BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

IN THE MATTER OF:

PARENT ON BEHALF OF STUDENT,

v.

FOLSOM-CORDOVA UNIFIED SCHOOL DISTRICT.

OAH CASE NUMBER 2020061034

ORDER DENYING STUDENT'S REQUEST FOR RECONSIDERATION

SEPTEMBER 23, 2020

On September 21, 2020, the undersigned Administrative Law Judge denied Student's written request to amend the complaint filed September 18, 2020, after oral argument by both parties during the prehearing conference. On September 21, 2020, Student filed a request for reconsideration. On September 23, 2020, Folsom-Cordova Unified School District filed an opposition.

APPLICABLE LAW

The Office of Administrative Hearings will generally reconsider a ruling upon a showing of new or different facts, circumstances, or law justifying reconsideration, when

the party seeks reconsideration within a reasonable period of time, generally within ten days. (See, e.g., Gov. Code, § 11521; Code Civ. Proc., § 1008.) The party seeking reconsideration may also be required to provide an explanation for its failure to previously provide the different facts, circumstances or law. (See *Baldwin v. Home Savings of America* (1997) 59 Cal.App.4th 1192, 1199-1200.)

DISCUSSION

Student's request for reconsideration alleges no new facts, circumstances, or law in support of the request reconsideration. It repeats the same arguments Student made in his original request and during oral argument at the prehearing conference. The information contained in the reconsideration request was considered in the original ruling, is not new, and does not support a request for reconsideration.

To the extent Student contends that the undersigned ALJ misapplied the law concerning amendment or the statute of limitations, that is not a basis for reconsideration, but for seeking review, if and to the extent available.

For the reasons stated above, Student's request for reconsideration is denied. All dates set in this matter are confirmed.

IT IS SO ORDERED.
