Travel Bulletin # 18-03

Effective: July 01, 2018
Expiration: June 30, 2019

SUBJECT: Discount Airfare for Official State Business

PURPOSE: Extension of Contracted Airfare Discounts for Official State Business

REFERENCE: Travel Bulletin # 14-04

Purpose

The purpose of this Travel Bulletin is to announce the extension of discount airfare contracts between the state of California and the following airlines:

- Alaska Airlines (incl. Virgin America)
- Delta
- JetBlue
- Southwest Airlines

These discount airfares are authorized for use by employees of state departments, universities, local governments, and K-12 public school districts for travel on official government or school business. Contracts are available for two discount categories: preferred carriers and individual city-pairs. Contracted airfares will be used by all state departments in accordance with the guidelines listed in the **Usage Requirements** section of this Travel Bulletin. Departments may impose more restrictive travel rules as determined by their operational need. Reference your individual departmental travel policy for specific limitations and guidelines.

Contract Term

The contracts are extended effective July 1, 2018 – June 30, 2019.

Discount Airfares

Preferred Carriers

Preferred carrier groups are available for both domestic and international airfare markets. Preferred carrier contracts are awarded to one airline in each of these markets. The domestic market is defined as all flights with both the origination and destination airports located within the 50 United States. The international market is defined as all flights that have one or both of the origination and destination airports located outside of the 50 United States.

- Domestic preferred carrier: **Southwest Airlines**
 - o 6 percent discount on all fully refundable domestic fares.
 - o 3 percent discount on all nonrefundable domestic fares.
 - o Discounts do not apply to limited-time promotional fares.
- International preferred carrier: **Delta Airlines**
 - o 8 percent discount on all fully refundable international fares.
 - o 2 percent discount on all nonrefundable international fares.
 - o Discounts are available as part of a joint venture agreement.
 - Joint venture participants: Delta, Alitalia, Virgin Atlantic, KLM, Air France and Korean Air.
 - Tickets issued through Delta but carried on one of the joint venture airlines will qualify for the contracted discount.

City-Pairs

The contracted city-pair rates include airfare for origination and destination points for intra-California, out-of-state, and international destinations and are listed at www.dgs.ca.gov/travel.

The state of California has two types of discount city-pair airfares: Unrestricted (YCAL) and Restricted (capacity-controlled/VCAL).

- YCAL fares are fully refundable, unrestricted airfares that offer last seat availability and are for travel in either direction of the city-pair.
- Capacity-controlled fares are restricted, meaning that airlines set aside a limited number of seats on each flight for the state of California. These airfares are also fully refundable and are for travel in either direction of the city-pair. These fares are less expensive than the unrestricted YCAL fares. Capacity-controlled fares are typically available when a traveler is able to make travel arrangements early.

Usage Requirements Effective June 30, 2017, United Airlines is no longer a contracted carrier for the state of California. United Airlines flights will still be available to state travelers; however, the state of California, for individual trips of authorized state travelers, requires the use of carrier services in the following hierarchical order.

- a) Preferred carriers: Authorized state travelers are required to use the state's preferred carriers, unless one of the following exceptions exists:
 - I) Space or flight schedules are not available to accomplish the purpose of the travel, or use of available contract service would require the traveler to incur unnecessary costs that would increase the total cost of the trip.
 - II) A non-contract carrier or city-pair contracted carrier offers a fare that is \$30.00 lower than the preferred carrier's published state discounted rate.
- b) City-pair carriers: Authorized state travelers who meet one of the preferred carrier exemptions above will be required to book one of the state's city-pair fares, unless one of the following exceptions exists:
 - I) Space or flight schedules are not available to accomplish the purpose of the travel, or use of available contract service would require the traveler to incur unnecessary costs that would increase the total cost of the trip.
 - II) A non-contract carrier offers a fare that is \$30.00 lower than the city-pair's published state fare.
- c) Non-contracted carriers: Authorized state travelers who meet exemptions in each of the two categories above will be authorized to book the lowest available fare that meets their business needs with a non-contracted carrier.

Preferred carrier discounts are available through Southwest Airlines and Delta Airlines. Discount YCAL and capacity controlled fares are available through Alaska Airlines, Delta Airlines, and JetBlue. To receive discount fares (preferred or city-pair), travel must be booked through the state's authorized travel agency, CalTravelStore, or online booking tool, Concur Travel. Links are located at www.caltravelstore.com. Per terms of the contract, all discounted airfares must be paid for using an account through the state's contracted travel payment provider.
