In the Matter of: STANISLAUS UNION ELEMENTARY SCHOOL DISTRICT v. STUDENT.	OAH CASE NO. 2011050527 ORDER DEYING REQUEST TO REOPEN CASE

Stanislaus Union Elementary School District (District) filed this matter in May 2011. It was dismissed and closed in August 2011 after District withdrew the complaint.

On June 3, 2013, the Office of Administrative Hearings (OHA) received a letter from Student's mother (Mother) asking that this case be reopened. In the letter, Mother references events pertaining to this matter as well as events occurring after this matter was closed.

This matter was filed by District, not Mother. Therefore, Mother has no authority to request that this matter be reopened. Without making any determination concerning the merits of the facts included in Mother's June 3, 2013 letter, Mother may file her own request for mediation or due process hearing with OAH concerning the issues raised in the letter.

It is so ordered.
