In the Matter of: PARENT ON BEHALF OF STUDENT, v. TORRANCE UNIFIED SCHOOL DISTRICT.	OAH Case No. 2016120099 ORDER FINDING DUE PROCESS COMPLAINT SUFFICIENT

On November 18, 2016, Student filed a due process hearing request[1] (complaint) with the Office of Administrative Hearings naming Torrance Unified School District. On December 5, 2016, District filed a notice of insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings

DISCUSSION

Student's complaint alleges that Student has social and academic delays due to his autism, but District has failed to appropriately assess or address Student's educational needs. Student claims that District denied him a FAPE by: (1) failing to offer a FAPE from November 18, 2014 through the end of the 2014-2015 extended school year; (2) failing to offer FAPE for the 2015-2016 school year and extended school year, and (3) failing to offer FAPE for the 2016-2017 school year. For each issue, Student details the assessments he alleges should have been done at that time, how the IEP documents were defective or insufficient, and which special education placement and related services he contends Student should have received.

The facts alleged in Student's complaint are sufficient to put District on notice of the issues forming the basis of the complaint. Student's complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation. Therefore, Student's statement of claims is sufficient.

ORDER

1. The complaint is deemed sufficient under title 20 United States Code section 1415(c)(2)(C) and Education Code section 56502, subdivision (d)(1).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
