or the State should have nevertheless complied with the requirements of IRS Publication 1075, the parties will immediately commence an evaluation of the feasibility of continued performance under the Contract.

27. NEWS RELEASES:

Unless otherwise exempted, news releases, endorsements, advertising, and social media content pertaining to this Contract shall not be made without prior written approval of the Department of General Services.

28. DOCUMENTATION:

The Contractor agrees to provide to the State, at no charge, all Documentation as described within the Statement of Work, and updated versions thereof, which are necessary or useful to the State in its use of the equipment, Services, or Software provided hereunder. The Contractor agrees to provide additional Documentation at prices not in excess of charges made by the Contractor to its other customers for similar Documentation.

29. RIGHTS IN WORK PRODUCT:

- a) All inventions, discoveries, intellectual property, technical communications and records originated or prepared by the Contractor pursuant to this Contract including papers, reports, charts, customized software, and other Documentation or improvements thereto, and including the Contractor’s administrative communications and records relating to this Contract (collectively, the “Work Product”), shall be the Contractor’s exclusive property. The provisions of this

subsection “a)” may be revised in a Statement of Work.

- b) Software, other components of SaaS, and materials developed or otherwise obtained by or for the Contractor or its affiliates independently of this Contract or applicable purchase order (“Pre-Existing Materials”) do not constitute Work Product. If the Contractor creates derivative works of Pre-Existing Materials, the elements of such derivative works created pursuant to this Contract constitute Work Product, but other elements do not. Nothing in this Section 29 will be construed to interfere with the Contractor’s or its affiliates’ ownership of Pre-Existing Materials.
